

Annual Report by the Principal for the Session 2020-21

The journey of 56 years of college's functioning fills our heart with immense pride and joy. The dream and vision by the founders of the college of Shri Bagirath Ji Kanoria, Miss Prabhu, Miss Krishna Terway and Dr. B.M. Singhi has been our guiding light. In this journey, the college has achieved several milestones and has many success stories to narrate.

The Management Committee of the college keeps the institution's vision and mission in focus while taking all policy decisions. I pay my gratitude to all the esteemed members of the Management Committee for guiding us from time to time.

This year's annual report reflects the endeavours initiated in the session 2020-2021 which was full of challenges due to the unforeseen circumstances created by the pandemic. The college did not halt its functioning, instead all stakeholders tirelessly worked hard towards its vision and mission of imparting education to the students. Though the list cannot be equated with the past smooth running academic sessions, college tried to strive its best to attain the same cadre or level of achievements this year also. Keeping in mind that "learning cannot be locked down" students and teachers both excelled to the best of their capabilities to add novel feathers in the hat of the college in this academic session too along with fighting against all odds posed by COVID-19 pandemic.

Due to COVID-19 pandemic, there was a nationwide lockdown imposed from 19th March 2020. The College reopened after lockdown from 26th May, 2020 as per the Government norms and guidelines.

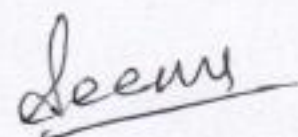

During the pandemic of COVID-19, College has taken firm measures to ensure hygiene and safety of the staff. On entry, thermal-screening and use of sanitizer is compulsory for all. College campus is being sanitized every day. To maintain these protocols, a thermal-screening machine and sprayer have been purchased. Outsiders' entry has been restricted in the campus for the safety of the staff. Temperature taken by the thermal-screening machine is entered in the register and monitored by the Matron (qualified nurse) on a daily basis.

Shukla and Dean, College Development, Dr. Ranjula Jain for consistently assisting me in the overall development of the college. I appreciate the efforts of our competent faculty members who kept up in pace with modified teaching and learning pedagogies in the challenging situation of COVID-19 pandemic. With all my heart I praise the unconditional support of the non-teaching staff who worked without any hitches and glitches towards the smooth functioning of the organization in these tough times. I cannot miss to highlight the contribution of the support staff in ensuring the hygiene and safety in the campus.

I assure you that we will set our college as a benchmark for others with our persistent collective efforts towards the upliftment of women education.
