I was fully satisfied with the help and guidance provided by the staff and college from time to time regarding studies and extra curricular activities. The only point where I disagree is that college tie ups with industry must be strengthened so that students are aware about recent trends and happenings in day to day lives which also is helpful from the career prospective.

The Syllabus of the Course Studied by you provided Hands on Experience -

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 2.2%, 20%,37.8% and 40% alumnae responded as strongly disagree , disagree , neutral and strongly agree respectively found the syllabus of the course provided hands on experience.

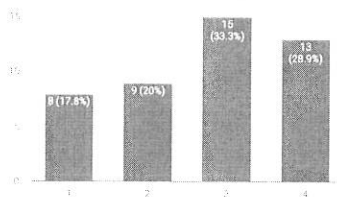

Teaching Methodology adopted by the teacher was satisfactory -

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 4.4%, 48.9% and 46.7% alumni responded as strongly disagree , neutral and strongly agree respectively found the teaching methodology satisfactory.

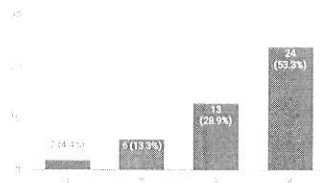

The Industry- Academia tie- ups were beneficial in career growth -

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 17.8%, 20% and 33.3% ,and 28.9% alumnae responded as strongly disagree , disagree , neutral and strongly agree respectively on the Industry -Academia tie -ups beneficial in career growth.

The Syllabus requires updation as per recent trends -

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 4.4%, 13.3% and 28.9% ,and 53.3% alumnae responded as strongly disagree , disagree , neutral and strongly agree respectively on the updation of the syllabus as per recent trends.

College adopts transparent approach in Academic Process-

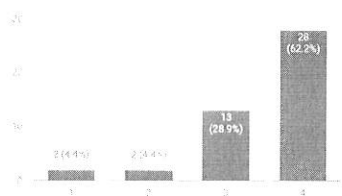

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 2.2%, 4.4% and 37.8% ,and 55.6% alumnae responded as strongly disagree , disagree , neutral and strongly agree respectively for the transparent approach adopted by the college in Academic Process.

supportive in the college-

The Learning environment was

On the scale of 1-4, where 1 - Strongly Disagree , 2 -Disagree , 3 -Neutral , 4- Strongly Agree , 4.4%, 4.4% and 28.9 % ,and 62.2% alumnae responded as strongly disagree , disagree , neutral and strongly agree respectively for the supportive Learning environment in the college.

Any other suggestions for quality in teaching - learning process enhancement-

- Teaching in physics should be more experimental.
- The use of ICT tools should be increased.
- Industry tie ups must be encouraged.
- More industry oriented curriculum
- Complete notes to be provided.
- I am fully satisfied with the help and guidance provided by the college and teachers throughout the college journey. Only one suggestion I would like to give that industrial tie ups with college should strengthen more properly so that the students are not only aware in the academic portion but can sustain it in practical lives as well and can be beneficial for our career growth also.
- Syllabus based Monthly test should be organized by teachers to improve score & skills of students.
- They have to make concept more clear specially in pure mathematics
- Give other knowledge, other than books and also about the career options.
- Give other knowledge , other than books and also about the career options
- Weekly tests should be conducted.
- I was fully satisfied with the help and guidance provided by the staff and college from time to time regarding studies and extracurricular activities. The only point where I disagree is that college tie ups with industry must be strengthened so that students are aware about recent trends and happenings in day to day lives which also is helpful from the career prospective.
- Require more of in depth discuss of subjects in classroom. Industry and market exposure should be given.
- Sometimes we students feel so demotivated and hopeless at the same time due to many reasons, being a student I kn that you guys have already provided the motivation thing but I would love to see it in some other ways also, overall it is such a nice nd lovely place to be a part of
- Teaching in physics should be more experimental.
- The use of ICT tools should be increased.
- Industry tie ups must be encouraged
- Do make the study visit .
- Classes was good
- Use of Technology for holistic learning

- Job oriented diploma course
- Everything was good teachers are very helpful.
- Excellent experience
- College should be associated with girls NCC. Swimming should be opened throughout the year. Some sessions should be exclusively held for providing lesson for girls safety/defending in panic situations.

ACTION TAKEN REPORT ON ALUMNAE FEEDBACK : 2022-23

The Alumnae feedback for the session 2022-23 was focused on practical training and enhancing skill based education and developing life skills of the students. On the basis of these suggestions, following actions were taken:

1. College has increased the number of Smart Classrooms with Digital Boards, Smart Boards and has made the campus Wifi friendly and has also provided LAN facilities.
2. Internal assessment/continuous assessment through tests, presentations , demonstration interactive sessions and classroom discussions.
3. Professional Courses have been introduced to meet the requirements of the present time and all round development of students.
4. For skill enhancement , more Certificate / Diploma Courses have been introduced.
5. College has signed MoUs with Government and Non -Government organizations and bodies to facilitate training, research and skill development.
