Holistic Approach towards Teaching

Seven-day Faculty Development Programme (1-7 July 2023)

Teaching Learning Centre

Teaching learning Centre at Kanoria PG Mahila Mahavidyalaya, organized a seven -day In-house Faculty Development Programme from 1st – 7th July 2023 on “Holistic Approach towards Teaching”. The objective of the programme was to promote an academic and intellectual environment within the institution.

The FDP began with a session on “Dynamics of Teaching” by Prof. N.D Mathur, Dean, School of Humanities and Social Science, JECRC University. He emphasized on the need to create a congenial classroom environment. He stated that the teachers must go to the classroom well equipped and introduced the 9 ‘C’ s of teaching to the gathering. The second day of the FDP was conducted on a virtual mode on “New Critical Approaches to Teaching”, Prof. Rajul Bhargava, former Head, Department of English, University of Rajasthan was the resource person for the session. She discussed the need to read and understand ant text from a psychoanalytical lens. She also informed about the intricate details of nuances- the content and noema- the intention with which the text is written ad how to identify these details within a text.

The third day of the FDP was dedicated to a session on “Stress Management and Team Building”. The interactive session focused on how to identify the red flags of being in stress and in case of being in stress your workplace environment can help in coping with the situation. Dr. Harshita Pareek, a practicing psychotherapist was the resource person for the session. She emphasized on the importance of “self-care” and happiness in context of individual’s mental health. On the fourth day, Dr. Sanjay Arora, Senior Faculty member, Department of English, Central University of Rajasthan took the session on “Enhancing personality through Effective Speech”. He, on the basis of his personal life experiences, discussed the need to study the personality of an individual by accessing his both verbal and non -verbal communication. He identified the core components of speech namely, Vocabulary, Tone, Pitch, Pause and Body language.

Day five of the programme was on the “Impact Assessment of Teaching Tools”. The resource person for the session was Ms. Joochi Chaturvedi, Abhinav Arts NATA Academy. She

elaborated on the need to understand what quality is; specially in context of teaching. She discussed the tools through which the effectiveness of a lecture can be measured and suggested ways to improve and make classroom teaching more effective.

On the sixth day, the session on “Professional Ethics in teaching” was taken up by prof. Ruchi Goyal, JECRC University. She in her presentation elaborated the concept of ethics and how it is closely associated with teaching. She discussed how the external factors such as Political, Economic, Social, Technological, Environmental and Legal factors which have an impact on teaching both individually and collectively.

On the last day of the Faculty Development programme, the session on “Academic Writing” was taken by Prof. Sanjay Kumar from BITS, Pilani. He in very simple terms discussed the minute details of academic writing. He highlighted the common mistakes made in academic writing and suggested ways to rectify them. The session was followed by Valedictory, where the need of such Faculty Development programmes was emphasized.

One day interactive session on “Women Power and Financial Freedom”

A one day interactive session on “Women Power and Financial Freedom” was organised by IQAC, Kanoria PG Mahila Mahavidyalaya, Jaipur on 8th July 2023. The resource person of the session was Ms Shinjini Kumar, CEO, Paytm payment Bank. Madam was welcomed by Principal Madam. The session started with a welcome speech by Principal Madam, Dr Seema Agrawal. Madam said that the women are the best managers and can manage a household with minimum assets and funds. The session was preceded by the speech of Ms Shinjini in which she illustrated the app on financial management “Salt-Build your money muscle”. Madam conducted an online quiz to test the financial management ability of all the faculty members. She briefly explained about the establishment of her company. She said that since earlier times women are taught not to talk about money. But money plays a vital role in everyone’s life and even relations depend on it. In her lecture madam pinpointed the issues of money psychology as a series of cumulative life experiences. She also said that while dealing with the share market one should focus on market risks. 72% of people are still unaware of how to get financial freedom. In this context madam talked about financial wellness checklist and how to build a discipline for tactical work? She also highlighted that we should be aware of our ability, desire and need to take risks before we invest. She also said that higher risk can lead to higher return. Madam also guided the faculty with respect to direct mutual funds, SIP, PPF, NPF, PF which are some methods of safe investments. Madam concluded the speech stating that a successful company is based on confidence, curated portfolio (duration) and community (cohort) and she encouraged us to form a group “Money club” where members can share financial queries which can be resolved. The session concluded by vote of thanks by Vice Principal arts, Dr Manisha Mathur. The session was very interactive and thye topic on financial freedom was appreciated by all faculty members.

Safe Social Media & Digital Payment

A month-long Awareness Campaign for Promoting Cyber Security -12th July 2023

The Teaching Learning Centre at Kanoria PG Mahila Mahavidyalaya under the aegis of Dr. CBS Foundation and in collaboration with Central Detective Training Institute (CDTI) Jaipur initiated a month – long campaign on “Safe Social Media & Digital Payment”. The objective of this campaign was to generate awareness among youth particularly among girls who are using social media platforms and also using various applications for making digital payments.

The campaign began on 12th July 2023, with an Inaugural session which was conducted for promoting awareness among the staff members of Kanoria College. Dr. Seema Agrawal, Principal, Kanoria College in her welcome address stated that with the growing dependency on digital platforms and the use of social media on a regular basis has made everyone vulnerable to Cyber-crimes. Campaigns like these have therefore become essential for securing oneself from such threats. Dr CB Sharma (retd. IPS & Founder Dr. CBS Foundation) further emphasized on the need of cyber security literacy to counter such crimes. Dr. Rajesh Kumar, Vice Principal (CDTI) in his address to the gathering, gave a brief history about CDTI and how it now become a centre for prevention of cyber -crimes.

