

The Chronicles of Kanoria

2017-18

Visitors Gallery

From the Editor's Desk....

In fifty-three years, Kanoria College has seen many seasons – spring, autumn and winter. However, in the campus it is always spring. The atmosphere is charged with energy, in the fresh waves of optimism youthful dreams draw up plans to take on stiff challenges, young learners are eager to bloom and teachers are headed to nurturing them to blossom to their fullest potential with knowledge, values and skills.

Each academic session infuses a breath of fresh air into the campus. New courses are introduced, better teaching methods than those practised in the previous year are evolved in consonance with the changing technology and a renewed commitment to impart quality education is reinforced. Though seemingly quiet and still Kanoria College is in a perpetual gush. There are at one time countless things happening. Its waters run deep.

Academics apart numerous activities of centres, clubs and associations open the gateway to developing the personality of the students. Each student is able to find some opening to pursue her passion and foster her skills. A learning atmosphere is thus created that continuously propels all individuals, students and teachers alike, to excel. And the Chronicles in your hands mirrors this stupendous effort of achieving excellence reporting the engagements of students and initiatives of college while capturing the colours of fun, learning, excitement and adventure.

Putting the Chronicles of Kanoria together is a time to reflect with pride on what has been achieved and for marshalling our energies and skills for further progress into the future. A true assessment furnishes a basis for important decisions for the future. It is a time to learn and grow, and discover oneself.

The College, fired with energy and driven by passion, may not be quite perfect but is armed with robust confidence to embrace the uncertainty of the future and make it its own. It is well on its way to go along with what Eleanor Roosevelt says, "The future belongs to those who believe in the beauty of their dreams."

The editorial team would like to acknowledge the contribution of staff members and students for compiling the reports. Last but not the least our gratitude to the Director, Dr. Rashmi Chaturvedi and the Principal Dr. Mini T.C. for their never-failing encouragement and guidance.

हिन्दी विभाग

रचनात्मक लेखन, काव्यपाठ, वाद-विवाद, निबन्ध लेखन, मीडिया-प्रभार आदि अनेक महत्वपूर्ण दायित्वों का सतत निर्वहन करने वाला हिन्दी विभाग अपनी वार्षिक गतिविधियों के माध्यम से अपनी भाषा एवं विषय के संवर्धन में सदैव तत्पर रहता है। इस सत्र की गतिविधियों का शुभारम्भ 'हिन्दी दिवस' के उपलक्ष्य में 11 से 14 सितम्बर, 2017 तक आयोजित विभिन्न कार्यक्रमों से हुआ। डॉ. धर्मा यादव के संयोजन में 11 सितम्बर को 'वैश्विक परिप्रेक्ष्य में हिन्दी' तथा 'रोजगारोन्मुखी हिन्दी' विषय पर निबन्ध लेखन प्रतियोगिता आयोजित की गई। लगभग 30-35 छात्राओं ने हिन्दीभाषा की वर्तमानदशा एवं विश्व स्तर पर बढ़ते उसके प्रभाव का अपने निबन्धों में उल्लेख किया। इस प्रतियोगिता में अंजली कौर एवं दिलराज कँवर प्रथम, आकांक्षा एवं प्राची द्वितीय तथा नवधा शर्मा तृतीय स्थान पर रहीं।

12 सितम्बर को डॉ. शीताभ शर्मा के संयोजन में आयोजित पोस्टर प्रतियोगिता में सभी संकायों की लगभग 20-25 छात्राओं ने उत्साह पूर्वक भाग लिया। हिन्दी भाषा के महत्व एवं हिन्दी के विभिन्न साहित्यकारों की प्रसिद्ध पंक्तियों को सुन्दर कलात्मकता के साथ पोस्टर पर चित्रित किया। प्रतियोगिता में अनुभा उपाध्याय एवं अंजली कौर प्रथम, नेहा कुण्डारा द्वितीय एवं नेहा यादव ने तृतीय स्थान प्राप्त किया।

राजस्थान साहित्य अकादमी, उदयपुर के आर्थिक सहयोग से 13 सितम्बर को एक दिवसीय संगोष्ठी का आयोजन किया गया।

14 सितम्बर को 'सोशल मीडिया में हिन्दी' विषय पर हुई परिचर्चा में छात्राओं ने अपने विचार रखे। बाद में छात्राओं ने हिन्दी के महत्व को दर्शा देने वाली तथा सोशल मीडिया में सुर्खियाँ बटोरने वाली कविताओं का पाठ भी किया। आकांक्षा

महावर, जयप्रथा मीणा, खुशबू मंडावरिया, निशा शर्मा तथा ज्योति मीणा को उत्कृष्ट भावाभिव्यक्ति के लिए पुरस्कृत किया गया। इस प्रकार 11 से 14 सितम्बर तक 'हिन्दी भाषा' से छात्राओं को जोड़ने के लिए भिन्न-भिन्न प्रतियोगिताएँ की गईं और विजयी छात्राओं को पुरस्कृत किया गया।

14 सितम्बर को हिन्दी ग्रन्थ अकादमी एवं ललित कला अकादमी की ओर से आयोजित संगोष्ठी एवं पोस्टर प्रतियोगिता में विभाग की प्राध्यापिकाओं के साथ 22 छात्राओं ने भाग लिया।

हिन्दी साहित्य की छात्राओं को उनके विषय की विस्तृत जानकारी देने हेतु हिन्दी विभाग द्वारा विषय विशेषज्ञों को बुलाकर व्याख्यान (Extension Lecture) कराए गए।

इसके अन्तर्गत 23 नवम्बर को हिन्दी 'रस सिद्धान्त' पर व्याख्यान देने आए डॉ. हेतु भारद्वाज ने बताया कि रस केवल साहित्य या कला के अर्थ ग्रहण तक ही सीमित नहीं है वरन् इससे परे जो अनुभूति होती है, जो हमें उदात्त बनाती है, हमें एक लोकोत्तर आनन्द प्रदान करती है, वही 'रस' दशा है। साहित्य का उद्देश्य केवल मनोरंजन करना नहीं है। वह तो हमें मानवीय मूल्यों से जोड़ता है। इसमें हिन्दी व अंग्रेजी साहित्य की छात्राओं ने भाग लिया।

29 नवम्बर को डॉ. अर्चना श्रीवास्तव ने 'जिन्दगी और रंगमंच' के सम्बन्ध को स्पष्ट करते हुए बताया कि अभिनय जीवन की पुनर्रचना है और भावों संवेदनाओं से जुड़ी जिन्दगी रंगमंच से अलग नहीं है। रंगमंच पर अभिनय एक सामूहिक प्रक्रिया है। अभिनय का मूल है पर काया प्रवेश जो हमें अधिक संवेदनशील बनाता है।

2 दिसम्बर को वरिष्ठ कथाकार श्रीमती सुधा अरोड़ा की पुस्तक 'एक औरत की नोटबुक' पर परिचर्चा रखी गई। इस पुस्तक के आलेखों में जहाँ महिला सशक्तीकरण के विषय को पुरजोर तरीके से उठाया गया है वहीं कहानियों में महिलाओं की त्रासद स्थितियों को वाणी देने का प्रयास किया गया। स्पंदन साहित्यिक संस्थान के संयुक्त तत्वावधान में आयोजित इस कार्यक्रम की अध्यक्षता की प्रो. पवन सुराणा ने। राज. साहित्य अकादमी के अध्यक्ष डॉ. इन्दु शेखर तत्पुरुष मुख्य अतिथि और प्रो. सुदेश बत्रा, डॉ. रश्मि चतुर्वेदी एवं श्री नन्द भारद्वाज विशिष्ट अतिथि रहे।

5 दिसम्बर को 'हिन्दी गद्य की विधाएँ एवं वर्तमान परिप्रेक्ष्य' विषय पर डॉ. डी.पी. अग्रवाल का व्याख्यान हुआ। उन्होंने बताया कि आज उपन्यास या बड़ी कथात्मक रचनाएँ कोई नहीं पढ़ना चाहता। समय एवं धैर्य के अभाव में पाठक सीधी व सटीक बात पढ़ना चाहता है, इसीलिए आजकल कथेतर साहित्य की तरफ रुझान बढ़ रहा है।

दिनांक 10 जनवरी, 2018 को विश्व हिन्दी दिवस के उपलक्ष्य में हिन्दी ग्रन्थ

अकादमी द्वारा आयोजित दो दिवसीय सेमीनार में हिन्दी विभाग की छात्राओं एवं सभी प्राध्यापिकाओं ने भाग लिया और 'विश्व पटल पर हिन्दी : चुनौती और संभावनाएँ' तथा 'हिन्दी के प्रसार में सिनेमा का योगदान' विषय पर परिचर्चा एवं पत्र वाचन किया।

Department of Philosophy

The department celebrated the '**World Philosophy Day**' on Wednesday, 22nd November, 2017. The Principal in her inaugural speech talked about importance of celebrating the '**World Philosophy Day**'. She said how Philosophy is connected to human lives, as it is not just a subject but content related to every subject. This subject Philosophy helps us to be more focused towards our goals and aims; gives us the ability to make our own decisions.

