

# **Kanoria PG Mahila Mahavidyalaya, Jaipur**

Centre for Research  
and Development

## Our Core Mission

# Driving Research & Innovation

### Foster Scientific Temperament

**Cultivating a spirit of inquiry and critical thinking among students and faculty to approach challenges with a scientific mindset.**

### Promote Research-Based Learning

**Integrating research methodologies into teaching practices, encouraging active participation in discovery and knowledge creation.**

### Nurture Innovation & Problem-Solving

**Encouraging lateral thinking to generate innovative solutions for academic and societal issues, including ecological and environmental challenges.**

### Empower Through Opportunity

**Creating awareness and facilitating opportunities in research, innovation, and development for both faculty and students.**

# Glimpses of Our Journey

Next Steps

# Upcoming Initiatives

## IPR and Patents Workshop

**An intensive workshop covering the essentials of Intellectual Property Rights and patent filing for researchers.**

## Research Methodology Lecture Series

**Expert lectures on crafting compelling research proposals and mastering diverse research methodologies.**

## Call for Research Proposals

**Inviting faculty and students to submit innovative research proposals for potential funding and mentorship.**

## Publication Support Program

**Providing guidance and resources for preparing and publishing high-quality research papers and projects.**

## Book Publication Initiative

**Encouraging and facilitating the publication of academic books stemming from significant research contributions.**
