Suggestions: Feedback on Curriculum ,Course , Teaching- Learning and Evaluation:

- Should make more books available in the library for the respective subject rather than only the recommended books to increase the accessibility of material for students.
- Notes should be provided of each lecture.
- Availability of books should be increased related to curriculum.
- Please include the curriculum according to the developing skills
- The curriculum should have tests every month so that students will study regularly .
- Should provide proper facility of classes .

- Required detail explanation of the topics as superficial things are going on in some classes which makes difficult to write answer in exam.
- practical based examples can help in understanding the concept better.
- Friendly relationship between teacher and students
- More field trips
- Everything is just perfect and the discipline that computer science department maintains is really appreciating (satisfied)
- Everything is completed on time. The teachers provide more practical knowledge which is helpful for us.

7. Any Comments / Suggestions:

1. The college administration must follow certain necessary methods.
2. The Best Faculties are present in our college. I'm so lucky to have knowledgeable faculties and the activities they conduct every year , every month is for the development of the students. And the study material provided by the faculties is so helpful.
3. Faculty behavior has to be changed. Faculty never listens to our point. They need to be more polite and respect us and our decision.
4. I am happy to take admission in kanoria PG Mahila Mahavidyalaya college.
5. Overall experience is good but sometimes needed the faculty members help
6. Life based examples can be used
7. More seminar to be conducted.
8. Everything is too good
9. Everything is just perfect
10. Extra learnings beyond classes should increase

11. There should be some more sessions regarding upcoming research and some government projects which are related to our subjects out of college and class assignments.
12. There is too much of workload in this college and students are in stress for exam
13. I'm happy to be in this college, as all of my faculty teachers are incredibly knowledgeable, not only they encourage & motivate us, but also teaches us the core value of the subject, their own experiences, tips and tricks makes the subject more interesting and scoring.
14. Teachers are hard working
15. More Focus needed on students career opportunity.
16. Should use modules for better understanding of the topics.
17. Extra learnings beyond classes should be emphasized.
18. Change these mentor and hire some humble teachers.

ACTION TAKEN REPORT ON STUDENTS FEEDBACK: 2022-23