On this day students got an opportunity to discuss and share their views about impact of philosophy which has helped them in their self-development. This was followed by an open quiz and dumb charades in which each participated enthusiastically.

The department also organized an extension lecture on '**Nature and Development of Ethics**' on 23rd November, 2017 by **Dr. Deepak Srivastava**. Dr. Srivastava explained the basic nature and the gradual development of ethical thought. He began his talk with the explanation of the meaning of '**Normative**' and why Ethics is a '**Normative Science**'. Morality, he explained, developed from primitive to tribal; from tribal to customary and from customary to reflexive. He also explained that general moral standards and theories only serve as broad guidelines and in the case of real moral crisis there arises the need of reconsideration and revision of moral standards. The students and staff members listened to this scholarly and well-structured lecture with great interest. There was also a question-answer session.

In the month of January 2018 the Department organized a Movie show 'Secret Superstar' for the students. The theme of the movie involved some fundamental issues pertaining Ethics and Social Political culture. The idea behind organizing such a show was to provide a live stimulus for intellectual and philosophical reflection. The show initiated the students into a discussion on how individual's desire and interest influences and shapes the social dynamics. The discussion culminated in an agreement that there has to be continuous inculcation of values in individuals and social life.

कार्यशाला

“पुस्तकालय से परिचय”

पुस्तकालय अध्यक्ष नीलिमा पाटनी द्वारा नवागन्तुक छात्राओं के लिये 2 अगस्त को पुस्तकालय परिचय कार्यशाला का आयोजन किया गया। तीन चरणों की इस कार्यशाला के प्रथम चरण के अन्तर्गत पुस्तकालय द्वारा प्रदान की जा रही सेवाओं, नियमों एवं विभिन्न विभागों की जानकारी दी गई। द्वितीय चरण में सहायक पुस्तकालयाध्यक्ष मंजू राठौड़ ने सॉफ्टवेयर के माध्यम से ओपेकसर्विंग समझाई ताकि प्रत्येक छात्रा आख्या, लेखक, विषय अथवा प्रकाशक के माध्यम से अपनी इच्छित पुस्तक को प्राप्त कर सके। तृतीय चरण में डिजिटल युग में पुस्तकालय द्वारा सदस्यता प्राप्त ई-पुस्तकों एवं ई-जर्नलस की जानकारी इंटरनेट के माध्यम से कैसे प्राप्त करें, इसकी जानकारी दी गई। छात्राओं में पुस्तकालय के प्रति रुझान बढ़ाने के लिये पुस्तकालय टीम द्वारा तैयार इस कार्यशाला में छात्राओं ने भी बढ़चढ़ कर न केवल हिस्सा लिया वरन् पुस्तकालय के महत्व एवं प्रदान की जा रही सेवाओं का परिचय पाकर अभिभूत हुई।

प्रतियोगी पुस्तक-प्रदर्शनी

11-12 जनवरी 2018 को विवेकानन्द जयन्ती के उपलक्ष्य में युवा छात्राओं को समर्पित दो दिवसीय ‘प्रतियोगी पुस्तकों की प्रदर्शनी’ का आयोजन किया गया। वर्तमान परिप्रेक्ष्य में प्रतियोगी परिक्षाओं JRF/NET/SLET, GRE (Study Abroad), II Grade Teacher Exam, Civil Services Aptitude Test, IAS, RAS, Bank exam, SSC आदि के विषयानुसार उपयोगी पुस्तकों का प्रदर्शन किया गया, साथ ही सामान्य अध्ययन, सामान्य ज्ञान, राजस्थान सामान्य ज्ञान एवं सांख्यिकी प्रतिवेदन भी प्रदर्शित किये गये।

इस प्रदर्शनी से न केवल छात्राएँ लाभान्वित हुई अपितु अध्यापिकाओं ने भी उत्साह से इसका अवलोकन किया।

पुस्तक मेला

महाविद्यालय में पुस्तकालय द्वारा तीन दिवसीय पुस्तक मेले का आयोजन 11-13 सितम्बर तक किया गया। यह मेला छात्राओं व शिक्षिकाओं को नवीन साहित्य व पुस्तकों के प्रति रुझान में वृद्धि करने तथा उचित कीमत पर आवश्यक पुस्तकों की उपलब्धता को ध्यान में रखते हुए प्रतिवर्ष लगवाया जाता है। इस वर्ष मेले में दिल्ली से तीन और जयपुर से नौ प्रकाशक व पुस्तक विक्रेताओं ने भाग लिया। मेले में कला, विज्ञान और वाणिज्य सभी विषयों की पुस्तकें उपलब्ध थी। तीन दिन तक चलने वाले इस पुस्तक मेले में छात्राओं ने विभिन्न प्रकाशकों की पुस्तकों का अवलोकन किया और उचित मूल्य पर अपने विषय की पुस्तकें भी खरीदी। पुस्तकों के प्रति छात्राओं का रुझान प्रशंसनीय रहा।

दो दिवसीय पुस्तक प्रदर्शनी

नेहरू साहित्य एवं विशिष्ट व्यक्तियों की जीवनियाँ

पुस्तकालय द्वारा ‘नेहरू जयंती’ के उपलक्ष्य में ‘नेहरू साहित्य एवं विशिष्ट व्यक्तियों की जीवनियाँ’ विषय पर दो दिवसीय 14-15 नवम्बर को पुस्तक प्रदर्शनी का आयोजन किया गया। प्रदर्शनी का उद्घाटन महाविद्यालय प्राचार्या डॉक्टर मिनी टी.सी ने दीप प्रज्ज्वलन कर किया और छात्राओं को प्रदर्शनी के माध्यम से जीवनियाँ को पढ़ने एवं उन्हें जीवन में रॉल मॉडल बनाने के लिए प्रेरित किया। उप-प्राचार्या रंजु मेहता ने सभी छात्राओं एवं शिक्षिकाओं को प्रदर्शित साहित्य का अधिकाधिक अवलोकन करने तथा विशिष्ट व्यक्तियों की जीवनियाँ के प्रेरक प्रसंगों का अपने पठन-पाठन में उपयोग करने के लिए प्रोत्साहित किया। दो दिन तक चलने वाली प्रदर्शनी का जहाँ छात्राओं एवं शिक्षिकाओं ने अवलोकन किया वहीं प्रदर्शनी के बाद जीवनियाँ को पढ़ने हेतु पुस्तकालय से निर्गम (Issue) भी करवाया।

Expanding Horizons

National Workshop on "Instrumentation Techniques for Research in Chemical Sciences"

The two-day national workshop on "Instrumentation Techniques for Research in Chemical Sciences" in college began on 22nd December 2017, in collaboration with Department of Science and Technology and Association of Chemistry Teachers Mumbai. This workshop attracted more than 300 registrations across country. More than 15 eminent scientists and distinguished guests from ISRO, IIT, IICT and various universities graced the event with their presence and delivered lectures on various analytical instruments and technologies.

Guest of Honour - Dr. Ashok Kumar Nagawat delivered a motivational speech and discussed the importance of Instrumental techniques in research and industrial applications. The Chief Guest of the workshop Dr. Prof. N.S. Gajbhiye elaborately discussed about all the spectroscopic and analytical techniques used at research levels. He motivated young minds and encouraged them to work for the better future prospects of science and technology. The dignitaries on the dias released the proceedings of the workshop with great enthusiasm.

Dr. M.R.R. Prasad discussed minutes details of the satellite assemblies, fascinating facts on the functioning and working of ISRO. He addressed how India has emerged as a powerful nation in space science and technology in last few decades.

In technical session I Dr. B Shreedhar from IICT Hyderabad elaborately discussed about the instrumentation, working and applications of XPS techniques. Dr. Arun Kumar from SABIC Technology Centre Bangalore talked about the importance of liquid and gas chromatography-mass spectroscopy as an important industrial tool. In technical session II Dr Prasad after enhancing our knowledge on space and rocket science, shared his expertise on thermo-analytical techniques. Dr Rakesh Kumar from Baroda Gujarat briefly talked on FT-IR techniques.

The second day of the workshop began with an informative talk on 2D NMR Spectroscopy by Prof. D I Bhrambhath, who explained COSY, DEPT and HETCOR spectra in relation to NMR spectroscopy with lots of instances. Dr. B Sreedhar from IICT Hyderabad, discussed on ESR spectroscopy and its applications and significance in the studies of molecules. In Technical session III Prof. K. Shanta from Kurnool AP delivered a talk on 'Electroanalytical techniques and its application'. Dr. Priyanka Sen from VIT University Vellore enriched us and open our perspectives on Fluorescence spectroscopy. Technical session V had one invited talk by Dr. Kalawati Saini from Miranda House University of Delhi - on the topic of 'Chemistry of Nanomaterials and their applications' and the session was chaired by Dr. B Sreedhar.

Poster presentations were held on both days of the workshop where more than 100 posters were displayed by participants. The posters were judged and three posters were chosen for the award of Best poster award, I runner-up and II runner up, worth 1000/-, 600/- and 400/- respectively.

This workshop definitely helped understand the instrumentation techniques in better and easier manner.

