3. National Seminar on Biodiversity, Bioprospecting and Environmental Awareness

Date: 22-12-2016

1. Brochure:

<p>Call for Papers / Posters Oral Presentation Authors can submit their full papers of not more than 3000 words in MS Word in single spacing electronically to biologyresearch@yahoo.com by December 21, 2016.</p> <p>Author will have to present both soft copy and hard copy of the research paper. All future correspondence will be made through Email ID : biologyresearch@yahoo.com and contact number of the members.</p> <p>Registration : All delegates/authors will have to register for the symposium. Registration forms are attached with the brochure, photocopy of the same can also be used.</p> <p>Organizing Committee</p> <p>Patron Dr. Rashmi Chaturvedi Director KMM, Jaipur</p> <p>Seminar Director Dr. Varsha Sharma Principal KMM, Jaipur</p> <p>Organizing Secretary Dr. Jyotsna Jain Assistant Professor Department of Zoology +91-9829183690 +91-7073467029 biologyresearch@yahoo.com</p> <p>Members Dr. Ratna Saxena (7073467015) Dr. Neeru Razdan (7073467039) Dr. Ranjana Agarwal (7073467030) Dr. Sumita Shekhawat (7073467033) Dr. Ritu Gupta (7073467034) Dr. Ritu Jain (7073467035)</p> <p>Kanoria PG Mahila Mahavidyalaya, Jaipur Ph. No. : 0141-2707539, 2706672 Fax : 2701769 Web : kanoriacollege.in E-mail : admin@kanoriacollege.in</p>	<p>Kanoria PG Mahila Mahavidyalaya A Profile</p>  <p>Situated in the aesthetic environs near Rajasthan University Campus in the Pink City of Rajasthan, Jaipur, Kanoria College is a premier institution not only of Rajasthan but entire North India. It is an affiliated college of the University of Rajasthan imparting education to the under-graduate and post-graduate students in various subjects of Arts, Commerce and Science. The college is also recognized for providing leadership in a wide range of areas such as women empowerment, social justice, community building, intellectual excellence along with holistic development of the students. Sprawling over 8.67 acres of land situated in a prime location of Jaipur, the college enjoys a strength of more than 6000 students.</p> <p>The vision and mission of the college when set up was to extend the outreach of education to young girls from the city and neighbouring areas and to provide them with knowledge, skills and comprehension to enable them to make a place for themselves in the society.</p> <p>The college started by Lt. Shri Bhargirathji Kanoria with whole hearted support and aid from the Government of Rajasthan in July, 1965 has had a long, glorious journey. The institution has a good fortune of receiving timely guidance, patronage and direction of some of the well known educationists of the country.</p> <p>Beside Academic excellence the college prioritize holistic development of the students. A wide range of cultural and co-curricular activities are inter-woven in the time-table. Subject associations and various clubs and forums of expression provide the students a platform to hone their skills and talents.</p>	<p>“Uniformity is not nature’s way; diversity is nature’s way” - Vandana Shiva</p> <p>Seminar on Biodiversity, Bioprospecting and Environmental Awareness December 22, 2016</p>  <p>In collaboration with and Sponsored By Rajasthan State Biodiversity Board Government of Rajasthan</p>  <p>Venue Kanoria PG Mahila Mahavidyalaya Jawahar Lal Nehru Marg, Jaipur - 302015</p>

