

ABOUT THE COLLEGE

Kanoria PG Mahila Mahavidyalaya has completed 57 years of dynamic journey with an aim to educate, emancipate and empower young women of Jaipur. The college exists in the aesthetic environs of Jawahar Lal Nehru Marg established in 1965, by Late Bhagirath Ji Kanoria as the first institution of higher education for women through grant – in – aid from Government of Rajasthan. Moving forward in its 57 years of luminous journey, the college has emerged as one of the leading institutions not only in Jaipur but also in the State of Rajasthan. With a view to impart education the college aims at disseminating not only knowledge and facts but also emphasizes on value based holistic development. Earning a prestigious reputation of harnessing a progressive outlook for education, the college has introduced new academic programmes at UG and PG levels from time-to-time along with skill development and career-oriented courses.

The college perceives education as the means of developing one's greatest abilities, because in each person there is a private hope and dream, which, fulfilled, can be transformed into benefit for everyone and greater strength for nation. Keeping this in view, college offers programmes in Arts, Science, Commerce, Fine Arts, Computers, Biotechnology, Business Administration, Fashion Designing, Media, and Entertainment.

The infrastructure and facilities available on campus are amongst the best. It is wholly self-contained campus comprising of everything that students on campus would ever require.

The spirit of learning depends on the atmosphere built up around the campus, the zeal carried by the teachers and imparted through facilities like library – rich in quality books, well maintained laboratories, excellent equipment, spacious seminar rooms, auditorium, study halls, creativity zone etc.

College treasures that education is passport to the future, for tomorrow belongs to those who prepare for it today. Therefore, institution has exceptional brigade of alumni who represent the legacy of knowledge and values gained from their journey as college students.

MESSAGE FROM THE CHAIRMAN

The new education policy poses new challenges before us but simultaneously it is creating an enabling environment. It is my pleasure to welcome you in this new academic session. We firmly believe that education is the key to a nation's progress and with this we will take it as our duty to provide the best academic training a student can possibly look for. The College inculcates values for all facets of life and provides students a holistic learning experience. It has been our constant endeavor to instill in our students ethical values to make them socially responsible citizens. The time and effort you invest today are the deciding factors of your later years. I anticipate full participation and cooperation of the students and parents to make it possible for us to actualize your aspirations.

I wish you all the best!

MESSAGE FROM THE DIRECTOR

Greetings from Kanoria College Community!

You are joining an institution which prepares and helps its students to design a trajectory for taking charge of their lives; which values learning to prompt them to navigate their way to a station of dignity by crossing boundaries and challenging assumptions perpetuated by a stratified society; and where their apprehension and anxieties are put at rest through mentoring and counselling. We partner with you in your journey to grow in mind, heart and spirit and to flourish.

All initiatives of the college from pedagogies to upskilling programmes have students at the centre. The classroom offers you an intellectually stimulating environment to think through ideas and various clubs and forums for expressing your passion and discovering your potential. Here is a space for you to open up to the world of challenges and possibilities.

In our endeavor of creating an enabling environment to curate a career for you, the best organizations in academia and industry have joined hands with us e.g., USIEF Fulbright Programme, Dutch Green Business, Netherlands, Institute of Cost Accountants of India: CAI, Global Talent Track Foundation, IIT Delhi-Virtual Labs, Anveshan Foundation-Delhi University and Morarka Foundation.

We hope that your curiosity and rigor will fuel your future and your aspirations will find a space here to blossom and the course to it will be full of fun.

MESSAGE FROM THE PRINCIPAL

Welcome to Kanoria College!

I feel happy and delighted to welcome you all in the college campus after a disrupted period of almost two years. Together we will explore the opportunities created by COVID-19 to lead to a better tomorrow. The past two sessions were challenging for all of us. Learning continued for both students and teachers by adopting the online mode of teaching. The assessment system of university was also affected due to COVID-19 situation. Beginners were promoted while others were relaxed by reducing the length and time of question papers. The future is more challenging, as situations have become near to normal. Get ready to face and fulfil the heightened expectations from your parents and teachers. You have to prepare yourself for face-to-face interaction with the teachers and friends in the college. Your presence in college campus helps you to understand and reach the learning outcomes of your subject.