Research Methodology Workshop

Two Faculty Development Programmes on Research Methodology each for Commerce and Science and one for Humanities and Social Sciences were organized in this session.

Faculty of Humanities organized a Faculty Development Programme on 16th September, 2017. The resource person for the session was Prof. Anil Jain, Former Head, Department of Hindi, University of Rajasthan. He explained that a research paper should refer to the original texts and critics and research scholars should also be familiar to the current research work done on the topic.

Faculty of Commerce conducted two programmes, one on 16th September and the

other on 22nd November. The resource person of the first programme was Prof. S.C. Baradiya, who focused on various methods of research and discussed different aspects pertaining to research designing and data collection. In the second programme the resource person was Prof. B.L. Gupta, who explained the quantitative methods of conducting research and also emphasized on few novel techniques of research.

Faculty of Science organized two programmes on 16th September and 22nd November respectively. The resource person of the first programme was Prof. Suresh Joshi, Emeritus Professor and Former Head, Department of Zoology, University of Rajasthan. He explained and emphasized on the correct method of writing a research paper and following the important parameters. Prof. Joshi also explained the Impact Factor, H-Index etc. The second programme was held on 22nd November. The resource person was Prof. Reena Mathur, an Eminent Scholar, Ethologist and Former Head, Department of Zoology, University of Rajasthan. She motivated the faculty to get into practical research and think out of the box rather than following the traditional approaches. She also shared the story of a great researcher Jane Goodall and her tremendous work done in the field of behavioral study of Chimpanzees.

All the faculty development programmes were a huge success and not only made the faculty learn about various research methods but also generated sense of inquisitiveness amongst them.

Workshop on 'Theories and Practice of Translation'

Keeping in view the prevailing opportunities and contemporary recourse the Department of English organized a two-day National Workshop on Translation on 10th – 11th February, 2017 under the guidance of Prof. Jasbir Jain and Dr. Rashmi Chaturvedi and under the mentorship of Prof. Harish Narag and Prof. Ranjeet Shah. Students as well teachers showed great interest and enthusiastically participated in the workshop.

Both the learned resource persons meticulously dealt with English and Hindi text respectively. They equipped the students and teachers with all the theories and techniques of translation. On the second day of the workshop participants gave their inputs in form of translating the text given by the experts. The translations were then analyzed by the experts highlighting the intricacies of the process of translation. The take away of the participants was language enrichment, introduction to translation techniques and process.

Faculty Development Program

In continuation with the teacher trainings programs organized in past, this year the Dean, Academics, Dr. Deeptima Shukla started with a new tradition of organizing year-round FDPs (Faculty Development Programs).

First in the series was organized from 3rd to 6th July, 2017. In this four-day workshop, three sessions were held each day. During these sessions. The resource persons from different fields addressed the faculty members, enlightening them about the various dimensions and changing trends of teaching profession.

Prof. R.K. Arora (Retd), Department of Public Administration, University of Rajasthan, Jaipur, highlighted the elements of good teaching by giving examples of scholars such as Rabindranath Tagore and C.V. Raman. The Vice-Principal Ms. Ranju Mehta, threw light on the changing teaching trends of 22nd century.

Prof. Raghuveer Singh, from Manipal University, Jaipur, defined 'education' as what is left with the students after exams. He spoke about the principles of adult education and learning and emphasized that learning is a never ending process and the institutions should encourage their faculty to be involved in learning. Dr. Bhawna Arya, Department of Psychology, IIS University, Jaipur, provided in-depth knowledge about research and statistics techniques to be used while analyzing quantitative data. Dr. Archana Jain, Department of Education, IIS University, Jaipur, gave valuable inputs about Education Psychology. She stressed the need of taking into consideration the academic, social and mental differences among the learners.

Dr. Susheela Pareek, Associate Professor, Department of Psychology, University of Rajasthan, Jaipur, Highlighted the importance of team building. She introduced 'Twelve C's of team building, like communication, commitment, collaboration etc. to name a few. She demonstrated step-by- step process of team building. Ms. Himanshi Rastogi from Department of Psychology explained Qualitative methods of doing research. She elaborated by taking example of 'Swachh Bharat Abhiyaan', the challenges that come in using qualitative methodology. Dr. Richa Chaturvedi from Department of Home Science gave a detailed presentation of using the software package 'Zotero' as a research tool for collecting, organizing and analyzing research sources.

Dr. Deepak Saxena, Director, Student Advisory Bureau, University of Rajasthan, Jaipur, spoke about the methods through which a teacher can guide students in making career choices. Dr. Manoj Sharma, IAS and Registrar, Maharaja Ganga Singh University, Bikaner, elaborated on goal setting and essentials of good teachers. Dr. C. B. Sharma, IPS (Retd.), spoke on Journal Article Writing (Cheating and Plagiarism). He elaborated on the importance of choosing a research topic carefully and the ethical implications of doing an unethical research.

On 19th August 2017, Sri Alok Srivastav, Editor-in-chief, Aha Zindagi was invited to talk about skills of Creative writing and report writing. He said that we should be free from prejudices and use our knowledge and intuition in understanding the real facts of the situation that we are reporting.

Prof. Sudha Rai (Retd.), Department of English, University of Rajasthan, presently with Manipal University was invited to speak on the topic 'Literature as a Catalyst of Social Change'. She spoke about literature portability and literature as a medium to document the times and how it becomes the best reflection of that time in past for any contemporary reader.

Mr. Kartik Bajoria, a New York Film Academy alumnus, on 6th Dec 2017, gave a session on Blogging and Podcasting. He emphasized the relevance of podcasting for any college, for making the students more interested and involved in college life. The intricacies and the technical aspects of how both teachers and the students could contribute in making the college more popular amongst youth were also discussed.

FDPs, a platform where the faculty could align their knowledge with fundamental elements of effective teaching and learning.

International Conference on Teaching English in Multicultural Classrooms: Perspectives, Possibilities and Challenges

Jaipur was the centre of attraction of the English Teaching fraternity yet again. Since the chapter came into being in 2009, this was the fifth International Conference being organized by ELT@I four chapter conferences. The call for papers for this conference on **Teaching English in Multicultural Classrooms: Perspectives, Possibilities and Challenges** sent across during June evoked huge response. The conference was flooded with Abstracts and the eventual participation of professionals from India and abroad. Kanoria Mahila Mahavidyalaya as co-host provided the perfect ambience to host this academic fiesta. There was a thought provoking keynote address by Prof. Shareesh Choudhari who highlighted upon the need to develop short modules and reach out to young learners. Associations, according to him need to be more committed to impart direct learning. There were four Plenary sessions in two days in which the presenters exuded a great deal of knowledge and positivity. Eight workshops were conducted. They involved the participants in deep deliberation and opened up new vista on teaching skills. The panel Discussion on Overcoming the Challenges of Teaching English in Multicultural Classrooms also promised to echo long after it is heard no more

relentlessly igniting our minds. It would be ungrateful if there is no acknowledgement to the contribution of all the paper presenters who have come from different parts of India-Bhuvaneshwar, Hyderabad, Bangalore, Ahmadabad, Mathura, Dehradun Noida Delhi and various parts of Maharashtra and friends and colleagues from Rajasthan, very much in adherence with the theme of multiculturalism. There were 89 paper presentations in the two days. The Valedictory session was as lively as the others as the chief

guest Sh. Ashutosh T. Pednekar, Commissioner College Education, Rajasthan stressed upon the need to incorporate technology for language learning in higher education while the Valedictory address by Prof. Rajul Bhargava emphasized the need to evolve a language culture to develop better understanding.

The two days were enriching and packed with academic exchange.

National Conference on Energy, Material and Sustainable Society (EMSS – 2018)

Nature has always been reacting to the self-centred actions of human beings. But it has been only a few decades that the mankind started having a fresh look at the scenario. In the changing perspective, environmental wisdom world view has to be adopted, which is now one of the major issues of concern at the global level. The challenge has already been accepted by the scientists.

A two-day National Conference on 'Energy, Material and Sustainable Society (EMSS-2018) sponsored by Rajasthan Renewable Energy Corporation Limited, Rajasthan State Pollution Control Board, Material Research Society of India and Board of Research in Nuclear Sciences was organized on 24th – 25th January, 2018.

The Chief Guest Sh. Arijit Sengupta, Director, Bureau of Energy Efficiency, Ministry of Power, Government of India gave the inaugural address and pointed out that the main focus of Government of India is to increase the efficiency of renewable energy resources and the government plans to provide electricity using solar power to all by the year 2020. He also said that government is working on various schemes to promote materials consuming less energy for the construction of commercial as well as residential buildings and more efficient home appliances.

The Guest of Honour Prof. Y.K. Vijay, President, Vivekanand Global University, Jaipur emphasized on optimizing our needs thereby optimizing energy consumption.

The key note address was given by Prof. D. K. Avasthi, Fellow, Institute of Physics, U.K. and Director, Amity Institute of Technology, Noida. He emphasized on the importance of nano structures in context with the materials for energy, due to their unique electronic and optical properties.

