FROM THE EDITOR'S DESK...

“Change is the end result of all true learning.” - Leo Buscaglia

After the tempestuous year that was 2020, we were collectively relieved when 2021 began on a relatively COVID-free note. As we welcomed our students back, the campus was thriving, and it was a joy to witness how engaged and invested they were in some of the offline activities that we hosted for them.

However, everything came to a halt yet again as the second wave ravaged our nation and we went back to a hybrid model of teaching. It was an especially challenging time for so many of our students and teachers, and our highest priority was to support and assist them in every way possible.

As is the way of the world, even in the face of the biggest hardships, life goes on and we have to keep putting one foot in front of the other. We continued to teach and enrich our students as a way to bring back some semblance of normalcy to their lives. It also helped that we were able to take some of our biggest learnings from 2020 to execute academic and extracurricular activities with more expertise and sophistication. The mark of a great educational institution is in how well it can rise to the occasion when its students are in need, and our sole focus in 2021 was to stand by our students.

At this point in the pandemic, wanting to return to normalcy sounds outlandish, but we always teach our students that there is courage in staying hopeful and positive. Putting together The Chronicles and reflecting on the year gone by, I can proudly say that even through the challenges of 2021, we found our north star in the power of community and empathy, and I cannot think of a better lesson to impart to our students.

FOUNDATION DAY

Kanoria PG Mahila Mahavidyalaya has always believed in strengthening the bonds with its fellow students. The 56th Foundation Day of the college was celebrated on 19 July, 2021 virtually by the Alumni batch of 2001. This day was dedicated to nurture the relationship between Kanoria family and its alumnae. The events were coordinated by Anunisha Sharma, and her classmates of batch 2021. The special guest of the event was Ms. Urvashi Bhargava from batch of 1972. The event was broadcasted live on college YouTube channel, the students and the faculty could feel the warmth and affection developed over the decades.

It was a moment of pride for Kanoria fraternity that Ms. Manisha Meena student of batch 2016 was selected as an RAS officer (2018). To celebrate her victory, she was invited and planted a sapling in the campus. To honour the hard work of the pillars of the institution a documentary on the journey of college since 1965 was also showcased during the virtual programme. The Foundation Day 2021 was devoted to celebrate the journey and the culture that college has developed over the years.

ORIENTATION DAY

The Orientation programme for the newly admitted undergraduate students was organised virtually on 1 October, 2021. At the outset, Master of the Ceremony Dr. Preeti Sharma introduced the new students and familiarised them with Orientation Day followed by Saraswati Puja and graceful virtual dance performances by the students of second and third year.

Principal, Dr. Seema Agarwal in her welcome address expressed her gratitude towards the students for choosing Kanoria PG Mahila Mahavidyalaya for their higher education. She pointed out that education is more about personal growth than merely getting a degree. "Learning cannot be locked-down", she said and thus encouraged the students to be academically active in their coming years.

Dr. Ratna Saxena (Vice-Principal) gave a well detailed and descriptive information about cells and centers working in the premises and how these centers are operating and providing assistance and benefits to the students.

Dr. Sarla Sharma (Vice Principal) informed the students about various co-curricular activities that will be conducted during their scholastic year in the form of significant days and various club activities. Highlighting the essence of taking up clubs as per their interests, she encouraged the students to enroll in various clubs using links available on the college website.

A succinct description of the various Subject Associations was delivered by Dr. Deeptima Shukla (Vice Principal). She informed the students about the diverse activities conducted in each association. Thus, encouraging the students to participate in them more actively.

Emphasizing the role of students through the Code of Conduct, Dr. Ranjula Jain (Dean) read out the protocols and rules for the students. She further laid out a list of "Does and Don'ts" to be followed.

Thereafter, students of the new scholastic year were enlightened by the words of wisdom by Director, Dr. Rashmi Chaturvedi. She spoke about the reciprocal relationship a college has with its students which would ensure the fulfilment of every aspiration they have towards each other. She recited a few lines of poetry by a famous poet emphasizing consistent perseverance in a student's life.

Several inspiring testimonials by various students of the college were showcased. The students currently pursuing their degrees expressed their gratitude towards the constant encouragement by the faculty members. The alumni reminisced their college life and pondered over the great opportunities they got being a student of Kanoria.

The hostel warden, Dr. Richa Chaturvedi gave a brief overview of the kind of great infrastructure being provided to the students.

A captivating video presentation about the well-equipped library of the institution was shown.

Dr. Charu Goyal delivered the vote of thanks and expressed her gratitude to all those who were present at the event.

The programme ended with a virtual group photo.

PARENT - TEACHER MEET

A Parent-Teacher meet was organised on 11 December, 2021 in college campus to review the overall development of the students, their involvement and their level of satisfaction with the functioning of the college. The meeting with parents was organised offline but the teachers also discussed about the performance of the students with the parents telephonically. The aim was not only to understand student/parent satisfaction and grievances but also to make the parents aware of the college and students' performance. Parents enthusiastically participated in the meeting and highly appreciated the efforts taken by the management in conducting Parent-Teacher Meet. They also acknowledged the inputs of the teachers towards the growth of the students, both academically and in co-curricular activities. They admired the teachers for not only helping their wards in classes but also for rendering strength through mentoring sessions, which are taken by teachers in online and offline mode even in the era of Covid-19.

Many valuable suggestions were offered by the Parents during the PTM, including demand for more live classes, sharing of notes, sharing the recordings of the live classes and introducing more extracurricular activities. There were mixed responses regarding the content of the classroom tests/ assignments. Assurance from the parents was taken that their ward would regularly attend online classes and go through the study material posted by the teachers on google classroom. The meet concluded successfully and statistical analysis of the feedback forms filled by parents was also done.

DANDIYA

Dandiya Raas is a socio-religious folk dance that originated from the Indian State, Gujarat, and is popularly performed during the festival of Navaratri. Kanoria College has always followed the tradition of celebrating this festival with great zeal. Every year college organizes Dandiya on a mega-scale. This year due to pandemic, the college refrained from large-gathering on the campus, and thus on 3 October, 2021 to celebrate the festival, a get-together was organised in the auditorium where all the faculty members participated and enjoyed. Dandia Raas was full of excitement, fun, Dance, Music, and much more. The event was very well organised by the members of the Dean's Committee and to compliment the excitement of faculty members various titles were also announced. Dr. Manjari Bharadwaj and Dr Vishnupriya Temani received the Best Jewellery title. Dr Shipra Goyal and Dr Ranjana Agrawal received the Best Hair Do and Best Dance titles respectively.

They used activated sludge processes with extended aeration technology for the treatment process. Students were familiarized with various processes of Sewage treatment like Activated sludge processing, coarse screening, fine screening, grit/slit removal system, sedimentation, SBR (sequential batch reactor) treatment technology, BOD, COD, chlorination of decanted water.

On 3 December, 2021, an online interactive session on "Internship opportunities in Biotechnology" by Prof. S.K. Mishra, Senior Coordinator, Learntoupgrade was organised. He emphasized various online internship projects, certificate courses, and skill enhancement courses.

Guest Lecture on "Plant Tissue Culture a perpetual source of Secondary Metabolites" by Dr. Pawan Katariya, HOD, Department of Biotechnology, SMPGC was organised on 22 December, 2021. He enlightened the students with various aspects of plant cell tissue culture approaches for the successful production of plant secondary metabolites, with a special emphasis on the production of valuable compounds having therapeutic properties such as antioxidant, antiviral, antibacterial, and anti-inflammatory.