<p>Dear Friends,</p> <p>Kanoria PG Girls' College a pioneer in Girls' education takes pleasure in inviting you to register, contribute papers and participate in "Seminar on Biodiversity, Bioprospecting and Environmental Awareness".</p> <p>About the Seminar: The scientific community in the past few years has realized the need of biodiversity research and an increased emphasis is being made on its conservation for the healthy ecosystem functioning. The biodiversity research also requires a sequential result oriented investigation to obtain a quality output. Considering this, it is necessary for the bioscholars to know the species identification, collection of species data at various attributes, observation of different associated entities, mathematical data representation, statistical interpretation, modelling of the species data for conservation point of view. The seminar is framed to enlighten these subjects and experts and eminent resource persons will be invited, who will help to educate young inventors and students for biodiversity understanding, measurement and conservation.</p> <p>Objectives of the Seminar</p> <ul style="list-style-type: none">• To educate the young biodiversity researcher ranging from taxonomic to mathematical scale.• To give dimensions to the biodiversity research beyond the taxonomic approach.• To familiarize the researchers and students with various software packages used in compilation and interpretation of species data.	<p>The seminar will help to improve the scientific temperament of young researchers and students to advanced levels of biodiversity research with right perspective, better understanding of taxonomy, computerized measurement and mathematical summarization of biodiversity data.</p> <p>Sub themes:</p> <ul style="list-style-type: none">✦ Air quality and Monitoring✦ Climate Change✦ Bioaccumulation and Biomagnification of Pollutants✦ Development and Environment✦ Environmental Economics✦ Land use and its effects✦ Waste Management✦ Legal issues pertinent to environmental and biodiversity protection✦ Role of common man and society in Biodiversity protection✦ Socio-political issues related to protection of environment✦ Ethical and Social considerations of Biodiversity <p>Participants and Audience: Academicians, Scholars, Researchers, UG and PG Students.</p> 	<p>Seminar on Biodiversity, Bioprospecting and Environmental Awareness</p> <p>December 22, 2016</p> <p>In collaboration with and Sponsored By Rajasthan State Biodiversity Board Government of Rajasthan</p> <p>Registration Form</p> <p>Name :</p> <p>Designation :</p> <p>Organization :</p> <p>Address :</p> <p>Phone (O) (R).....</p> <p>Mob. No. :</p> <p>E-Mail :</p> <p>Accommodation required : Yes/No</p> <p>Category :</p> <p>If Presenting Paper : <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Title of the Paper :</p> <p>Payment Mode : Cash Delegates/Academicians/Research Scholar : Rs. 300/- Students (UG and PG) : Rs. 100/- On the spot registration facility is available.</p> <p>Date: Signature</p> <p>Photocopy of this form can be used</p>

2. List of resource person/guests:

1. Prof. Kailash Agarwal, Principal-University Maharaja's College
2. Mr. Devendra Kumar Bhardwaj, Member Secretary, Rajasthan State Biodiversity Board
3. Mr. Pramod Kumar Merkap, Chairmen- Rajasthan State Biodiversity Board
4. Prof. K.K. Sharma, Former- VC & Dean, PG Studies, MDS University, Ajmer
5. Prof. Pradeep Bhatnagar, IIS University Jaipur
6. Prof. S.C. Joshi, Department of Zoology, University of Rajasthan
7. Prof. Jaimala Sharma, Department of Zoology, University of Rajasthan
8. Dr. Dharendra Devarshi
9. Dr. Subhash C. Sharma
10. Prof. Rashmi Sisodia, Department of Zoology, University of Rajasthan
11. Dr. P.J. John, Department of Zoology, University of Rajasthan
12. Dr. Reema Dheer
13. Dr. Hemant Pareek

Dignitaries in the Inaugural Ceremony of the Seminar

Seminar on Biodiversity, Bioprospecting and Environmental Awareness

A Seminar on Biodiversity, Bioprospecting and Environmental Awareness in collaboration with Rajasthan State Biodiversity Board, Govt. of Rajasthan, Jaipur was organized on 22nd December 2016 with an objective to create awareness about biodiversity and improve the scientific temperament of researchers and students with

right perspective and better understanding of Biodiversity . Prof. K.K Sharma, Ex Vice Chancellor M.D.S University Ajmer and Prof. Kailash Agarwal, Principal Maharaja's college, Jaipur were the keynote speakers.

The Seminar highlighted the extent of biodiversity loss and need for its conservation and also emphasized the importance of biodiversity in Ecology and Environment. Renowned scholars were invited to talk. Faculty from various institutions, under graduate and post graduate students and research scholars participated and presented research papers on various aspects of Biodiversity and Bioprospecting.

The seminar was followed by a two-day camp on "Biodiversity Identification and Assessment" in which fifty students of the college were trained by Rajasthan State Biodiversity board. The group qualitatively and quantitatively assessed the flora and fauna of Kanoria college campus and a Biodiversity rich area in Jhalana.

This three-day academic venture, first of its kind, proved to be very useful for students. They began to appreciate biodiversity and its need.