In four technical sessions, the conference witnessed academicians, scholars and experts from different fields. Prof. Nitin Labhsetwar, Sr. Principal Scientist and Head, ASIR & ERMD, CSIR-NEERI, Nagpur, Prof. Deepak Bhatnagar, HoD, Physics; Director, CCT; Director, Research, UoR, Jaipur, Prof. Sudhish Kumar from Magnetism Laboratory, MLSU, Udaipur, Prof. Y. C. Sharma, Dean, Faculty of Basic & Applied Sciences; Dean, Research and Development, VGU, Jaipur, Prof. P. P. Bakre, Ex-Chairman, SEAC and State Level Environment Impact Assessment Authority, Rajasthan, Prof. S.C. Tripathi, Associate Director, Research, Institute of Engineering & Applied Sciences, GLA University, Mathura, Dr. Mahesh C. Sharma from Natural Products Laboratory, Centre for Advanced Studies, UoR, Jaipur, Prof. Y. K. Vijay and Dr. Neelima Gupta, Coordinator, UGC Centre of Advanced Study in Chemistry, UoR, Jaipur discussed on the

development of low cost materials for cleaner energy generation through chemical looping combustion as well control of emissions from automobile exhaust, the myths and misconcepts associated with the use of appliances like Microwave oven, Mobiles and Wireless handsets and various related topics.

In the valedictory session, Prof. Y.C. Bhatt, Former Dean, Research & Development, MNIT, Jaipur emphasized on developing technologies for generating energy at low price.

Ms. Neha Sepat from MNIT, Jaipur and Ms. Juhi Mahendra from IIS University, Jaipur were awarded in Oral category and Poster category respectively by the Material Research Society of India.

National Seminar on "Recreating Approaches to Pedagogy for Quality Enhancement in Higher Education"

A National Seminar on "Recreating Approaches to Pedagogy for Quality Enhancement in Higher Education, was held on 29th- 30th January 2018, with the support of NAAC.

The two-day witnessed six brain storming sessions dealing in detail various aspects of higher education like research, employability, skill enhancement, evaluation and assessment with the active participation of nationally known scholars and researchers. Some of the eminent scholars were Prof. M.C. Sharma, Prof. B.P. Sharma, Prof. Harsh Purohit, Prof.D.N. Sansanwal, Prof. Harsh

Purohit, Dr.Sudhir Singh and Prof. K.K. Gautam. Dr. Sudhir Singh made a strong case against favouritism, nepotism and corruption in higher education institutions while Prof.

Sansanwal suggested alternative and effective methods of assessment and evaluation. Prof. B.P. Sharma introduced new pedagogical methods like andragogy and Prof. P.C. Trivedi enumerated various reforms like training of the teachers, increasing employability and soft skills of the students, more incentive for research and so on. Thus, the

churning of ideas resulted into various innovative and novel suggestions for the qualitative improvements in the higher education system, making this scholarly exercise, a great success.

National Seminar on Innovative Approaches in Biosciences

A two-day National Seminar on "Innovative Approaches in Biosciences" was organized in the college in collaboration with Indian Science Congress Association (ISCA) and National Bank for Agriculture and Rural Development (NABARD) on 15th-16th December 2017 on the theme that Science, Technology and Innovations are the three emerging pillars by which future society will be benefitted and enable the country to face new challenges.

The Chief Guest Prof. P C Trivedi, (former VC, DDU Gorakhpur University, Gorakhpur) delivered the inaugural address which captivated and motivated the audience.

The keynote speaker Dr. M Krishna Mohan, Senior Scientist, BISR in his address emphasized on radical changes in our perception of microbiome.

Five technical sessions on different themes provided a comprehensive understanding of research updates in biosciences. Eminent scholars, scientist and academicians like Prof. NK. Gupta, SKN, Agriculture University, Dr. R.K. Gaur, Head, Department of Biosciences, Modi University, Sikar, Retd. Prof. Padma Kumar, Department of Botany UOR, Prof. K.K Sharma, former VC, MDS University, Ajmer, Dr. Manjul Singh Parmar from President College, Ahmedabad, Dr. Rashmi Sisodia, Head, Department of Zoology, UOR, Prof. Manoj Pandit, Former Head, Department of Geology, UOR, Dr T.I Khanl GC for HEEPS, UOR, Prof. M. Anis, former Chairman and Dean, Life Sciences, Aligarh Muslim University, Dr. Prasant Singh UGC-Assistant Professor, Department of Botany, UOR, Prof. R S Bedwal former Head, Department of Zoology, UOR, Hemant Kumar Daima from Amity University, delivered their talks on GIS tools and Bio acoustics of documentation and communication for biodiversity conservation and management, ethnobotanical studies, impact of climate change on environment and human beings and new promising trends in improving crop disease resistance. The valedictory address was given by Prof Kailash Agrawal, Head, Department of Botany UOR.

Overall the seminar threw light on the various dimensions of biosciences and technological issues as discussed by eminent personalities from different arenas.

Associations - Better today; brighter tomorrow

Commerce Association

Commerce Association planned a plethora of events with a motive of developing commerce students intellectually. Sessions on Personality Development, Career Counselling, Training for Soft-Skills, Motivational Lectures and Industrial Visit were the key highlights.

To initiate, a session on 'Career Guidance' was organised on 30th August by the association to provide information to the students regarding the career opportunities available in areas of Trade, Commerce & Finance in various corporate sectors. Career Counsellors guided about various competitive exams and courses like:- CA, CS, M.Com., MBA, UGC-NET, SSC and Bank Exams.

On 27th September, poster making event was organised to provide a platform to the students wherein they can explore and express their ideas on theme 'Indian Economy in 21st Century'. Students expressed their outlook on different prevailing conditions in society related to political and economic as well as environmental forces and thereby its impact over the economy.

With an aim to provide students an opportunity to groom and foster their soft skills to attain a better future and succeed on 1st November, an interactive Session on 'Pillars of Professional Success' was delivered by speaker Dr. Veena Arora, Co-Founder and Director of 3T (Triumph Through Training Private Limited). She trained the students with new pedagogies of how to lead life and attain goal successfully. She emphasised on effective behavioural approaches and motivational aspects.

On 1st November with a combined effort of Commerce Association and Management Association, 'CAMFEST- Fest for the Best' was organised. (In the fest, two competitions were held- CAMQUIZ and Power Point Presentation at an inter-collegiate level in which 18 teams from different colleges have participated. Cash prizes, trophies and certificates were given to the winning teams.)

In all the activities organised by the association, students showcased their active participation. It gave them a new

learning and tactics to attain their goal effectively and shape their personality as a whole.

On 21st November around 50 students of Commerce and Management were escorted to RBI visit with three faculty members to understand the functioning of RBI. It was a session worth attending for students conducted by Research Officer of RBI- Mr. Kunal Rahar. Students also visited Regulation, Supervision, Banking and Currency Cell of RBI, Jaipur.

Dr. Swati Agarwal

IT Association

To enhance the technical knowledge and professional skills of the students, IT Association organized various activities throughout the year.

On 12th August, an extension lecture on 'Cyber Crime and Security' was organized. The speaker Mr. Dheeraj Madhukar, CEO, Techno Legends, Jaipur gave a brief introduction about Hacking, Ethical Hacking and Types of hackers. Other cybercrime related terms were discussed like Deep Web, Dark Web, Trojan Horse, Ransom ware etc. A live demo of how our systems and devices get hacked was given and the students were also told about the social engineering techniques of hackers.

The speaker also discussed some do's and don'ts while working on internet and cyber-frauds.

Another workshop on 'Mobile Application Development' was organized on 19th September, the speakers were Mr. Prashant and Mr. Manish from Headstar Technologies, New Delhi, IBM Business Partner on how to create a mobile application and the available technologies which can be used to develop mobile applications. A practical session was held in which students developed a dynamic web application and then converted it into a mobile application.

A quiz was also conducted during this workshop.

On 11th October, a live demo session on 'Internet of Things (IoT)' by Techie Nest Pvt. Ltd., Jaipur was conducted on using

technology in our day-to-day activities. Students were given toolkits to create working LEDs on their own through software like HID Bootflash, AVR Studio etc.

Students were also introduced to a Bluetooth device to turn bulbs and LEDs on and off through an application named **AVR Techie Automation**.

A Google Certification Examination on 'Online Marketing Fundamental' was conducted on 1st and 8th November. All the students cleared the examination and digital certificates were issued to the students by Google.

On 24th and 25th November a PHP workshop by CompuCom Pvt. Ltd., Jaipur was organized. This workshop was based on development of technologies like Bootstrap, ASP.NET, XAMPP and MySQL. The students were also briefed about the software development life cycle (SDLC) process and its importance.

Aaradhna Popli (B.C.A. Part III)
Ms. Deepti Mathew

Life Sciences Association

The association provides opportunity of learning beyond the classroom to the students of Botany, Zoology and Biotechnology. First meeting of the association was held on 30th August 2017 on "Recycling of Waste Paper" by Dr. Sunita Chauhan from Kumarappa National Handmade Paper Institute, Sanganer, Jaipur. She explained the steps of waste paper recycling like shredding, bioenzymatic pulping, bleaching etc. by power point presentation. She emphasized the need for eco-friendly technology which will eventually reduce the felling of trees and consequently help in the forest conservation.