A vibrant activity, "Biofusion" was organised on 6 January, 2022 for all Biotechnology students. In this event, various activities based on biotechnology like rangoli making, face painting, dumb charades, extempore, quizzes, etc. were

organised by the thirty two students. In the rangoli competition, Payal Prajapat (Pt I), Neha Yadav (Pt II) were awarded I and II prize, respectively and Zeba Ali (Pt I) and Sakshi Koolwal shared III prize, in hand painting Aditi Jhanwar (Pt III), Drishti Samadhiya (Pt III) and Darshna Chouhan (Pt I) grabbed I, II and III positions respectively and in Biotune, Asma Zehra, Anushka Sharma, and Madhvi Choudhary were given prizes.

It was an event that allowed students to showcase their hidden talents. It was a great way to facilitate bonding between students and gave them a chance to get to know each other better. It was a colorful and memorable event.

Student Ms. Venus Sahu (2018-21) received a scholarship for M.Sc. Biotechnology from North-eastern University, Boston.

Overall, the departmental activities enhanced the vision of the students towards the subject and helped them to perceive Biotechnology beyond the routine syllabus.

Dr. Jyoti Kapil

DEPARTMENT OF BOTANY

The Department conducted multiple activities during the session 2021-22. The beginning of the session was marked by a seven-day Departmental Faculty Development Programme which was conducted from 8 - 15 July, 2021. It was a peer learning activity in which every faculty member participated and exchanged knowledge.

On the first day of FDP, the session was conducted by Dr. Kamakshi Tomar on the topic "Phytochemical Analysis and Extraction". She illustrated various methods of Phytochemical analysis and extraction and also gave a live demonstration of the extraction procedure through the Soxhlet unit. Ms. Yogita Solanki gave a presentation on the second day on the topic "Plant Identification Apps and Artificial Key Preparation". She gave information regarding various plant identification apps like Plant Net, Plant Snap, Leafsnap, Nature ID, Plant lens, etc. On the third day of FDP, Dr. Reema Srivastava presented her topic "Recent Advances in Botany". She focused on recent research of the past 3 to 4 years. Dr. Ritu Jain gave her presentation on Indoor plants on the fourth day of FDP. The presentation was about the various plants suitable for the indoor environment of the house and their benefits along with how to grow them. The presentation on Environment Impact Assessment was given on the fifth day of FDP by Dr. Neetu Mahawar, Head, Environment Science. The lecture covered the basic outline of Environment Assessment types, Environment Impact Assessment (EIA) and Strategic Environment Assessment (SEA). On the Sixth day of FDP, Dr. Aparna B. Rathore presented her topic "Plant Introduction Procedures". She gave information on the procedures of Plant introduction from one country to another and also about NBPGR. The FDP was concluded by the presentation of Dr. Ritu Gupta on "Virtual experiments of Botany". She emphasized the importance of virtual experiments in the present pandemic situation where studies are going online. She gave a demonstration of various virtual experiments like mitosis, plasmolysis, osmosis, and paper chromatography.

An online talk was organised by the Department on 16 September, 2021 on the occasion of World Ozone Day. DEPARTMENT OF DRAWING AND PAINTING

The new academic session of 2021-2022 saw rekindling of hope with the abating of the devastating second wave of the COVID-19 pandemic. Despite the setbacks and hardships wrecked by the resurgence of the pandemic's severity, the students and faculty members of the Department of Drawing and Painting sought to pursue their aspirations and goals.

A "CSR activity" was conducted in association with the NGO—Mother Earth Project—in the months of August and September, 2021. The students revealed themselves into preparing exceptional art works on five full-size parachutes on themes relating to environmental degradation and the climate crisis. In such, one parachute focused on deforestation, depicted animals calling upon and urging the mankind to stop cutting down trees, in an attempt to safeguard their lives while another parachute explored the theme of water pollution with special focus on the issue of oil spillage and its impact on aquatic life. The third parachute worked on the topic of renewable energy, encouraging a shift from environmentally degrading energy sources to the use of solar panels and windmills for producing clean energy whereas the fourth one addressed the disastrous effects and consequences of climate change with reference to the melting of glaciers and rising of sea levels resulting in the flooding of towns and cities on one hand, and the resultant droughts on the other. The final parachute approached the theme by centering India, marked by an urgency to save the earth and its environment through an illustration of striking appeals and slogans. This activity was conducted under the guidance of Dr. Sarika Kaul, Ms. Preeti Kaushal and Ms. Ritika Kumari from the 31 August to 23 September, 2021 and saw the participation of nineteen students showcasing their creative talent in the form of impressive and thought-provoking artworks. With the artworks painted in 3D technique, the activity helped in not only enhancing creative thinking, drafting skills, visualizing techniques focusing on specific themes but also in sharpening skills relating to handling of acrylic medium and painting skills.

To commemorate the International Day of Peace, a display and presentation of the parachute artworks designed by the students of the department was organised by the Mother Earth Project NGO at Jawahar Circle on 24 September, 2021. Alongside the Principal, Dr. Seema Agrawal, the faculty members: Dr. Sarika Kaul, Ms. Preeti Kaushal, Ms. Ritika Kumari and nineteen students emphasized and made an appeal to uproot the destructive underlying system of Climate Change, in order to save the environment, they also emphasized to reaffirm and uphold the belief in the United Nations goals on Sustainable Development (SDGs). The individual presentation of each artwork helped in instilling confidence in the students through the showcasing of their artistic and presentation skills.

The month of October witnessed the inception of an art workshop on “Texture and its importance in Artwork” on 26 October, 2021. A demonstration of various textures was given by the faculty members -Dr. Sarika Kaul, Ms. Preeti Kaushal, and Ms. Ritika Kumari to familiarize the students with the variety and the importance of texture in art. Through this workshop, thirty-five students were made equipped with an awareness and appreciation of the varied textures that could be created and incorporated in a design, highlighting the versatility and impact of textures in an artwork.

In the month of December, fifty-one students of the department participated in a one-day workshop on “RESIN ART” conducted on the 21 December, 2021. This workshop was coordinated by Dr. Sarika Kaul with the demonstration being given by Ms. Preeti Kaushal and Ms. Ritika Kumari. Traditionally, resin was used as a binder for pigment to create colours alongside its usage as a blocker in graphic art. Nowadays, however, resin is used as a medium to create articles, trinkets, and artworks. This new and innovative technique was taught to the students through an engaging workshop that facilitated the creation of various articles like pendants, keychains, coasters, trays, boxes, and photo frames. Resin art artwork and utility items have great value and demand in the current market, therefore by learning this technique of art, the students had the opportunity to practice and exhibit their talent and creative skills and can also take up this as a small business venture.

In the month of February 2022, Komal Jangid, student of Semester III, Khushboo Soni of Semester I and Ms. Preeti Kaushal, Faculty member were shortlisted to participate in ‘Rang Chavi’ an art competition on the topic “Rajasthan Vishvavidyalaya ka Bhavan evam Sthapatya Pariveshgat Saundarya” organised by University of Rajasthan.

