300+ Cycles

AS ON SEP-2021

Pooja Vijay, the woman behind Pink Pedals was shocked and shattered after hearing the news about Delhi becoming the most polluted city in the world in 2016, so much so that she decided to take matters into her own hands and started her own bicycle-renting service in Pinkcity Jaipur.

Showing her love for the pink city made her choose the name PINK PEDALS thereby, paying a fitting tribute to the city that made her what she is. Started in July-2017 with only 9 cycles, huge demand & re-interest of citizens in cycling have increased the fleet of cycles to more than 300 for all age groups and all types.

Pooja, also known as revolutionary women who brought back the era of Cycles in Jaipur, in Jan-2019, she was chosen as First BICYCLE MAYOR OF JAIPUR by Amsterdam based ngo BYCS (www.bycs.org).

Pooja believes that cycling is about the affirmation of freedom of mind and spirit. In addition to people movement, we aim for a cleaner city and a healthy sustainable environment. People movement on cycles will avoid traffic jams, congestion and bring down the pollution levels. A healthy populace is a spin-off benefit.