As the use of laboratories is mandatory for all the science students, the second meeting was held on "Good laboratory practices and biosafety rules" on 28th September by the resource person Dr. Nidhi Gupta, senior scientist from IIS university Jaipur. She explained that "Good laboratory practices" is an organisational process by which study is planned and performed in the laboratory. This originated in USA where the World Health Organisation has laid down some rules which have to be implemented so that the researchers do not become victim of bioterrorism, that is exposure to infections by pathogens and chemicals, and biohazards, which includes exposure to virus infected tissues.

On 1st November, Dr. Joy Gardener from "Hope and beyond", a non-government organisation delivered an interesting and informative lecture on "Snakes of Rajasthan", which is dedicated to the conservation of wildlife. With the aid of beautiful pictures he explained about snakes and snake-bite management and myths about snakes. He informed the students that there are 3000 species of snakes and only 15% are venomous. Eryx, Sand

Boa, Hydrophis and Cobra are some of the important snakes found in Rajasthan.

As its last meeting, a two-day National seminar was organised by the association on "**Innovative approaches in biosciences**", in collaboration with NABARD and Indian Science Congress Association, Jaipur chapter, on 15th and 16th December.

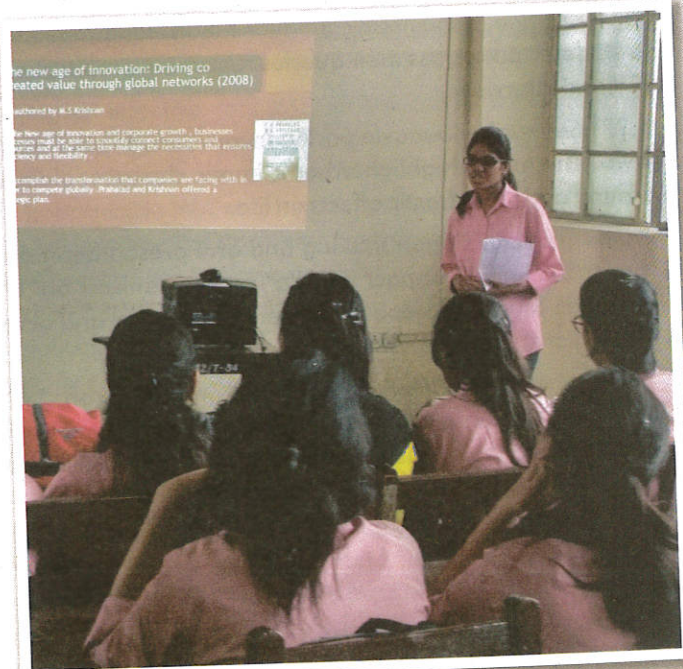

Dr. Ratna Saxena

Management Association

The association organised various activities all-round the year in order to enhance the knowledge as well as to boost the confidence of the students. A session was inaugurated with power point presentation by students on "C.K. Prahalad- Management Guru & Thinker". For the first time, 20 students from BBA Final Year went for the internship programme in the "Loan Refinery" which is Jaipur based leading Fintech Company of Financial Domain. It provided them opportunity to gain valuable practical knowledge.

An industrial visit to "Bharat Potteries" was organised on November 22, 2017 in order to give the practical exposure

& know-how of industries to the students. In the sequence, students also visited "Reserve Bank of India, Jaipur" for interactive session and to know the role and policies of RBI.

The association in collaboration with Commerce Association organised "CAMFEST- Fest for the Best" on December 1st 2017 in which Quiz & Power Point Presentations were held for the students. In the fest, 20 eminent colleges of Jaipur took part and presented their views on GST, Digital Marketing & Modern Trends. The event was highly appreciated and was a great success. The association helps in building all round development, imparting practical as well as theoretical knowledge.

Dr. Neetu Mathur

Material Science Association

The association carried several academic as well as extracurricular activities throughout the session. A discussion on "Personality Development" was held on 30th August, 2017. The speaker Dipti Shekhawat discussed various aspects of personality development like social communication, behaviour, confidence, body language etc. The students put across their queries regarding preparation of CV and interview.

On 27th September a movie on "An Inconvenient Truth" was shown. The movie highlighted on climatic changes, global warming and their drastic effects on life.

A Poster making, slogan making and oral presentation on "Cracker Pollution- Impact on Life" was organized on 1st November. Students prepared posters and slogan and also delivered oral presentations.

A Science model exhibition was also organized on 29th November. Students exhibited working and non-working models related to chemistry, mathematics and statistics. All the events overall enhanced practical skills of the students.

Ms. Rishi Dassani

Social Science Association

The Social Science Association functions to promote subject related activities to explore new avenues in the field of Social Sciences.

In the academic session the association focussed to provide a platform to the students by conducting diverse activities wherein they can excel and develop their personality. To fulfil the desired aim, we initiated a lecture on 'Relevance of Social Sciences in Contemporary Scenario' by Dr. Sushila Pareek, an eminent Psychologist, for the students on August 30th 2017. She explained the difference between knowledge and information and discussed the role of Social Sciences in resolving the social problems and also talked about the social problems that we all encounter in our day to day life. It was a thoroughly informative session for the students of Social Sciences.

On 13th September 2017 a Career Guidance session was organised for the students. Mr. Deepak Saxena, Director, Students' Advisory Board, University of Rajasthan counselled the students about the career options available in various fields. He emphasised on the growing importance of Social Sciences and the possibilities available in it. He laid emphasis on making use of modern technology.

An intra-college Debate Competition was organised on 11th October 2017 on the topic "Traditions of family lineage is a hindrance to country's development". Students spoke vehemently on the issue and came up with diverse perspectives, students supporting the motion argued that in spite of 70 years of independence we have yet not achieved the desired goal because of family lineage, merit is not given due consideration, they supported their stand by presenting examples from film industry, society and politics etc.

On 15th November 2017, a power point presentation and paper presentation competition was held on the topic "Challenges and Contribution of Youth in National Development". The students emphasised the role of youth in nation building. They fight for identity in society against inequality, unemployment, exploitation, poverty and many other problems that the world faces today. They are also the problem solvers and can take the nation forward.

Centre for Career Guidance, Training and Placement

Success always comes when preparation meets opportunity

- Henry Hurtman

Centre for Career Guidance, Training and Placement conducted several programmes and activities in an effort to equip the students with job oriented skills as well as provide placement opportunities in various fields for the year 2017-18.

In the academic year 2017-18, the cell organized many campus recruitment drives and interactive sessions for providing guidance about their career related opportunities.

An important initiative taken by the cell was to develop a web page on the official website of the college to display and notify latest information about career options available to students.

In the month of August, Teleperformance visited campus to offer jobs in telecommunication field while many other companies like ABCAS Solution (Nerdy Turttez), Dreamz Investment and Management Services (DIMS) and Genpact continued to show their interest and faith in the capabilities of the students by visiting the college.

In October, 2017 a technical session on Digital transformation was conducted for BCA students to make them aware about the latest technology in the field of information technology.

Another effective talk 'IAS ki Kahani, Unki Zubani' was delivered by an Indian Administrative Officer Pradeep Kumar Borar to motivate the students towards administrative jobs and help them prepare for civil services. In the same series Khan study group also drew attention to the relevant questions asked during competitive examinations, answer writing skills and universally applicable topics of civil service exams.

On 8th November, 2017 an interactive session was conducted on "Market is Dynamic – How to Become Employable" by Piyush Vats of PIBM Pune."

Like the previous year, this year too the cell organized three weeks long workshop on employability skills for final year students. In this workshop major emphasis was given on corporate skills, smart interviews, GD preparation, personality development, cracking aptitude test, communication skills, business writing etc.

Another milestone set by the cell was a career fair hosted in collaboration with sub-regional employment exchange of Rajasthan Government on 14th December, 2017 in college campus. Approximately 60 companies from private as well as government sectors visited for the recruitment in the fair exclusively to empower women. Approximately 1000 students registered themselves and benefitted immensely in the fair.

Centre for Counselling and Guidance

With a vision to provide an opportunity to the students to expose their feelings and problems for themselves and to reach to decisions and actions that are based on informed choices, Centre for Counselling and Guidance was established in college. Counselling can help build skills that students can use in dealing with their problems.

The students could visit for personal counselling sessions on the last three days of the week. The centre has been planned to be functional year round. Many students were counselled and guided and encouraged on personal, emotional and academic well-being; the concern of the counsellor was to help them reach their full potential.

The centre was formally inaugurated during Mental Health Week (9th to 11th October) by Dr. Shiv Gautam, famous psychiatrist and Ex-HOD of Psychiatry Department at SMS Medical Hospital. Mental health week was celebrated by the centre in collaboration with Department of Psychology. Many activities were planned for the week including testing kiosk, which was placed near the centre and the students as well as faculty could get themselves tested on the Mental Health Status and Happiness Scale.