In Kanoria college we believe in holistic development of our student through capacity building. There is an environment of immeasurable co-curricular activities, by which one can accelerate the journey of self-accomplishment and empowerment.

In this way this year few more add-on certificate courses are introduced for skill enhancement of our students, i.e., Graphic designing, Advance MS Excel, Coding through Python, Cyber Security, Banking and Insurance, Investment Management, etc. To promote the budding entrepreneurs NARIKA, the incubation centre in the campus will support and mentor the idea of your start-ups.

It is the responsibility of every higher education institution to make the country feel proud with a fleet of sensible citizens. We at Kanoria believe in invigorating young minds for their contribution to the socio-economic environment of the society/country.

Best Wishes

Trips and **EXCURSIONS**

Educational tours play an important role in educating students in a practical and interesting manner. Something that is seen in real can be easily perceived than something that we simply read in book. So taking students to trips that will relate to their academics can help them learn much better. Educational tours can also be a way to fun and recreation.

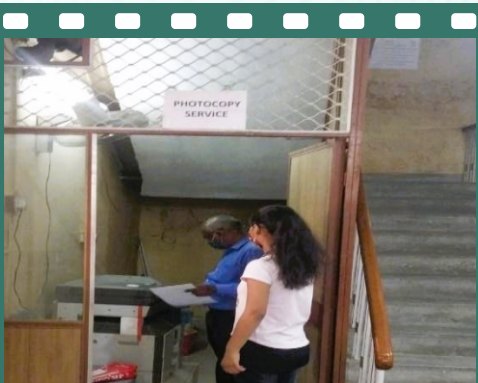

The library has a rich collection of more than 72,000 books with an excellent reading ambience and scalable infrastructure. The library offers 13 daily newspapers in Hindi and English and 112 National and International Journals/Magazines along with 18 SAGE journals which can be accessed online and in hard copy also. It also consists of a ‘Not to be issued’ section, Reference Room, Cyber Room and a section where 5 year old question papers are also available.

- User Orientation Programme:** A User Orientation Programme is conducted every year for First year students in the month of August to create an awareness of the facilities provided by the library.
- Library Timings:** 9 am – 5 pm (throughout the academic year)
- True Value System:** Library management software is executed via a barcode system which is helpful in creating and maintaining student databases, book inventory and cataloging.
- User friendly software:** OPAC (user software) facilitates direct access to library catalogue. It makes it convenient for the faculty and students to search for the desired texts.
- E-Resource:** Library is a member of E-Shodh Sindhu (N-List) program from UGC INFLIBNIT. Faculty members and students can access more than 6000+ e-journals and 1,99,000+ e-books under N-list and 6,00,000+ e-books through NDL. SAGE also provides digital access to its resources to the college. The Library has an institutional membership for the National Digital Library (NDL), through which thousands of e-resources can be accessed.
- Book Bank:** The college, in its effort to support underprivileged students, provides books on yearly basis through the book bank consisting of 9793 books, managed by the college library. NATIONAL SERVICE SCHEME

Popularly known as NSS, the forum is an extension dimension of higher education system to orient the student engagement towards community service under the aegis of Ministry of Youth Affairs and Sports, Government of India. It promotes social awareness and creates a sense of responsibility and discipline among students. Through regular activities and special camps, it provides them with a unique opportunity for teamwork and constant interaction with the community. Some of the major initiatives taken by NSS are:

1. Celebrating special days and events like Literacy Day, International Yoga Day, Human Rights Day, NSS Day, International Women's Day, World Aids Day, Unity Week etc.
2. Spreading awareness about health and hygiene through various activities under Swachh Bharat Campaign and health camps like - eye camp, dental checkup and blood donation camp.
3. Foster community service spirit among young students through visits to adopted slums and villages to undertake literacy, computer education and gender equality campaigns.
4. Creating awareness amongst people about social evils with 'Daughters are Precious' and 'Organ Donation Awareness' campaign by organizing rallies, film shows, talks and nukkad natak etc.
5. Organize State, National and International level programmes as per the directions of the Government of India.
6. Participation in State and National level camps, workshops, competitions and youth festivals.