The advent of 2022 brought with it novel ideas, leanings and exposure for the students of the Drawing & Painting Department. This was facilitated by displaying the artwork of the students the Department during the “22nd Kala Mela”, organised by Rajasthan

Lalit Kala Academy in collaboration with Ministry of Art & Culture, Government of Rajasthan & Ravindra Manch Society at Ravindra Manch, Jaipur from 9-14 March, 2022. The students made a mark in the field of art by displaying a wide range of artwork during this prestigious National Art Fair. The students also got an opportunity to witness live demonstrations in water colour, calligraphy, clay modelling and also interacted with eminent artists, curators and art lovers.

The Department of Drawing and Painting ensured to make most of the opportunities that were presented whilst facilitating and supporting both learning and teaching in the pursuance of their passion for art in these times of crisis.

DEPARTMENT OF PHILOSOPHY

Department of Philosophy celebrated 'World Philosophy Day on 18 November, 2021. On this day department organised a movie screening 'The Journey of Gautam Buddha'. This movie was based on Buddha's life and his four noble truths :1) Suffering 2) Cause of suffering 3) End of suffering 4) The Path.

The moral of the movie was to teach the students that they should have a control on their desire and passions and should live a disciplined life. Buddha preached that to live is to act, and our acting have either harmful or beneficial consequences for us as well as for others around us. Life is complex and served with difficulties. It suggests that not one single course of action can be right in all circumstance, however it deciphers the actions not as right or wrong but being skill full and un skill full.

The celebration ended with a small discussion and a question-and-answer session for the students and staff for better understanding of the Buddha's philosophy.

DEPARTMENT OF PSYCHOLOGY

The Department of Psychology organised numerous interesting activities for students and faculty members during the academic year 2021-22. Due to the pandemic situation the sessions were organised on online forum. Lot of productive activities were organised to mobilize the efforts in support of mental health and create joy and excitement among students. The first online session was organised jointly by the department and Centre for Counselling and Guidance of the college on the topic 'Mental Health for Educators' on 4 June, 2021. The guest speaker for the event was Dr. Dimpay Mahanta, Founder Head, Department of Psychology, Cotton University (Member, IAHP Covid-19 National Task Force). The webinar was held to address the issue of mental health and the ways to deal with it. It was an attempt to spread awareness and answer questions related to mental wellbeing of individuals and ways and methods to overcome the difficulties which individuals face in their daily lives. Almost seventy-five faculty members of the college from various departments were present in the webinar and found it very engaging and enlightening. Mental health is significant to overall health and wellbeing of an individual. Mental health is vital as it affects how we handle stress. It is also closely connected to, personal and emotional well-being.

On the occasion of 'World Suicide Prevention Day'(10 September) the department and Centre for Counselling and Guidance together organised a round table on 'Coping with Post-CovidWorld and Mental Health Issues' on 11 September, 2021. This was followed by a guest lecture on "Examining the Anthropological Studies on Indian Society and Caste" by Dr. Neekee Chaturvedi, Associate Professor, Department of History, University of Rajasthan. The lecture was conducted virtually on 26 August, 2021, and fifty-eight students were made aware of the intricate details of the correlation between anthropological studies and the Indian caste system.

In order to motivate students and to make them realize the importance of positive thinking, the Department then organised another virtual guest lecture by Dr. Tanjul Saxena, Teaching and Training consultant on "The Spark Within: A Positive Approach to Life and Living", 25 September, 2021. Eighty-two students enthusiastically participated in this interactive session. Moreover, to create awareness among the students pertaining to malignancies which are prevalent among women, a virtual lecture titled "Malignancies among Women: Myths and Truths", was organised on 27 October, 2021. The resource person Dr. Nidhi Patni, Senior consultant and Coordinator at Bhagwan Mahaveer Cancer Hospital and Research Center, Jaipur clarified doubts and myths pertaining to cancer. Fifty-four students benefited from the lecture.

A three-day workshop on "Social Research and Statistics" was organised from 20-22 December, 2021 to provide conceptual clarity about the use of Statics in social research. Prof. (Retd) Amita Sharma from University of Rajasthan was the resource person and one hundred and sixty-two students participated in the workshop.

The department also organised a webinar on "Future Prospects and Management of Health care Industry in India" in collaboration with IIHMR, Delhi on 25 January, 2022. The purpose of the webinar was to make the students aware about the career opportunities available in the Healthcare sector. The students specifically belonging to the final year of the Under Graduate programme were part of the webinar. One hundred and forty-eight students from various streams participated in the webinar.

DEPARTMENT OF ZOOLOGY

Department of Zoology took various academic initiatives throughout the year to create dynamic learning space for students and to excel the academic competence of the faculty members.

The process of faculty development enriches the efficiency of faculty for teaching, assessment, research and other pertinent educational related roles. FDPs exposes faculties to new ideas and information that are inherently a part of academic development. Keeping the fact in mind that the efforts of faculty members become more effective in the classroom, eight days Faculty Development Program (FDP) was jointly organised by the Department of Biotechnology and Department of Zoology from 8-17 July, 2021. The programme was designed in such a way so as to give maximum exposure to the faculty members on various aspects of hands-on experience ranging from Tools and Techniques used in Biological Sciences for acquaintance with animal systems through dissection demonstrations.

On the occasion of World Elephant Day i.e., 12 August, a poster competition was organised on the theme 'Awareness, Protection and Conservation of Elephants'. It was an attempt to raise the voice for saving elephants by the participants. Three best posters were awarded from the total of thirteen entries received.

An online invited talk on the topic 'Endangered Wings' on the occasion of International Vulture Awareness Day i.e., 4 September by Dr. Vivek Sharma (Assistant Professor, RIE, Ajmer) was organised, fifty-two students attended the talk and interacted with the speaker.

It is very crucial to preserve wildlife and to contribute to this cause, the department celebrated Wildlife Week from 1-7 October, 2021. To celebrate the week, on 3 October, 2021 twenty-two students of M.Sc. (Sem. II) went for an educational trip to Bisalpur dam and fish aquarium. Wildlife awareness activities were also conducted during the celebration as on 4 October, 2021 'Express yourself' a chart/ model exhibition and 'Raise Your voice' an extempore on wildlife issues was organised for the students of B.Sc. Part I (twenty-two students) and B.Sc. Part II (fourteen students).

On 6 October, 2021, ninety-six students of B.Sc. Part III visited Nahargarh Biological Park with the aim to learn about the habitat of animals and to develop awareness of endangered species. The students explored the biological park and prepared a detailed report of the visit.

Department also observed World AIDS Day on 1 December, 2021 by organising a poster making competition on the theme 'AIDS Awareness and Prevention' for B.Sc. Part I in which twenty-three students participated and a PowerPoint presentation competition on "Current Scenario of AIDS" for B.Sc. Part II in which fourteen students participated. The students were awarded with first, second and third prize respectively.

Eleven students of M.Sc. (Semester I) visited a bird exhibition on 'Scavenger Bird', exhibited by Dr. Asha Sharma in Jawahar Kala Kendra on 4 December, 2021.

In a nutshell, diverse academic activities were conducted throughout the session contributing significantly in sharpening the knowledge, competency and ability of the students and also widened their horizon in the field of Zoology.

LIBRARY

“For the things we have to learn before we can do them, we learn by doing them.”- Aristotle
The library organised a one-day book exhibition on Mahatma Gandhi and Lal Bahadur Shastri on Gandhi-Shastri Jayanti followed by songs presented by the students of Department of Music.