Monthly webinars were also organized on topics such as mental health, stress, creativity, self etc. World Tolerance Day was celebrated on 16th November, 2017, where students made posters which were displayed on the notice boards. Looking at the commonality of issues faced by the students in the college, Mental Hygiene Awareness Camp was organized between 23rd to 25th November, 2017.

The counsellors have also developed a psychological scale 'Subjective Wellbeing Scale' which is sent for publication.

Centre for Social Responsibility

A Centre for Social Responsibility was established by college under its wide umbrella of social service in the year 2017. The objective of this centre is to promote a sense of social belonging in the minds of our young students. For this purpose, the team of the centre under the guidance of mentors Ms. Ranju Mehta and Dr. SunitaGangwal selected "Old Age Homes in Jaipur" as the key area of the work. The agenda of the centre is to motivate the students to take care of the needs of the people residing at those old age homes and create a bond with them so as to make them feel important and to take care of their well being. For this purpose "Premniketan Old Age Home" was selected.

On 23rd August, 2017 a group of 20 girls visited Premniketan, and an ice-breaking session was conducted between the students and the in-mates. The objective and purpose for the visit was shared with the residents by Dr. SunitaGangwal after a brief/ self-introduction. The students also visited nursing care centre of Premniketan.

To pursue the objective of the centre further, regular visits to Premniketan were done by group of students and teachers on 13th September, 20th September, 5th October, 14th October, 21st November and 13th December, 2017. The students formed a strong bond with many of the inmates who shared their hobbies, experiences, job responsibilities, childhood memories etc. with them.

On 14th October, 2017 students celebrated Diwali at Premniketan by decorating the place with beautiful

rangolies, bursting crackers, singing and dancing with them and sharing sweets and snacks. Overall the motive was to spend quality time with them and to make sweet memories for them. The students also gifted them handmade greeting cards.

On 21st November, 2017 students visited with the agenda to promote awareness about use of technology and internet through laptops and smartphones to the old people to help them use those technologies in their daily lives. The students explained the elderly people about the use of smartphones and different apps like Ola, Uber, Amazon, Lifecare etc. to pursue their daily routine with ease and convenience. The inmates really appreciated the efforts of the students and were really excited about their next visits.

On 13th December, 2017 the students and teachers tried to take the feedback about the various interactions of the students with the inmates of Premniketan. All of them were really welcoming and appreciated the efforts and patience of the students in listening to their talks and learning from their experiences.

The old people who were separated from their family felt really happy by interacting with the students who brought smiles on their faces and made them feel like family again. The students were successful in increasing the happiness index of the people and breaking the regular monotony of their lives.

Another initiative taken by the centre is to start the 'Free Computer Education Centre' at Parshad Bhawan in Jawahar Nagar Kacchi Basti, where computer education is provided to the poor and needy children and women of the locality. A group of twelve students have so far registered in the programme which commenced from 26th December, 2017 and will continue further for 2 months.

Creative Writing Club (English)

The Creative Writing Club in its individual capacity organized two events – Short Story Writing Competition on 25th October, 2017 and Poetry Writing Workshop on 22nd November, 2017.

In the Short-Story Writing Competition the students were required to write original short stories on the spot. The participants came up with thought stirring anecdotes and fictitious pieces and commendable among them were appreciated with certificates. The first position was grabbed by Naaz Bano (B.Sc. Part III) and Kamakshi Kalnawat (B.A. Part I) stood second.

The Poetry Writing Competition was conducted by Prof. Joya Chakraborty, Former Head of the Department, English University of Rajasthan, Jaipur. Nearly 25 students participated in the workshop. Prof. Chakraborty introduced

to the students the intricacies of English Poetry Writing in a very simple manner. She motivated the students to compose impromptu poems on various subjects like an ordinary wooden door and other mundane objects. The students composed some really nice poetic pieces and were infused with renewed literary spirit.

Wandering & Exploring

ROAD TO HIMALAYAS

"Travel is still the most intense mode of learning"

-Kevin Kelly

Every year geography department takes its students for an educational tour under the guidance of Dr. Neelam Bageshwari, to a land unknown where students can see what they read in books to understand the practical aspects of scientific literature. This time a group of 31 UG students stepped out to explore the terrains of Mashobra, Shimla-the Queen of Hills and Chandigarh in winter vacations from 26th to 31st December 2017.

Mashobra is at own in Shimla district connected to Shimla via historical Hindustan Tibet road. Mashobra is located at 31.13°N 77.23°E and has an average elevation of 2,146 m. We observed Deodar and pine trees there.

We reached Mashobra Greens, our camp stay in the evening. After that we had our **Survival Trek** which was in the night, in which survival techniques were taught.

Early morning we headed for **Mountain Rappelling**. In mountain rappelling, we had to move down a rock face of about 120 feet, with the help of rope, harness, helmet, carabiner which is a specialized type of shackle; it is used to quickly and reversibly connect components and mittens which is a glove with two sections, one for the thumb and other for all four fingers. This activity gave us the thrill which we all were looking for.

We went back to camp for refreshment and headed back for **flying fox** or zip lining, an adventure sport. A rope is tied between two stations. The subject is hung to the rope with the mobile pulley and slid down to the other station. It was more fun and less tiring, our group really enjoyed the activities.

"Burma Bridge", which is a classic rope walking activity for the thrill seekers. It involves a thick rope on the base to walk upon and then two ropes on the sides to hold on to.

After these activities bonfire awaited us where we shared our experiences with each other. We played various games such as "Ping Pong", "Shootout at Mashobra" and ended with one camping song.

At Shimla the group visited Jakhoo Temple where Lord Hanumana rested while he was returning with Sanjeevni bootie to heal Laxman, Mall Road, Church gate, and public library and book café. Book café is a special initiative by Himachal Pradesh government for improving the lives of prisoners.

After mall road we left for Presidential retreat at Chharabara. The outstanding feature of this retreat is that the building housing the retreat is wooden structure originally constructed in 1850. This retreat has recently been converted into a Research Centre.

Next tourist spot was Sukhna Lake, a reservoir at the foothills of Himalayas (shivalik). It is a rain fed lake spread across an area of 3 km sq.

After Sukhna Lake we left for ROCK GARDEN which is also known as Nek Chand's garden famous for being built on industrial and home waste.

We bid adieu to each other with a bright smile and heavy heart on 31st December, 2017.

The trip taught us team spirit, caring for others, compassion, empathy and developed social aspects of our personalities. It was also a vision changing trip.

Trip to Goa

Peaceful, surreal, rejuvenating, comic, fun and adventurous. Sound of the beach waves rattling with the shore and the evening breeze glorified the natural beauty we went to.

A group of 75 students along with two faculty members left for Goa and stayed in Alore Grand Resort close to Candolim Beach.

The next day started by a visit to Mangeshi temple, Bom Jesus and St. Xavier's church. The visit was remarkable and brought us close to the Portuguese culture. Next we visited Bollywood's beloved site Fort Auguda which was huge and beautiful and once served as a jail known as Kalapani. Later, we went to Calangute beach and market to enjoy the local life and shopping. The day ended with the same enthusiasm and energy we started with.

On 26th September we kick started our day with a Cruise dance party where the students enjoyed to the fullest. After lunch, we went to Vagator Beach where everyone enjoyed the serenity and solitude of the beach. To bid adieu we went to Candolim which marked the end of our last day in Goa.

On 27th morning the group left for Jaipur with larger than life memories and experience.

Breaking Barriers

Engaging Students in Educational Debates – Student Discussion Group

With the motive to enhance learning among students and to give them a forum where they could build up the confidence to share their point of views on a public platform; the college continued its venture of Student's Discussion Group in this academic year as well.

The group began its activity for the academic session 2017-18 by a discussion moderated by Dr. Aparna Rupeinwar on **19th August 2017** on "Fast food, Convenience vis a vis nutrition" in which she discussed the nutritional values of our traditional foods. She also emphasized on the relevance of a balanced diet. The discussion ended on an interactive note where students shared their ideas on junk and packed foods as well.

The second in series of discussion was organized on **7th October 2017** on "Sensitizing young minds about cancer and their participation in community". This discussion was initiated by Dr. Anjum Khan Joad, Head of Department of Palliative Care, Bhagwan Mahaveer Cancer Hospital and Research Centre, Jaipur. The idea of the discussion was to sensitize the students about the spread of cancer as an epidemic and how youth as members of community can participate in dealing with this problem.

The next discussion was held on **18th November 2017**, on "Earning while studying" by Mr. Rohit Khandelwal and Ms. Nadia. The motive of the discussion was to make the students aware of the various opportunities available to them which they could seek while continuing with their studies.

A discussion was organized on **22nd November 2017** on "Ethical hacking and cyber security" by Mr. Rizwan Sheikh. Hacking being one of the most common forms of such crime, the students were made aware of how it can be used in both a positive and a negative manner.

The last in the series of discussions was organized on **29th November** by Prasar Bharti, a government of India venture which took on the idea of providing job opportunities to students as radio announcers and radio jockeys. The students were made aware of these opportunities by Mr. Sharad Tiwari, Program Officer, Jaipur Office.

Learning from text books is not always enough for students. Discussion thus, provides a medium to acquire knowledge from different sources to develop their minds. Generation of new ideas not only helps in conceptual clarity but also enhances the learning process.