In order to maximize the outreach of the campaign, the students were divided on the basis of their academic streams (Science, Commerce and Arts) and the groups three batches per stream was constituted. Each batch consisted of approximately 150 students and attended two sessions in order to gain greater clarity about cyber security.

A total of 374 students attended the batches from science including B.Sc. (Maths, Biology) and BCA. They were made aware about how the data and other personal information can be hacked from their social media accounts and could be used in committing cyber crimes against them. Similarly, 343 students from commerce including BBA and two batches of students pursuing B.Com. participated in the sessions. The students were informed about the fake websites and fake applications that would induce a bug or virus in their device and could control it or use it for illegal activities. Three batches of Arts consisting of subjects from Humanities and social sciences consisting of 348 participated in this awareness drive. The students were enlightened about the relevancy of privacy settings while using social media

and digital payment applications. The need to put strong password for these applications was also emphasized upon.

A total of approximately 1100 students benefitted from the highly informative and interactive sessions. Each session was followed by a separate session for student queries in which students participated enthusiastically. The college appreciated the initiative taken by Dr. CBS Cyber Foundation and CDTI and showed keen inclination to continue the awareness campaign in future for students and staff who could not attend these sessions as per the requirement.

Decoding NEP 2020

An interactive session was organized by Kanoria PG Mahila Mahavidyalaya, Jaipur on 29th September 2023 on the topic “Decoding NEP 2020” under the aegis of IQAC. The resource person for the session was Prof. Shailendra Kumar Gupta, Department of Physics, University of Rajasthan, Convenor, Adhoc Committee Member and Domain Expert for Skill Enhancement Courses. The program started with a welcome address by Dr Seema Agarwal, Principal, Kanoria PG Mahila Mahavidyalaya Jaipur. Madam said that NEP 2020 has been discussed for the last 2 years and the biggest challenge today is its successful implementation.

Professor Shailendra Gupta, said that the University Framework 2020 has been implemented. NEP 2020 integrates humanity and arts with science, technology, engineering and mathematics.

NEP 2020 recommends a UG degree for 3 or 4 years with multiple exit options. The degree is a multidisciplinary program. Sir discussed the ‘Fundamental Principle guiding education in NEP 2020’ which involves recognising and identifying student capacity, to encourage extensive use of technology in education and introducing holistic approaches in academics. Sir spoke about revolutionizing higher education transformative initiative NP 2020. He said that the UG degree will be for 3 or 4 years. UG certificate course will be of one year, UG diploma of 2 years, UG Bachelor degree of 3 years and UG Honors of 4 years with Summer Internship compulsory for all. He said that via the Academy Bank of credits credits earned by a student will be fixed in it and can be claimed when he/she takes admission in another university or Institute.

He illustrated the main features of the new curriculum framework. Major subjects can be switched, in the second year, students can take academic leave for a job and complete the course in 7 years. Summer vacation will be 8 weeks. Major and minor disciplines will have the same credit. He also discussed the eligibility and course duration. He said one credit will be equal to 1 hour/week. Semester will be of 15 weeks equal to 90 days. Ability enhancement courses (Hindi and English); 19 skill enhancement courses; value added courses like Anandam, NCC, NSS, sports, environmental sciences etc. and multidisciplinary courses like computer, statistics etc will be compulsory. He said NEP 2020 is yet to be implemented in law and education.

He illustrated the credits required for awarding the degree. He said multidisciplinary courses can be done in any three years. In the honors program of 4 years, 12 credit projects need to be done at any time of the year. The honors degree would only be validated if there are 15 students with 75% in the third year of the UG program.

Sir explained the assessment criteria, where one credit is equal to 25 marks. Mid term exam would be compulsory and will have 20% weightage. Midterm can include class tests, assignment, homework, daily interaction and 75% attendance. A student with 40% in the midterm that is C grade will only be eligible for the final examination. Students will not pass or fail but will only get credits. The degree would be given to students who have earned credits. Sir also explained the examination pattern. The Marksheet will show both marks and grades. Sir

also explained rules for pass or fail and back promotion and rules for generation of the subject code.

After the lecture the session was open for open discussion. Faculty asked various questions to clear doubts regarding the duration of the program, credit for students pursuing NSS and sports and many more...

The session was very Illustrative and was wholeheartedly participated by the faculty members, who found the session very interesting and informative.

Session concluded with the vote of thanks by the IQAC Coordinator and Vice Principal, Science Dr Ranjana Agarwal.

Report

A discussion on “Financial Awareness: Benefits of Salary Account and Schemes” for the non-teaching staff members of the college, was organised by the IQAC in collaboration with Punjab

National Bank (Branch: Bapu Nagar, Jaipur) on 29th June 2024. Mr. Rohitash Saini, Manager, Punjab National Bank, threw light on the various aspects of salary and savings accounts. He stated that investments in Recurring Deposit account is flexible. Mr. Saini also discussed the cautious handling of credit card for easy operations. He reiterated that the credit card should not be used for taking cash. He informed the gathering about the incentives along with EMI offers by the bank. Mr. Saini enlightened the audience on the basics of Financial Planning. He discussed the dos and don'ts of mutual fund investments, PPF accounts and debit card insurance. Principal Dr. Seema Agarwal also highlighted the benefits of the salary account that has been opened with PNB and urged the non-teaching staff to avail its benefits. 72 non teaching staff attended this program.