A two-day book exhibition was organised on 6-7 January, 2022 on “How to Enhance your Communication Skills and Personality Development.” This two-day exhibition upgraded the standard of the library and boosted the morale of the library staff as wonderful and remarkable suggestions were received through feedback forms filled by the students and faculty members.

Along with this two-day exhibition, on 7 January, 2022, curriculum and reference books were displayed by the “New Age International Pvt. Ltd. New Delhi”, for all the staff members.

To celebrate the auspicious occasion of Basant Panchami staff of the library organised “Basant Panchami Pujan” on 5 February, 2022. The Principal, Dr. Seema Agrawal offered garland to Goddess Saraswati and spoke about the importance of this day.

The faculty members and the students sang Saraswati vandana followed by a song “Jai Jai Hey Bhagwati” sung by Hyndhavi, student of BA II year.

CERTIFICATE COURSE IN DIGITAL MARKETING & COMMUNICATION

Digital Marketing has become the soul of every enterprise life, the success or failure of any organization now merely depends upon the public image the business can create via digital marketing. As per the increasing demand for this and the choice of our students, an online Certificate course in digital marketing was announced in this session. Twenty Students from various streams are part of this course and it is a matter of pride for the college that the expert faculty looking after this course is our alumna Anamika Sharma from batch 2017.

All the students are thoroughly enjoying learning this course.

Dr. Aanchal Puri

DIPLOMA IN OFFICE MANAGEMENT

Diploma in Office Management is a job oriented course designed to develop office management skills of the students. Since 2017, the college is successfully running this course and this year as well thirteen students enrolled for the course. The course not only provides internships in different sectors but also promotes practical learning. In the previous years, the enrolled students were provided internships in various service industries and some of them got placements as well.

Coping with all the issues and challenges of Covid-19, this year the trained faculty members took classes through online mode. The college organised many interactive activities for the students where various entrepreneurs, officials of banking, insurance, hotel and other service industries were invited to interact with the students and share their wisdom and experience with them.

GYANDOOT PROGRAMME 2021-22

“Learning never Stops. It’s the teacher that makes difference, not the classroom”

In Kanoria College, during the difficult situations of the pandemic, faculty members not only taught the college students through a completely ‘new normal’ mode of teaching but worked tirelessly towards community outreach also. To continue learning even in the pandemic phase and to fulfil the role of a successful teacher, sixteen teachers of the college from various departments voluntarily participated as Resource Person in “Gyandoot- A State Level Programme for subject-based online live classes”, organised by the Department of College Education, Rajasthan held from 9 June to 31 July, 2021. The purpose of this programme was to continue the learning of the students despite the barriers of offline teaching during the pandemic. The lectures were taken through live streaming through YouTube channels. The students benefitted from these lectures and problem-solving sessions by connecting live. Around forty lectures and some problem-solving sessions were taken by these faculties for various subjects such as Accountancy & Business Statistics, Botany, Drawing & Painting, English, Home Science, History, Mathematics, Physics, Public Administration, Sociology and Zoology. The topics included Mergers & Acquisitions, Measures of Dispersion & Skewness, DNA Replication, Communication Skills, Micronutrient, Optimality in Transportation Problems, Understanding Vibrational Spectrum, Democratic Decentralisation, Sustainable Development and Membrane Transport, etc. The programme was successful in enriching students’ knowledge and they were motivated to learn through this new mode of online learning. The teachers at the same time had commendable experience by reaching out to students outside college and imparting the best of education during this crisis.

INTERNATIONAL SEMINAR ON POST-TRUTH: ACTUAL VERSUS ALTERNATE REALITY

The Department of English in collaboration with English Language Teachers Association of India (ELT@I) Rajasthan Chapter organised a two day Virtual International Seminar on Post-Truth Actual versus Alternate Reality. The seminar commenced with the welcome address in the Inaugural by Principal, Dr. Seema Agrawal. She welcomed and thanked all the invited speakers, delegates and participants for accepting the invitation and being part of the seminar. Dr. Charu Goyal, Organising Secretary and Head Department of English elaborated on the theme of the seminar. She mentioned that the Post-Truth era is characterized by lies and fake news and it is the task of the interpreters to find the meaning and truth in any literary text.

Director, Dr. Rashmi Chaturvedi in the opening remarks said that after all the ‘posts’ we have Post-Truth where facts are viewed from political point of view and not through the lens of constitution.

The keynote address in Inaugural was delivered by Former Professor and Chair, Jawaharlal Nehru University and a highly learned scholar Prof. Harish Narang. Prof. Narang in the keynote address stressed on the importance of language and how it can facilitate and obstruct communication and how it can be used creatively in this era of post truth. He elaborated on how lie is presented under the garb of post truth. Sir in his address referred to many examples from contemporary events where lie was presented to public as truth.

Prof. Rajul Bhargava Former Head, Department of English, University of Rajasthan in the closing remarks said that we are living in a world where there is no tour guide. There is no truth in Post-Truth era. She concluded by saying that “terrible beauty will be born” after Post-Truth. Dr. S Asha, Vice-President, ELTAI, Rajasthan Chapter proposed the vote of thanks.

Participants presented interesting ideas like phenomenon of Post-Truth, Political and Social Concept of Post-Truth, Identity in Post-Truth Era and Spread of Digital Epidemic in Technical Session I- Post-Truth and Postmodern Era. The session was chaired by Prof. Nupur Tandon. Dr. Shalini Bhargava was the Co-Chair.

Prof. Sudha Rai, Prof. Sudhi Rajiv, Prof. Suresh Kumar Agarwal and Dr. Deepak Srivastava joined for an insightful Panel Discussion I - Framing Post-Truth: Philosophical Interventions and Literary Mediations. They discussed about various disciplines, Realism, Role of Narration, Gandhian Reassessment and Difference between Universal and Conceptual Truth.

The Technical Session II- Post Humanism, Migration, Displacement and Refugees was chaired by Prof. Sanjay Kumar. Dr. Anshoo Sharma was the Co-Chair of the session.

Day two of the International Seminar commenced with Technical Session III- Misconceptions of Emotional Reality. Dr. Rimika Singhvi and Dr. Atiqa Kelsey were the Chair and Co-Chair for the session. The paper presenters explored the theme of Disbelief in Post-Truth World and Post-Truth in Contemporary Political Context.

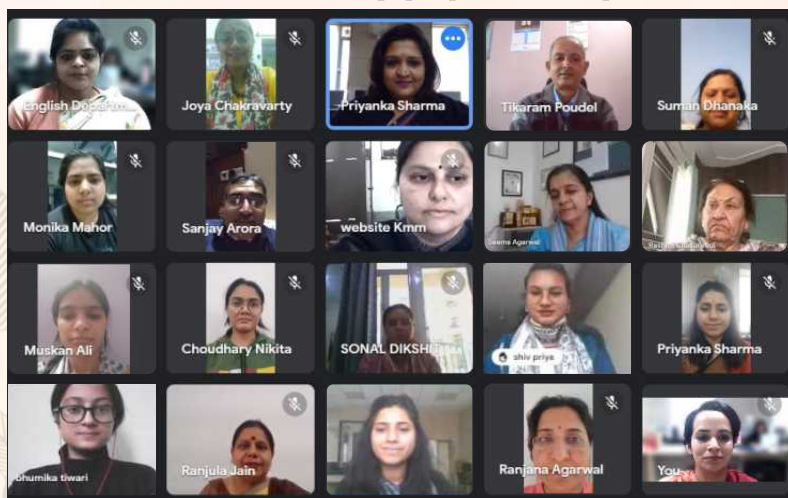

In the multidisciplinary Panel Discussion II- Re-conceiving the Theory Mess Prof. K K Gautam, Dr. Preeti Bhatt, Dr. Deeptima Shukla and Mr. Naresh Garg joined where they discussed about Post-Truth Politics, Philosophical Perspective of Truth and Post-Truth, Language and Literature in Post-Truth World and Science and Technological Advances in Post-Truth World.