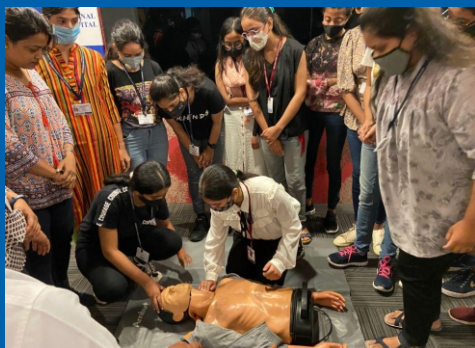

Shaping the student's personality by inculcating leadership, planning and management skills in them at an early stage is the aim of NSS. The NSS certificate provides a weightage of 2% - 5% marks at the time of admission in higher studies. The work experience helps them find avenues for self-employment.

NSS unit of college has received recognition from the state government by winning all the three prestigious awards for **Best Institution, Best NSS Volunteer, Best NSS Officer** in the recent past along with Indira Gandhi National Service Scheme Award (President Award)- 2010 in the category of Best Volunteer.

Red Ribbon Club is a movement started by the Government of India in schools and colleges through which, students will spread awareness over HIV / AIDS. It motivates and guides to the students community to extend their kind help towards developing healthy life styles, donating blood to all the needy by promotion of Regular voluntary blood donation. College is a member since many years and creating awareness about health.

A Students' Union is elected each year by the students in accordance with the directions of the Directorate of College Education. The college uses the indirect method of electing student representatives wherein the students elect Class Representatives (CR) from both undergraduate and post graduate levels. These CRs then elect the office bearers amongst themselves. Presidential and Vice Presidential candidates are allowed to propagate their manifesto via speeches and discussions. The college does not promote excessive wastage of paper and the students contesting elections proliferate by using handmade posters and charts, which are displayed within the campus. The Office of the Student Union Constitutes of

Kanoria shaped up my life in a way that I would always be indebted towards the quality learning and upbringing I received here. Being a science student and a sports aspirant my journey here has been very exciting. The right combination of Guidance and facilities helped me represent my college at various state , National and international platforms. With football as my game, kanoria motivated me to achieve all my goals in life.

I will always thank kanoria for inspiring me.

The college had a quaint entrance and an extremely welcoming vibe and I was instantly in love with it.. Hostel building was a cozy ,clean and contemporary and the rooms were large ,bright and airy. We had regular classes everyday and attendance was mandatory, since batches were small so bunking was difficult. Our teachers were friendly but no nonsense was tolerated. We were encouraged to participate in various activities which , faculty, painstakingly organised. Our achievements were heartily applauded. Rules of college/hostel were strict , but girls being girls we were determined to have our share of adventure by bunking and sneaking out for a movie or a quick snack at JS aka janta store . Two years passed in a blink, and it was time to leave the place which had been home and people were family for two years , with heavy hearts we stepped out with loads of fond memories which I fondly cherish. I Shall always remain eternally grateful for everything Kanoria college gave me.

It is here in Kanodia College that Miss Terway- our then dowager Principal made me realise the importance of Hindi. Three years under her hawkish glare ignited in me a desire to master my mother tongue. From her one learnt that anything is worth doing only ,when we give our 100 percent .Miss Prabhu the then Vice Principal and an untiring activists turned terms like "women empowerment", "gender equality", "human rights " into real-life goal posts.

Two years into the college I realised they were attainable but only if we gave all it takes. I owe much to my college but above all it was the catalyst that made me realise that feminism skills will be the operating system of a new world order.