Fulbright Scholarship Programmes

It was a matter of great pleasure to organize an interactive session of Adam K Grotzky, Executive Director, US-India Education Foundation on **12th September, 2017** with teachers and students. He explained the process of applying for Fulbright Scholarships and how to select universities for different courses. Impressed by the response of teachers and students, he offered Fulbright Specialist programme for students as well as teachers and committed to place two English Teaching Assistants in Jaipur to help college students improve their language.

In the same context, Mr. Grotzky mentioned about Fulbright- Nehru English Teaching Assistantship (ETA) Programme initiated by USIEF in 2009-10.

This programme can prove beneficial for teachers as they can apply as a native speaker and provide part-time assistance in universities, abroad. US students would also be able to gain from intensive cross-cultural interaction opportunities through these teachers.

It was a proud moment for college when its Alumna Anubhooti Arora, Education USA Adviser at USIEF with her colleague Yasmina Haddad addressed the students on **5th October, 2017** on the steps involved in applying for graduate programs in the US (Masters and Ph.D). Anubhooti with revived contacts with her Alma Mater sent a carton full of material for students preparing for GRE and students abroad.

Both the sessions proved out to be very informative and enlightening not only for the students but also for faculty members.

Science Camps

To enhance the intellectual and practical temperament and skills of the students, three Science Camps were organized in this academic session. The first camp was organized on 7th November, 2017 in association with KNHPI, Sanganer, Jaipur in which Post Graduation students of Science visited Kumarappa National Handmade Paper Institute, Sanganer.

The main purpose of this visit was to enhance the entrepreneurship skills towards an environment friendly and non-polluting industry. They were made aware of the fact that handmade paper production requires low capital investment, can easily be setup in rural areas, does not require a skilled labor and thus can be one of the professional choice for women.

To understand the importance of handmade paper and its origin, a documentary was also shown. Dr. Sunita Chauhan of R&D Department, KNHPI, demonstrated the working of different equipments used in handmade paper making. Students also visited the Environment laboratory where they were briefed about Ozone concentrator, Generator and Ozonation reactor.

On 10th November, an 'Environmental Awareness Camp' at Jhalana Forest Reserve, Jaipur in collaboration with Forest Training Institute, was organized in which 120 students participated under the guidance of Shri Surendra Sharma (Range officer) and Shri Naresh Sharma (ACF).

Shri Naresh Sharma, ACF, FTI, shared his knowledge about flora and fauna of the forest. He briefed about the medicinal value of the trees and different parts of the trees used in the treatment of various diseases like asthma, skin

problems etc. He also made students aware about the invaluable services provided by trees to ecosystem. Students and faculty members enjoyed jungle safari ride and watched Neelgai, chinkara, palm squirrel, mongoose and also pug marks of leopard. At the end of the camp, an informative session about the difference between poisonous and non-poisonous snake was also delivered by an NGO 'The Roar' in which they briefed about the preventive measure to be taken in case of a snake bite.

This camp not only created awareness about the importance of biodiversity which plays an important role in maintaining homeostasis but also helped students to get in touch with nature.

The third camp on 'Disaster Management' was organized on 5th December, 2017 in collaboration with Centre for Good Governance, HCM-Rajasthan State Institute of Public Administration, Jaipur in which 150 students (U.G and P.G) along with faculty members participated. In this camp the students learned to deal with any kind of disaster without getting panic. Prof. Reepunjaya Singh, HCM-RIPAI introduced the subject to the students. The first practical session was conducted by Ms. Anjana Gehlot, Trainer Civil Defense, Jaipur in which she spoke about 'LPG / Chemical Leaks and Hazards : Emergency Rescue Method During Fire'. She briefed about the preventive measures during a fire accident and rational use of fire extinguishers. A Hands-On practical demonstration to control fire in LPG gas cylinder was also given. The second session was conducted by Dr. Kiran Tondon and Shri Tara Chand, RAS (retd.) from Sahayata NGO, Jaipur. They talked about "Life Saving Skills, Trauma Management during Road Accident and C.P.R. (Cardiac Pulmonary Resuscitation)". A documentary regarding different techniques to lift an injured person during road accidents was shown and students were given emergency tips to deal with road accident disasters. They also got an opportunity to practice C.P.R. technique.

These camps not only enhanced the intellectual skills of the students but also helped them gain practical experiences.

हिन्दी दिवस एक दिवसीय संगोष्ठी

राजस्थान साहित्य अकादमी, उदयपुर के आर्थिक सहयोग से महाविद्यालय में 13 सितम्बर को 'हिन्दी दिवस' के उपलक्ष्य में संगोष्ठी का आयोजन किया गया। इसके अन्तर्गत महाविद्यालय की प्राचार्या डॉ. मिनी टी.सी ने अतिथियों का स्वागत किया और हिन्दी दिवस की शुभकामनाएँ दी। कार्यक्रम का शुभारम्भ संगीत विभाग की छात्राओं ने 'हिन्दी भाषा अपनी भाषा, यह हम सबकी है पहचान' हिन्दी गीत के साथ किया। डॉ. रेखा गुप्ता द्वारा रचित इस गीत को संगीत विभाग की अध्यक्ष डॉ. प्रभा बजाज व प्राध्यापक श्री राजेश शर्मा ने संगीतबद्ध किया।

संगोष्ठी समन्वयक डॉ. रेखा गुप्ता ने हिन्दी दिवस के उपलक्ष्य में आयोजित 11 से 14 सितम्बर तक के सभी कार्यक्रमों की जानकारी दी और बताया कि इस प्रकार के आयोजन के माध्यम से हम अन्य विषयों की छात्राओं को भी हिन्दी भाषा से जोड़ने का प्रयत्न करते हैं। संगोष्ठी के मूल विषय 'वैश्विक परिप्रेक्ष्य में हिन्दी' पर प्रकाश डालते हुए बताया कि हिन्दी हमारे देश में सर्वाधिक बोली एवं समझी जाने वाली वह भाषा है जो हमें एकता के सूत्र में बाँधकर अपनी संस्कृति एवं समाज से जोड़ती है। भारत जैसे बड़े बाजार पर पकड़ बनाये रखने के लिए सभी देश हिन्दी भाषा को सीखने पर जोर दे रहे हैं। यही कारण है कि अब हिन्दी विश्व में मण्डारित के बाद दूसरी सबसे अधिक बोली जाने वाली भाषा बन गई है।

हिन्दी साहित्य अकादमी, उदयपुर के अध्यक्ष, डॉ. इन्दुशेखर 'तत्पुरुष' ने अध्यक्षीय उद्बोधन में वर्तमान में हिन्दी भाषा के प्रति युवाओं की जो मानसिकता है उस पर दुख व्यक्त करते हुए कहा कि युवाओं के अंग्रेजी भाषा के प्रति अत्यधिक लगाव के कारण हम आज भी हिन्दी भाषा के मान सम्मान के लिए संघर्षरत हैं जबकि हिन्दी सर्वाधिक वैज्ञानिक भाषा है।

कार्यक्रम में मुख्य अतिथि, राजस्थान विश्वविद्यालय, हिन्दी विभाग की पूर्व अध्यक्ष, प्रमुख साहित्यकार डॉ. सुदेश बत्रा ने हिन्दी और अंग्रेजी भाषा के मिश्रित प्रयोग से बचने की आवश्यकता है हिन्दी भाषा के स्वरूप के संरक्षण हेतु हमें उसकी लिपि को बचाना होगा।

विशिष्ट अतिथि डॉ. रश्मि चतुर्वेदी ने हिन्दी भाषा को राष्ट्र का गौरव बताते हुए हिन्दी के अधिकाधिक प्रयोग पर बल दिया। प्रमुख साहित्यकार, आलोचक श्री

राजाराम भादू ने अपने विचार व्यक्त करते हुए कहा कि चिन्तन सदैव अपनी भाषा में ही होता है, आज भाषा और बोलियों का लुप्त होना, संस्कृति के लुप्त होने के समान है।

संगोष्ठी में अंजलि कौर (बी.ए. तृतीय वर्ष), दिलराज कँवर (बी.ए. द्वितीय वर्ष) एवं पल्लवी माथुर (बी.कॉम प्रथम वर्ष) ने पत्र वाचन किया। डॉ. शीताम शर्मा ने छात्राओं को रोचक ढंग से हिन्दी भाषा की वैज्ञानिकता से परिचय करवाया और भाषा के प्रति सचेत करते हुए शुद्ध रूप में भाषा प्रयोग की बात कही।

इस अवसर पर 11, 12 एवं 13 सितम्बर को आयोजित प्रतियोगिताओं में प्रथम, द्वितीय एवं तृतीय स्थान प्राप्त करने वाली छात्राओं को पुरस्कृत किया गया।