The Valedictory started with the welcome address by Dr. Sanjay Arora, National President ELTAI. Prof. Joya Chakravarty, Former Head, Department of English, University of Rajasthan gave her insights on literature in Post-Truth era through her paper titled "To Tell or Not To Tell the Truth". Dr. Tikaram Poudle, Former Research Scientist and Post-Doc Fellow at Konstanz University Germany and Coordinator (Research and Innovation) Kathmandu University in his Valedictory Address gave an auto ethnographic account of a teacher to understand colonial grand narratives in Post-Truth era.

Director Dr. Rashmi Chaturvedi gave the closing remarks followed by the seminar report presentation by Dr. Swatti Dhanwni and Vote of Thanks by Dr. Preeti Sharma Co-Organising Secretaries of the seminar.

Thought provoking ideas like Role of Media in Post-Truth and Versions of Truth, Purpose of Indian Cinema, Caste System in Indian Cinema, Hegemony and Representation of Dalits were discussed in Technical Session IV- New Media and Democracy. Dr. Vartika Arora was the Chair and Mr. Siddharth was the Co-Chair for the session. The two day International Seminar was an attempt to bring together academicians, experts, research scholars to share their knowledge on this emerging concept.

The students from the department presented papers. Around hundred students enthusiastically participated in the seminar. The seminar was successfully organised by the whole-hearted support from the faculty members Dr. Charu Goyal, Dr. Swatti Dhanwni, Dr. Preeti Sharma, Dr. Kratika Mathur and Ms. Priyanka Sharma.

INTERNATIONAL WEBINAR ON FOREIGN LANGUAGES: SIGNIFICANCE AND AVENUES

Learn a new language and get a new soul!

Pandemic on one hand brought misery and grief but it also brought people closer. We now are connected to each other more closely than ever before and this has made learning foreign languages, the need of the hour.

With this thought in mind, an International Seminar on 'Foreign Language: Significance and Avenues' was organised under the flagship of Skill Enhancement Courses (Certificate Course of German and French) on 28 September, 2021. The webinar, held on google meet, started with a welcome note by Principal, Dr. Seema Agrawal. She welcomed all the participants contributing in this conference from different corners of the country and abroad. She also spoke about the importance of learning new languages. Miss Ankita Sharma presided over and moderated this webinar.

Eminent speakers who've given commendable contribution in the area of languages, gave their insights in this webinar. The first speaker, Mr Sanjoy Arora, Associate Professor, English Department, Central University of Rajasthan, Ajmer and

National President of ELTAI gave a detailed analysis of parameters of assessment of oral and written communication in international English language testing system. The next speaker, Dr. Nidhi Rai Singhani, Assistant Professor of French in head of European Language Department in University of Rajasthan, Jaipur, spoke about the uses and history of foreign languages in today's era. The next speaker, Mr Salvo Giruffie, teaches Chinese language, literature and history in University of Malta, and is fluent speaker of multiple languages, he shared with us his valuable experience of learning of new languages and the confidence and changes in character that come with it.

This was followed by a round of queries put forward by the inquisitive students regarding foreign languages. The webinar concluded with Dr. Rashmi Chaturvedi, Director, Kanoria College, highlighting the importance of learning new languages. Dr. Preeti Sharma, Coordinator, Foreign Language Courses, then proposed the vote of thanks to the guests and the participants on the successful conduction of this webinar.

THE FOOD STORY

‘Nothing brings people together like good food’

The story of human civilization and food are so intertwined that it is impossible to separate them. Food is part of survival, expression of emotions, pleasure, and mark of socioeconomic status. Thus, the thought of hearing the complete ‘Food Story’ came into existence. A webinar series to understand a 360-degree view of food has been planned under the patronage of Dr. Rashmi Chaturvedi, Director, and Dr. Seema Agrawal, Principal. The organizing team of the series is Dr. Richa Chaturvedi, Head, Department of Home Science, Dr. Preeti Sharma, Assistant Professor, Department of English, and Dr. Mohita Chaturvedi Sharma, Head, Department of Sociology. The academic partners in this series are ELTAI, Rajasthan-Jaipur Chapter, Indian Dietetic Association, Rajasthan Chapter, NetProFaN, Rajasthan Chapter, and Department of Sociology, University of Rajasthan, Jaipur.

In academic session 2021-22, the series was inaugurated on 24 September, 2021, by Chief Guest, Ms. Inoshi Sharma, Executive Director, FSSAI, New Delhi. Keynote speaker Dr. Chandrakant S Pandav, Padma Shri Awardee (2021), and ‘Iodine Man of India’ congratulated for the concept of the series and shared his views on the importance of micronutrients. Dr. Pandav also collaborated with the series through the International Council for Control of Iodine Deficiency Disorders. For this session special academic support was received from Eat Right India - an FSSAI Initiative.

The first session of the series was conducted on 27 September, 2021. Speaker for the session was an eminent academician and public health nutritionist Prof (Dr.) Shubhada Kanani, Adjunct Prof., Department MPH, Parul Institute of Public Health, Parul University. She shared her views on Our Food Culture - Achieving Synergy between the Traditional and the Modern to Promote Health. The session chair was Prof. (Dr.) Nimali Singh, University of Rajasthan.

The second session was conducted on 5 October, 2021 on An odyssey of Food & Culture in India. Speaker of the session Dr. Kurush F Dalal, Director, School of Archaeology, INSTUCEN Trust, Mumbai, and Food Anthropologist enlightened with the interesting facts of how food has traveled to various places with trade and commerce, army invasions, and cultural exchanges. The chairperson for the session was Prof. (Dr.) Rashmi Jain, Head, Department of Sociology, University of Rajasthan, Jaipur

Who can explain food better than a Chef. So, on 6 October, 2021, Chef Manjit Singh Gill, President, Indian Federation of Culinary Associations and Worldchefs Escoffier Medal Recipient, talked about Understanding Food Traditions-The Literary View, Chairperson was Dr. Sanjay Arora, Head, Department of English, Central University of Rajasthan, and President, ELTAI, Rajasthan Chapter.

