- Each Semester shall have continuous assessment which shall include internal assessment in theory and practical by internal examination/seminar/oral examination/viva-voce etc, besides assessment of candidate's regularity and performances in the class.
- A candidate has to pass in the continuous assessment as well as EoSE (End of Semester Examination) paper separately.
- Each EoSE of theory paper shall carry 100 marks and will be of 3 hours duration. Candidate has to attempt five (05) questions in all. All questions carrying equal marks.
- Part 'A' of the theory paper shall contain 10 Short Answer Questions of total 20 marks, based on knowledge, understanding and applications of the topics/texts covered in the whole syllabus. Each question will carry two (02) marks for correct answer.
- Part 'B' of the theory paper will have total four questions of 20 marks each, framed by taking one question from each unit with internal choice. The limit of answer will be five pages.
- Each Laboratory EoSE will be of six hours durations and involve laboratory experiments/exercises, record and viva-voce examination with weightage in ratio of 75:25.
- The Practical examination will be conducted by board of examiners consisting of one internal (to be appointed by the Head of Department) and one external examiner (to be appointed by the University).
- The medium of instruction and examination shall be English only.

COURSE STRUCTURE

The Credit Courses of the programme have been classified as below:

- CCC: Compulsory Core Course
- ECC: Elective Core Course
- SSC: Self Study Course
- PEJ: Project Work

SYLLABUS

M.A./ M.Sc. Mathematics

(Semester Scheme)

I & II SEMESTER 2020-21

III & IV SEMESTER 2021-22

Raj/Vas

**Dy. Registrar (Acad.)
University of Rajasthan**

M.A./M.Sc. Syllabus in Mathematics as per new scheme: credit-based Semester System (Four Semesters in two years) with continuous assessment [30% with non-inclusion in Cumulative Grade point average (CGPA)].

To obtain a Master's Degree M.A./M.Sc. in Mathematics, a candidate is required to earn 120 credits with grade E or higher. For this each Semester will offer 36 credits. To earn credits for a paper, a candidate shall be required to obtain grade E or higher (or equivalent marks percentage) in the theory/practical examination. A candidate has to pass in the continuous assessment (internal) as well as in that paper separately. However, the grade point/marks obtained in the continuous assessment will not be included in Semester Grade Point Average (SGPA). In continuous assessment and End of Semester Examination (EoSE) separate grades will be awarded. The candidate will not be permitted to appear in EoSE of a particular credit (i) if he/she does not meet out 75% attendance requirement, or (ii) he/she fails to secure a Semester Grade Point Average (SGPA) of 1.5 in the continuous assessment.

The Credit Courses have been classified as

- a) Compulsory Core Courses (CCC)
- b) Elective Core Courses (ECC)

A course is identified by a course code designated by a string of six alphanumeric characters and a course title. In a course code the first three characters of the string indicate the Department offering the course and the later three alphanumeric characters designate a particular course. In the case of compulsory core course the fourth character identifies the semester numeric digit and in case of the elective core courses the fourth character indicates the cluster of specialization. For compulsory or elective theory core courses the fifth character is '0' and for laboratory core course it is '1'.

M.A./M.Sc. Psychology (Semester Scheme)

Syllabus

Course ~~M.A./M.Sc. Psychology~~ /M.Sc. Psychology (Semester Scheme) course will be comprising of Four (4) Semesters. Each Semester of Master's course will offer 36 credits. For award of Master degree Minimum 120 Credits are required.

The Credit Courses have been classified as:

- a) Compulsory Core Course (CCC)
- b) Elective Core Course (ECC)
- c) Seminar (SEM), Project Work (PRJ), Field Study (FST)
- d) Contact Hours: Lecture (L), Tutorial (T), Practical (P), ~~Field Study~~ (SS)

Scheme of Examination:

- a) Each Theory paper End of Semester Examination (EoSE) will carry 100 marks. The EoSE will be of 3 hours duration.
- b) Part 'A' of Theory paper will contain 10 Short Answer Questions of 30 marks, based on knowledge, understanding and applications of the topics/texts covered in the syllabus. Each question will carry three (03) marks for correct answer.
- c) Part 'B' of Theory paper will contain seven (07) questions. Out of which candidate has to attempt five (05) questions. Each question will carry five (05) marks for correct answer.
- d) Part 'C' of paper will consist of three (03) questions with internal choice of 15 marks each. The limit of answers will be of five pages.
- e) Each Laboratory EoSE will be of 100 marks and Four (4) hours duration. The EoSE will involve one (1) Major (60 marks) and one (1) Minor (40 marks). Conduct of experiment/test and Viva-voce examination with weightage in ratio of 75:25 respectively.
- f) Each Seminar (SEM)/ Project Work (PRJ)/ Field Study (FST)/ Training will have Continuous Internal Assessment by the guiding teacher. Every EoSE will be of 100 marks and Four (4) hours duration. The EoSE will involve Two Course Categories of 50 marks each and will comprise of Submission and Presentation of Reports and Viva-voce examination.
- g) Continuous Assessment will consist of two components, namely (i) Internal Assessment and (ii) Sessional Test(s) in ratio 20:80. The internal assessment component will comprise of assessment of students' performance on the basis of factors like Attendance, Classroom participation, Quiz, Home Assignment, etc. The sessional test shall be conducted on coverage of 50% of course content.