कार्यस्थल पर यौन हिंसा निवारण हेतु पहल

इस सत्र की प्रथम मीटिंग सुश्री ममता जेटली की अध्यक्षता में हुई, जिसमें गत वर्ष की गतिविधियों की समीक्षा करते हुए इस वर्ष की जाने वाली गतिविधियों पर चर्चा की गई। समिति के नए सदस्यों को कार्यस्थल पर यौन/लैंगिक उत्पीड़न निवारण अधिनियम 2013 की धारा 29 द्वारा प्रदत्त शक्तियों एवं नियमों की जानकारी दी गई। छात्राओं में जागरूकता एवं जानकारी के लिए विशाखा गाईडलाइन्स की प्रतियाँ पूरे महाविद्यालय में जगह-जगह लगाई गई। छात्राओं को हैल्पलाइन नम्बर बताए गए, समिति के सभी सदस्यों के नाम तथा नम्बर दिए गए ताकि वे आवश्यकता होने पर सम्पर्क कर सकें। छात्राओं के लिए एक शिकायत पेटी 'She Box' भी रखवाई ताकि ऐसी छात्राएँ जो व्यक्तिगत रूप से अपनी बात नहीं बताना चाहती वे उसमें लिखकर अपनी शिकायत/समस्या बता सकें।

अगली मीटिंग अशैक्षणिक कर्मचारियों के साथ रखी गई। इसमें भी सुश्री ममता जेटली ने सभी कर्मचारियों को कार्यस्थल पर होने वाली 'यौन हिंसा' की जानकारी दी। इसमें सभी (महिला एवं पुरुष) अशैक्षणिक कर्मचारियों ने भाग लिया और रास्ते में होने वाली आम समस्याओं पर चर्चा की।

छात्राओं को इस विषय पर अधिकाधिक जानकारी देने एवं जागरूक करने के लिए 'बढ़ती हिंसा : कारण एवं निवारण' विषय पर आलेख प्रतियोगिता आयोजित की गई। छात्राओं ने विस्तार से विषय से सम्बन्धित विचार प्रस्तुत किए। उन्होंने अपने आलेखों में बताया कि कोई भी देश तरक्की के शिखर पर तब तक नहीं पहुँच सकता, जब तक उस देश की महिलाओं को सम्मान एवं सुरक्षा प्राप्त न हो। हमारे समाज में महिलाओं के साथ यौन-उत्पीड़न के प्रमुख कारण पितृसत्तात्मक संरचना, महिलाओं के प्रति हेय दृष्टिकोण, पुरुषों की विकृत मानसिकता आदि हैं।

इस प्रतियोगिता में पूनम सिंह (बी.ए. द्वितीय वर्ष) प्रथम, दिलराज कँवर (बी.ए. द्वितीय वर्ष) द्वितीय, योगिता थापा (बी.एससी. द्वितीय वर्ष) एवं हिमानी तिवारी (बी.कॉम तृतीय वर्ष) तृतीय स्थान पर रही। सभी को नगद पुरस्कार प्रदान किए गए।

Hostel

The academic session 2017-18 commenced with the orientation programme in July 2017 followed by a warm fresher's Party to welcome the new comers in the hostel. The students participated in various activities like "Prashnottari" program which was telecast by Door Darshan Rajasthan, and "Vande Mataram" Programme in SMS stadium so as to witness the Vande Mataram recital by 50,000 artists. It was a thrilling experience for everybody.

Patriotic and cultural activities prove a valuable lens to view the inner world of students and enable holistic development. We participated in the Independence day and Republic day celebration our sincere tribute to the nation. Each festival is celebrated full zeal and zest in the hostel. "Janmasthami" to mark the birth of Lord Krishna was celebrated with great devotion and enthusiasm by dancing and chanting melodious bhajans.

Physical health is as important as emotional well-being, therefore hostellers had the opportunity to be a part of "Happiness" Programme held by Art of living in the hostel. In this programme special care is given according to their psychological and spiritual aspects by doing Suderashan kriya and regular follow up sessions. To inculcate sensitivity towards our environment we conducted a plantation drive in the hostel.

The hostel under the able guidance formed various committees like mess, cultural, cleanliness -Hygiene and discipline committee etc. to develop team spirit and leadership skills.

To conclude, this year has been full of enthusiasm, new experiences and learnings.

Unleashing Potentials

English Play - An Adaptation of 'Battle of the Books' by Jonathan Swift

The disputants, having admirably managed the dispute, taking in full strength of all that is to be said on both sides.

Just like the play, the challenging process of building it on the basis of the masterpiece 'essay' by Sir Jonathan Swift-Battle of the Books, started with the same ideology, the ever sustaining battle between the ancient and modern perspective. From the very first day, all the participants were compelled to ponder upon the subject matter of the text and not just the text. Under the able direction of ingenious professor Ravi Chaturvedi, the workshop kicked off with numerous physical, coordination and cooperation exercises followed by presentation of creative improvisations on the subject- the conflict between old and new. Spiders-metaphorically personified as the antient and Bees as the modern standpoint, the casting was solely done on the basis of height. The students worked together for around 50 days, like a well-knit team. We put in our efforts and our creativity to make it into a play and the end product was applauded. Practice session taught us patience, teamwork and pushing ourselves. The best parts were the fun moments during rehearsals we had which will be in our memories forever. A cherishable experience for sure.

The design and choreography for the colourful act was done by the UG students of Kanoria PG Mahila Mahavidyalaya

under the innovative supervision of Dr. Arti Maheshwari, our own teachers, Himanshi Rastogi Ma'am and Mohita Chaturvedi Ma'am (Production Managers) and Dr. Ghanshyam Beniwal (Technical Director). The final product was presented on the stage of Kanoria college on Thursday, February 1, 2018 and was appreciated and positively acclaimed by all who were present.

नृत्य नाटिका - "आसावरी"

महाविद्यालय की छात्राओं द्वारा 3 फरवरी 2018 को महाविद्यालय प्रांगण में विभाजन की त्रासदी, उनसे प्रभावित लोगों का दुःख, घर छूटने का दर्द व अपनों से विद्रोह की पीड़ा पर आधारित नृत्य नाटिका "आसावरी" की भव्य प्रस्तुति दी गई।

बँटवारे की इस त्रासदी ने यूँ तो किसी को भी नहीं बख्शा, हिन्दू हो या मुसलमान। परन्तु इन दो कौम के अलावा भी एक कौम थी, जिसने बँटवारे के दर्द को सर्वाधिक भोगा, वो कौम थी, महिला। नृत्य की विभिन्न शैलियों, अभिनय की विविध भाव भंगिमाओं और संवादों के माध्यम से औरतों (महिलाओं) पर विभाजन के समय हुए अत्याचारों, उनके द्वारा झेले गए दर्द को खूबसूरती से प्रस्तुत किया। नृत्य नाटिका में लगभग 38 छात्राओं ने अपने अभिनय और नृत्य द्वारा सराहना बटोरी।

बड़ी संख्या में छात्राओं, प्राध्यापिकाओं, परिजनों व भाहर के गणमान्य दर्शकों की उपस्थिति ने कार्यक्रम को गरिमा प्रदान की। सभी ने छात्राओं के अभिनय की भूरी-भूरी प्रशंसा की। कथा लेखन डॉ. शीताभ शर्मा का था और प्रॉडक्शन मैनेजर थीं डॉ. चारु गोयल। श्रुति मिश्रा एवं डॉ. रितिका भट्ट के नृत्य निर्देशन में नृत्य नाटिका "आसावरी" के मंचन ने सभी पर गहरी छाप छोड़ दी।

Youth Festival 'Kasturi' - 2018

17th to 20th January, 2018 college observed the most awaited and exciting days of the session. It was the Youth Festival of the college 'Kasturi 2018'. The fest started with great vigor and enthusiasm. The inaugural by Mr. Umesh Mishra, IPS, Jaipur marked the beginning of the extravaganza.

The events like mimicry, best out of waste, literary slam, elocution, hair-do and jewellery making saw a huge participation. Code war, debate, extempore, western dance, folk dance, duet dance and nukkadnatak enthralled the students and continued to be their favorite. The crowds enthroned the inner lawns during all inter-collegiate events – cheering the participants. The Sports day for faculty members, non-teaching staff and students on the last day of the fest infused a very different energy and revitalized everyone. The students enjoyed MELA and DJ Party to the fullest.

The fashion show 'Innovana' organized by the students of Fashion Designing, iECEN, Milan, Italy wrapped up the fest in a very colourful way.

शत शत नमन...

दीप शिखा बन तिमिरांचल में,
आभा का संचार किया।
पावन भावों से जीवन भर, संस्कृत का उपकार किया।
निश्चलमन अनुपम रूप लावण्य धनी
हे शारदे पुत्री तुमने हर अवसर पर,
लेखनी को विस्तार दिया।

कानोडिया परिवार की ओर से - डॉ. दीपा पाण्डे की विनम्र श्रद्धांजलि

Sports

Pushing Boundaries

It goes without saying that sports are and should be an integral part of everyone's life. At Kanoria, sports are encouraged and promoted throughout the year. The college provides coaching facilities to all the students in the various games. This year our college won championship in swimming, runner-up in athletics, III Position in boxing and reached semi-finals of volleyball, kho-kho, handball, cricket, kabaddi and football in Intercollege Tournaments.

Total 21 students were selected in All India/West Zone Inter University tournaments in different games.