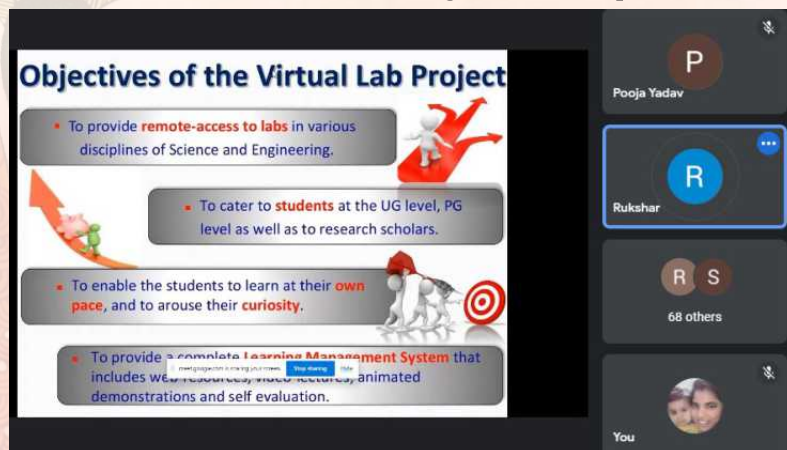

On 18 November, 2021, Prof. Bondada Andallu, Honorary Professor, Department of Food and Nutritional Sciences, Sri Sathya Sai Institute of Higher Learning, Anantapur, Andhra Pradesh, India discussed the Review on the Role of Foods in Fight Against Cancer (special reference to spices).

All sessions were live streamed on the official youtube channel of the College. The series will continue in next academic session with more interesting stories of food.

VIRTUAL LAB

A series of Virtual Lab experiment workshops was conducted in the month of October-November, 2021 by various Practical oriented subjects (i.e., Botany, Biotechnology, Chemistry, Computer and Zoology) for both under-Graduate and Post Graduate students. It was organised by the team of Virtual Lab Nodal Centre of Kanoria College under the supervision of Co-ordinator Dr. Sunita Shekhawat. Virtual labs provide an opportunity of blended learning along with the facility of unlimited time to repeat experiments for practice at one's own pace. Such type of lab eliminates the need for exclusive equipment and setup. Also, it is available 24 hours. As we all understand, Laboratory work is an essential component of the study of science disciplines, it helps students to learn concepts, hands-on skills and illustrates theory. This practice increases students' curiosity and positive attitudes towards practical applicability of science.

Following are the details:-

Simulations via Virtual lab has been a great way for learners to practice experiments as it also provides safe environment especially, during the pandemic.

NATIONAL WORKSHOP AND HANDS ON TRAINING IN MICROWAVE EXPERIMENTS (HTME-2022)

In today's scenario Microwave Technology plays a vital role, as microwaves are widely used in industry, scientific and medical applications and are also utilized in spacecraft communication to transfer much of the world's data, television and phone communications over long distances between ground stations and communication satellites and many more. Keeping focus on this, the department organised a two day 'National Workshop and Hands on Training in Microwave Experiments' (HTME-2022) on virtual platform on 18-19 February, 2022. The idea was to motivate young participants to look forward for their future prospects in the field of Microwave Electronics, to expose them to various theoretical and experimental aspects of microwave circuits, antennas and to provide a forum to them to learn about the fundamentals of Microwave components and measurements.

In this workshop, there were six sessions in all, four sessions on the first day and two on the second day were conducted by the invited speakers from various renowned universities and research institutes. A total of two hundred and sixty one participants from various educational institutes registered themselves in this workshop from all over India and even overseas too.

Principal, Dr. Seema Agarwal welcomed all the delegates and participants for being a part of the workshop. Dr. Sarla Sharma elaborated on the theme, objectives and the important aspects which were to be discussed in the workshop.

The guest of honour of the inaugural ceremony was Prof. Deepak Bhatnagar, Former Head, Department of Physics, University of Rajasthan and chief guest of the Inaugural and the keynote speaker was Dr. Surendra Pal, Retired Additional Director, ISRO. He introduced the journey of radio communication by various researchers like J.C. Bose who was a pioneer in the field of microwave devices, also known as one of the fathers of Radio Science. He concluded the address by calling the convergence and fusion of various technologies like broadband, satellite links, video conferencing, GPS, OFC, TU, cable, DBS-300 channels, as confusion

Prof. Deepak Bhatnagar discussed about the 'Basics of Microwave Components' with live demonstration starting from the fundamentals of microwaves like its frequency range and various frequency bands. He explained about the microwave components which are used in Microwave Bench in laboratory like klystron tube, klystron power supply, isolator, attenuator, frequency meter, detector and point contact diode along with explaining the working of each component.

Dr. Parul Patel, Group Director, (SAC) ISRO elaborated on 'Microwave Remote Sensing Fundamentals and Applications' she explained the common bands used in microwave remote sensing elaborating the concept of polarization.

Dr. Manisha Gupta, Associate Professor, Department of Physics, University of Rajasthan delivered her talk on 'Measurement of Dielectric Constant and Waveguide Components'. She also elaborated about the measurement of various parameters of directional coupler.

On second day of the workshop Prof. V.K. Saxena from the Department of Physics, University of Rajasthan discussed about the 'Vacuum Tubes Type Conventional Microwave Sources'. He explained limitations of conventional solid state active devices at microwave frequency. In continuation to this, he also explained the basic characteristics of Reflex klystron with the help of experimental data and results.

Dr. Saumava Mukherjee from IIT, Jodhpur discussed about the most important component of communication i.e. Antenna. He explained various parameters of antenna like reflection coefficient, gain, VSWR, directivity etc with an experimental approach to the basics of antenna measurement in a very interesting way. Valedictory address was delivered by the chief guest Dr. Parul Patel, Group Director, Research, Outreach and Training Co-ordination group, (SAC) ISRO.

I'M ALONE.....

I hate the walls around me
Nowadays I hate the people surround me
I know that I'm not bad
But I don't know that why I'm sad.
I'm alone
I'm cage in my darken zone.

My soul want to be immortal
I'm imprisoned in a bottle
My outer voice has been died
My inner voice is hide
I'm alone
I'm cage in my darken zone.

Oh almighty God give me a shelter
How can I get myself better
There is no one who loves me
Except you everyone hates me.
I'm alone
I'm cage in my darken zone.

पतझड़ की तरह,
किताबों का भी एक मौसम होता है!

जैसे पतझड़ के बाद,
एक नया मौसम आता है!
वैसे ही,
एक किताब पढ़ने के बाद
इंसान बदल जाता है!!

किताबों में लिखी हर कहानी,
मानव मस्तिष्क से
कुछ ऐसे खेला करती है,

कि झाड़ देती है वह,
पुरानी सोच रूपी पत्ते वहां से!
और जन्म देती है
नई सोच की, नन्हीं कोपलों को!

तो हुई ना किताबें, पतझड़ के मौसम की तरह?

रावण अदालत में

आज दसमुख को अदालत में बुलाया था
उसके दसों सिरों को पाप से भरा पाया था
नगर नगर, कस्बे कूचे से लोग आए थे
सीता हरण के पाप रावण पर लगाए थे

न्यायधीश देख रावण बोला तुम ना राम तुम ना
रघुवर तुम ना अयोध्या नाथ हो
तुम ना ही शिव और ना ही मेरा विश्वास हो
मुझे पापी कहने से पहले अपने अंदर झांक लो
तुम में भी कहीं रावण तो नहीं ये बात जरा,
तुम जांच लो

लेकर राम नाम मुझे तुमहर दशहरा जलाते हो
अपने अंदर फिर भी क्या तुमअंश राम का पाते हो
मेरे अवगुण लेकर तुम सदगुण देखना भूल गए
कैसे एक आधे ब्राह्मण को तुम पूरा राक्षस बोल गए
कैसे एक आधे ब्राह्मण को तुम पूरा राक्षस बोल

Walking alone

I am walking on the road
which is dark and don't know
where I am and where to go.
My Journey is so far
And still no one in my row.
If you still not understand
then let me tell you once more
this is not my first when I am alone.

