## MESSAGE FROM CHAIRMAN

In 1965, Kanoria College embarked on a mission to extend the outreach of education for women and develop them as nation builders. Beginning with handful of students and limited academic programmes it now takes pride in its expansion and multi-disciplinary learning programmes. As a result, we are privileged to be affiliated with Government agencies for research in science and social sciences. With empowered and dynamic teaching staff in the college and concerned parents we keep striving for a learning ethos by providing innovative educational opportunities and student support services to sustain professional success. The institution nurtures dynamic learning process by sharpening the pedagogy while maintaining the academic relevance and consistency through the development of critical thinking, effective communication, creativity and cultural awareness. We strongly believe in academic excellence and do not compromise on teaching standards or discipline.

I delightfully welcome you all to our institution and wish all the success in every endeavour!!

## DIRECTOR'S MESSAGE

We welcome you to the world of knowledge and learning. As you enter the college with your dreams and aspirations, an ambience of openness and innumerable opportunities await you providing space, scope and skill to carve your future and a niche in society.

In its long and dynamic journey of extending the outreach of education for girls, the college has remained an interface between knowledge and societal expectations, between aspirations of its young stakeholders and the hard reality looking into their faces and between national goal and local challenges. In return our student community – our brand ambassadors surmounting all odds have taken the college to the hall of fame by their accomplishments – we are proud of them. In them, you will find your role models.

Keeping pace with evolving needs of our times we have ventured to collaborate with some of the best names in academics and industry to introduce skill enhancement and value added courses to enable you to be self reliant by your enterprise or by decisively pursuing a career of your choice. Our partners in this project are Tata Institute of Social Sciences – School of Vocational Education - Mumbai, Whistling Woods International - Mumbai, S.B. Global Educational Resources Pvt. Ltd. - Kochi, Kerala, Institute of Cost Accountants of India, Morarka Foundation and IGNOU. United States-India Educational Foundation has chosen the college for sharing language learning skills by posting Ms. Azelle Bahadory as language teaching assistant. Expanding the avenues for young aspirants to rise to a new challenge, an institution for Law Education has been set up in the campus offering a degree in law. In the field of Fashion and Design, we are collaborating with Indo European Center for Academic and Industry Enhancement (iECEN), Milan (Italy). The college serves as a venue for Soil Health Card Scheme of Government of India to test the quality of soil in the regions in the vicinity of Jaipur. The college takes pride in collaborating with TrakInvest-Virtual Investment Lab, that enhances the analytical skills in the financial area.

Thus, the college offers you an intellectually stimulating academic atmosphere to enable you to think through ideas and various forums for expression to give you opportunity to explore your passions and discover your potential.

We hope that your pursuit of knowledge in the college will be a rich experience to reckon with as has been with thousands of your seniors.

## FROM THE PRINCIPAL'S DESK

Dear Students! The College has always nurtured women education since its inception. An institution of academic excellence and achievement, established in 1965 is one of the finest colleges within the state of Rajasthan. We are imparting higher education to young women in India, which is a very substantial and conscientious task. For the development of the nation the role of women in society is challenging. Empowerment of women makes them gain greater share of control over resources and it gives them the power of decision making not only at home but also for community, society and nation. My commitment to our society is to lead the college with enthusiasm and passion to enable us to reach our goals. We will continue to develop and enhance higher education by striving for the higher academic standards and focussing on the development of the student as a whole. We believe in providing our students an environment, rich in knowledge and supportive for their extra curricular interests. We have numerous Committees which endeavour to enrich the academic and extra-curricular standards of our students. Our dedicated and highly skilled staff work hard throughout the year with the students to provide them high quality educational experience in the form of debates, group discussions, workshops, symposia, seminars and cultural competitions. Eminent personalities are invited from all walks of life to address our students and expose them to new ideas and thoughts. With excellent resources and infrastructure we intend to develop the best of the lot for the better future of the nation.

My best wishes to the new students entering Kanoria PG Mahila Mahavidyalaya..

After passing my 12<sup>th</sup> and getting admission in Kanoria College was a moment of great excitement. The period of three years that I spent in the college was unforgettable. It was a matter of immense pride and privilege to be the student of first batch of Economics honours and given special attention. The College is a bridge between your school and career. It is a place where you discover your true passion for your future endeavours. 1997 was my first year in college. As a fresher I contested student union elections and was elected as general secretary of the college. I enjoyed studies with co-curricular activities which helped in my all round development. I discovered my love and passion for public speaking, dramatics and entrepreneurship.

Today, as an entrepreneur, I give credit to those experiences that I gained in college which equipped me with skills, knowledge and right mindset. Teachers and discipline of the college kept me focused towards my dreams and goals.

It is a pleasure to enter the portals of my college after decades. As I went down the memory lane I fondly recall the good old days when I took an active part in college activities which groomed my personality. The college has transformed my life tremendously and I feel proud to be an alumnus of the college. I pursued BA (Hons), with English as main and Economics as subsidiary subject. I was Vice President of Kanoria Rotract Club which helped me to develop leadership qualities. Being an avid sportsperson, I represented my college in Basketball and Kabaddi tournaments at the district level. Motivation and encouragement by the college always inspired us to give our best. The college also served as a launch pad for my teaching career. It gave me ground to enrich my academic skills.

ऐसे समाज में जिसमें महिलाओं को अपने अधिकारों के लिए कदम-कदम पर संघर्ष करना पड़ता हो, उस सामाजिक माहौल से निकल के वर्तमान में मैं जिस जगह पहुंची हूँ, उसमें निश्चित रूप से कानोड़िया कॉलेज और वहां की शिक्षिकाओं का महत्वपूर्ण योगदान रहा है।

मैंने वर्ष 2013 में यहाँ प्रवेश लिया और तीन वर्ष इस कॉलेज में रहते हुए बहुत कुछ सीखने-समझने का मौका मिला। यह कॉलेज छात्राओं को न केवल अपने विषयों का उत्तम ज्ञान देता है बल्कि समय-समय पर होने वाले विभिन्न कार्यक्रमों और प्रतियोगिताओं के माध्यम से उनकी प्रतिभा को भी निखारता है जो न केवल छात्राओं के मनोबल और बुद्धिमत्ता को बढ़ावा देती है बल्कि उनके व्यक्तित्व का विकास करने में भी सहायक होती है। इन्हीं सभी का लाभ न सिर्फ मुझे मिला बल्कि जीवन पर्यंत मिलता भी रहेगा।

कानोड़िया कॉलेज ने मेरी नींव मजबूत की जिसके माध्यम से यह संभव हो पाया कि जवाहरलाल नेहरू विश्वविद्यालय जैसे प्रतिष्ठित विश्वविद्यालय में मुझे पढ़ने का अवसर प्राप्त हुआ।

इसलिए कानोड़िया कॉलेज और वहाँ की शिक्षिकाओं का मैं बहुत बहुत आभार व्यक्त करती हूँ। साथ ही यह भी कामना करती हूँ कि यह महाविद्यालय निरंतर इसी गति से आगे बढ़ता रहे ताकि ग्रामीण परिवेश से आने वाली मेरी जैसी अन्य लड़कियों को अपना जीवन संवारने का सुनहरा अवसर मिलता रहे।
