

**Centre for Entrepreneurship
Development
&
NARIKA Incubation Centre**

**Empowering Women
Entrepreneurs**

Our Core Objectives

Support & Incubate

Promote and incubate women-led innovative startups at our Incubation Centre.

Business Development

Provide consultancy and support to help incubated startups build sustainable businesses.

Knowledge Building

Conduct sessions for both incubate and non-incubate startups to develop core business knowledge.

Ecosystem Development

Develop a conducive startup ecosystem to promote women's entrepreneurial activities in Rajasthan.

Driving Innovation & Impact

1 Identify & Support Ideas

Identify innovative and viable startup ideas, providing support for sustainable and scalable enterprises.

2 Solve Societal Problems

Develop lateral thinking to find solutions for societal problems like health, hygiene, and environmental pollution.

3 Collaborate & Build

Enter into industry and academic collaborations to further build the startup ecosystem.

4 Bridge Gaps

Fill identified gaps in the entrepreneurial environment with stakeholders and promote research-based policy advocacy.