I am walking on the road
which is dark and full of sorrows.
Don't know when I am waiting for
Maybe sometime to work upon
On anything who would know me more
It could be either human, nature Or Angel
Cause I know this world.
It is mean so how I want to know alone.

I am walking on the road
which is dark and I am known
No one is there who cause me more
Neither human nor angles at all.
But how I will depend on any other
As I know this is ... me who knows me better.
It was me who was wrong.
Who wants the world to walk along.
My Emotions were on and I was alone.
Now no more thoughts no more question
I'll continue alone and alone....

MUSIC

Life seems wonderful,
When music is in your heart,
And your love for music
Will never be able to depart.

With music in your life,
There'll be different melodies and beats,
And all the moments in life
Will be like its greatest treats.

Contentment and satisfaction,
Is actually what music means
Music and its melodies are,
Like life's beautiful dreams.

When music enters your heart
These won't be any sorrow
Music will guide you to your heart
The heart which you have to follow.

कभी लोग मुझे अपनी उंगलियों पर नचाते हैं!
तो कभी मैं अपनी ही धुन में चलती जाती हूँ!!

कभी अपने जीवन को एक सीध में चलाती हूँ,

SCHOOL LIFE

Some of our mistakes are not acceptable
Moments spend in the school are unforgettable

When teachers got late for the class
We all were found outside the class

Like a alien has a habit of yawning
Some periods in the school were boring

In the school, teachers were restless
Time spend with each other is priceless

Some friends were interested in fighting
Waiting for the bell to ring was very exciting

In the life we are facing many fears
Thanks to school for giving us beautiful years

I am living in a unreality vision. Characters
fade in and out, I blink and people
disappear who I wouldn't thought I'll ever
let them go, few of them stayed who I never
thought would even exist. A song I used to
love and play on loop comes on radio and
my ear aches from that sound. Living in
the world between reality and fantasy. I am
not me, not myself, I might be constructed
myself like this for living in one's dream
and will vanish as soon as they open their
eyes.

But in between all these, I realised that
I have not to listen to opinion that mean
nothing of people who feel nothing and
love myself for everything I am and not
everything I supposedly ought to be.

ALUMNAE ASSOCIATION

Kanoria Girls College Alumni Association is a platform to bridge student-alumni interaction for creating lifelong relations to promote the exchange of academic and professional experience. The association cherishes and develops a bond with its Alumni by organising programmes, initiating events, and facilitating forums that are beneficial to the alma mater, to the alumni and the cultural and social fabric of our community. The Alumni Association of Kanoria College encourages its alumnae to reconnect with the institute and also partake an active interest in the various development programmes.

On the occasion of 56 anniversary of Kanoria PG Mahila Mahavidyalaya, a tree plantation event was organised on 19 July, 2021. The drive was led by our alumni Ms. Minakshi Meena, R.A.S Officer and Ms. Urvashi Bhargava (Batch 1971-72) as a special appearance. They were accompanied by other members of the Alumni Association. The event took place under the flagship of Principal, Dr. Seema Agarwal, President, Dr. Rekha Gupta along with student's campaign 'positivity among pandemic'. The focus of the event was to make the landscapes more aesthetic and environmentally friendly.

Kanoria College Alumni Association feels proud in announcing that the college has started a series every month to share the achievements of our alumnae from October 2021. The series includes Dr. Vandna Dangi (Batch 1982), Managing Director, Libord Finance Limited, Mumbai; Ms. Pooja Vijay (Batch 1996), Founder and Director, Pink Pedals and First Bicycle Mayor of Jaipur; Mrs. Shikha Nag (Batch 2000), Founder and Director of Indian Academy of Public Speaking, Bengaluru and Mrs. India-World 2016: 2nd Runners up; Dr. Ritika Bhatt (Batch 2008) Freelancer Choreographer and performer, presently in the Netherlands; Ms. Richa Gaur (Batch 2015), Founder of Global Institute of Self Defence & Martial Arts.

Alumni Association in collaboration with Kanoria College's Creative Writing Club organised a creative writing workshop for the students and alumni members to explore their artistic creativity by our alumni Dr. Asha Sharma, an immensely talented litterateur and a critic on 22 December, 2021. The workshop focused on the development of style, the treatment of content and creative skill.

Kanoria College Swaranchal Club – Dance, organised a one-month dance workshop from 1 December, 2021 – 24 December, 2021 on Kathak by the Former Girls Union, under the special guidance of the alumna Ms. Shefali, Kathak Artist along with Dr. Kamakshi Tomar and Dr. Mrinali Kankar. The focus of the workshop was to understand and develop various styles related to Kathak. In this series, our esteemed alumni Ms. Vidhushi Prerna Shrimali performed an Artform Kathak organised by Spic-Macay. The team of musical instrument players illuminated the aura of the campus with their artistic Indian classical performance. The highlight of the event was the artists' tribute to Meera Bai. The entire audience was in sync with the artists' tone, rhythm, tune, beat and harmony; their performance elated and transcended them to a mindful space.

Two-day workshop on Communication Skills and Personality Development was organised by the College Media Club and our alumna Dr. Aarti Chopra, Principal, Bhartiya Vidya Bhawan College of Communication & Management, Jaipur for our students on 27 - 28 January, 2022 via google meet.

Kanoria Girls College Association teamwork has justified the saying 'Sticks in the bundle are unbreakable.'

MANAGEMENT ASSOCIATION

Our goals for 2021-22 centered around continuing ground-shifting and astoundingly rapid conversion of the College’s decades-long curriculum-delivery method, from in-person to chiefly online instruction. It was carried out so seamlessly that no class was inordinately disrupted, and no student lost her ability to pursue or complete their academic career.

Most of the activities in this session were conducted on online platforms such as Google meet, Zoom, MS Teams, etc. The session began with an online “Tree Plantation activity”, in which the students were asked to plant a tree in their house or the surrounding area and also to keep a record of its growth. The activity was aimed to sensitize students on the importance of nature and the environment. On 7 August, 2021 an interactive session was taken by Ms. Archana Rathore from ICAI University on Resume Building and the importance of an Effective Resume. On 27 August, 2021 a B- Quiz Competition was organised to instill interest in General knowledge on Business among students. Sixty-three students participated in this quiz. To enhance the student skills and boost confidence, a Tower making Competition was conducted on 4 September, 2021 in which the students were asked to build a tower as big as possible with very limited resources. This activity was conducted to make students understand the concept of optimum utilization of resources. This activity was conducted in the classroom and eighty-five girls participated enthusiastically in the event confidently.

On 27 October, 2021 the students of BBA Part III organised BBA MEET. The main aim of the meet was to welcome the new students of BBA and to have an informal interaction among the students through various competitions, and cultural programs. The Meet was conducted in the college auditorium with one hundred and ten students of BBA.

The month of November began with a quiz competition conducted in collaboration with Jaipuria Institute of Management in which six hundred sixty-six students of Commerce and Management participated. On 24 November, 2021, Finathon, a finance Quiz was conducted in association with NUCASH. One hundred and fifteen students participated in the contest.

