Faculty Feedback Analysis Report
Session: 2019-20

During the session 2019-20, the feedback was taken from the faculty members of Arts, Science and Commerce on Syllabus and its Transaction. The feedback received provides an insight into the syllabus of each discipline and its applications and outcomes. Along with that, faculty members suggested syllabus updation and emphasized on kinesthetic learning. They also suggested changes in the curriculum as per the requirement of the Subjects.

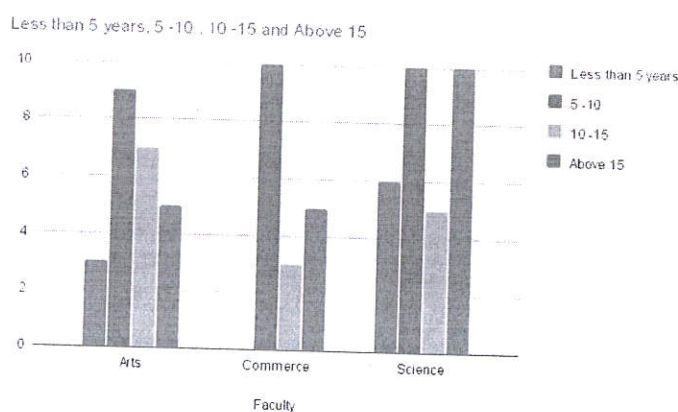

1. The feedback was received from the faculty members of Arts, Commerce and Science constituting 32.8%, 24.65% and 42.46% respectively.

**FACULTY WISE PERCENTAGE DISTRIBUTION
2019-20**

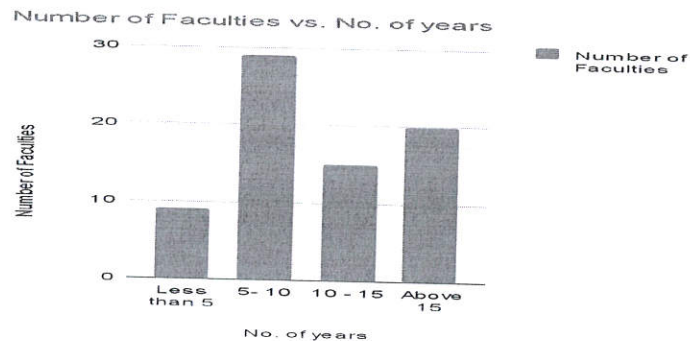

■ Arts ■ commerce ■ Science

2. Teaching Experience of faculty members as shown graphically in the figure states that we have 12.3% faculty members with less than 3 years of teaching experience, 39.7% having 5 – 10 years, 20.5% between 10- 5 years and 27.39% above 15 Years work experience.

7. On the question of using ICT Tools in teaching and learning, we found that most of the faculty members use ICT Tools in class but not on a regular basis.

The suggestions received are as follows:

1. Modern writers and newspapers to be included in the curriculum.
2. Syllabus should be updated every three years.
3. Grammar to be included in all the three years (Hindi)
4. Internship, Trainings and Research to be included at Under Graduate level.
5. Contemporary issues to be included in the curriculum.
6. Requirement of smart classrooms.
7. Specialisation in subject field (Geography) should be introduced.
8. Skill based / vocational courses to be included.