On 6 December, 2021, a Career Seminar was conducted by the Frankfinn Institute of Airhostess Training, about the career opportunities in the airline industry and how personality development is important in making students ready for the competitive world. Management Fest was organised for the students of BBA from 8 - 11 December, 2021 in which Professor Anurag Sharma from the University of Rajasthan, Jaipur, delivered a lecture on the role of Ethics and Values in Management, followed by a PPT competition on Indian Business Leaders. On the next day, an exhibition on waste management was organised by students and an Ad Mad show was also conducted. On 10 December, 2021 a PTM was organised for BBA students. The fest was concluded with an Industrial visit by BBA students to Raaga Textiles (Handblock Industry) and SN Creations (Screenprint Industry). Fifty-three students along with two Faculty Members visited and learned about the manufacturing and management of the industries.

On 31 January, 2022 an Expert Talk on the topic “Career Dilemmas: seek an expert advice” was conducted in collaboration with ICAI University, clearing the doubts of the students related to career-oriented opportunities after graduation. They

highlighted numerous career avenues for girls in technology and management. A hundred girls participated enthusiastically in this event.

The academic year was concluded with “CAMFEST 2022- Fest for the Best, organised jointly by the Department of Commerce and Management Association for two days on 2 - 3 February, 2022. सोशल साइंस एसोसिएशन

सत्र 2021-22 में समाज विज्ञान समिति के अन्तर्गत ‘छात्राओं के चहुंमुखी विकास’ के लिए विभिन्न गतिविधियों का आयोजन किया गया।

23 नवम्बर, को ‘व्यक्तित्व और आत्म विश्वास विषय’ पर व्याख्यान का ऑफलाइन आयोजन किया गया। आमंत्रित अतिथि वक्ता डॉ. दीपक सक्सेना (पूर्व निदेशक-स्टूडेंट अडवाइसरी ब्यूरो, राजस्थान विश्वविद्यालय, जयपुर) ने विषय से संबंधित विभिन्न पहलुओं पर प्रकाश डाला। अपने वक्तव्य में डॉ. सक्सेना ने क्रिएटिव थिंकिंग, सम्प्रेषण कौशल, भावनात्मक शक्ति इत्यादि पहलुओं पर अपने विचार रखे। 46 छात्राओं ने व्याख्यान का लाभ लिया।

17 दिसंबर, को ‘प्राैक्टिकल वेज़ ऑफ़ इनक्रीजिंग सेल्फ मोटिवेशन’ विषय पर इंटरएक्टिव सेशन का ऑनलाइन आयोजन किया गया। इस विषय पर अतिथि वक्ता सुश्री विनिफ्रेंड क्रैफोर्ड, कोच और मोटिवेशनल स्पीकर (NLP) ने उपस्थित छात्राओं और शिक्षिकाओं को सेल्फ मोटिवेशन और पॉजिटिव थिंकिंग के बारे में रोचक तरीके से अवगत कराया। WAT (words, action and tone) के महत्व को समझाते हुए कहा कि हम सभी अपने जीवन में नकारात्मकता को हटा कर सकारात्मक सोच का सृजन करें। जीवन को चुनौती के रूप में लेते हुए जीने की कला सीखें। कार्यक्रम का आरम्भ डॉ. श्रद्धा सक्सेना ने किया तथा धन्यवाद ज्ञापित करते हुए डॉ. नीलम बागेश्वरी (संयोजिका) ने सकारात्मक सोच के महत्व को बताते हुए अपने जीवन में उतारने की आवश्यकता पर बल दिया। कार्यक्रम में 100 छात्राएँ उपस्थित रहीं।

17 जनवरी 2022 को, ‘आनंदम् एवं समाज विज्ञान समिति’ द्वारा एक विशिष्ट व्याख्यान आयोजित किया गया जिसका शीर्षक था ‘देने का सुख’। यह व्याख्यान ऑनलाइन मंच गूगल मीट पर सुबह 11 बजे आयोजित किया गया। इस व्याख्यान में अतिथि वक्ता डॉ. रेणुका राठौड़ थी, जो भाषा विभाग की उप निदेशिका हैं। डॉ. आरती मिश्रा ने कार्यक्रम के प्रारम्भ में डॉ. राठौड़ का परिचय कराने के साथ, आनंदम् नामक नवीन विषय से छात्राओं को परिचित कराया। महाविद्यालय की प्राचार्या डॉ. सीमा अग्रवाल ने स्वागत अभिभाषण प्रस्तुत किया। डॉ. राठौड़ ने अपने उद्बोधन में कहा कि सभी लोग अपने लिए सुख प्राप्त करना चाहते हैं, किन्तु देने के सुख जैसा अन्य कोई सुख नहीं। उन्होंने टाटा समूह के अध्यक्ष श्री रतन टाटा का उदाहरण इस सन्दर्भ में दिया। साथ ही उन्होंने कई पौराणिक कथाओं की सहायता से दान का महत्व समझाया। डॉ. राठौड़ ने गीता से उदाहरण देकर, सात्विक, राजसिक, तामसिक, तीन प्रकार के गुणों की व्याख्या की। श्वॉस से जुड़ने का प्रायोगिक अभ्यास भी छात्राओं को कराया। इसके साथ ही उन्होंने जीवन में सकारात्मकता के विषय पर प्रकाश डाला अंत में उन्होंने छात्राओं की जिज्ञासाओं को प्रश्नोत्तर के माध्यम से शांत किया। इसमें 92 छात्राओं ने भाग लिया।

24 जनवरी, सामाजिक विज्ञान समिति एवं आनंदम् समिति के संयुक्त तत्वावधान में, ‘जड़ों की ओर लौटो’ (Back To Roots) विषय पर, ऑनलाइन वार्ता का आयोजन किया गया। वार्ता में आमंत्रित अतिथि, ‘ट्री मैनऑफ इंडिया’ के नाम से ख्यात, विश्व प्रसिद्ध पर्यावरणसेवी श्री विष्णु लांबा ने छात्राओं व शिक्षिकाओं के संग, पर्यावरण संरक्षण के संबंध में स्वयं के प्रेरणास्पद अनुभव व प्रसंगों को साझा किया। 33 वर्षीय युवा, श्री विष्णु राजस्थान के टोंक जिले के लाम्बा गाँव में जन्मे तथा सात वर्ष की उम्र से ही पौधरोपण का सकल्प लेकर, अब तक 50 लाख वृक्षों को पोषित कर चुके हैं। विभिन्न राष्ट्रीय पुरस्कारों से सम्मानित विष्णु मार्च 2022 में संयुक्त राष्ट्र संघ में भारत का प्रतिनिधित्व करेंगे। विष्णुजी द्वारा संचालित “कल्पतरु संस्थान” में लगभग एकसौ पचास पर्यावरण व समाज सेवी अभियानों को देश के युवक-युवतियाँ क्रियान्वित कर रहे हैं। कोई भी सेवा कार्य में सक्रिय व्यक्ति इस संस्थान से जुड़ सकता है। विष्णुजी ने सहज स्वाभाविक शैली में सभी को पर्यावरण संरक्षण व ‘देने के सुख’ की अनभुति के लिए प्रेरित किया। प्राचार्या डॉ. सीमा अग्रवाल ने आमंत्रित अतिथि का स्वागत करते हुए, उनके सद्कार्यों से मार्ग दर्शन लेने की बात कही। दो सौ श्रोताओं ने इस वार्ता से जुड़कर मार्गदर्शन प्राप्त किया।

डॉ. नीलम बागेश्वरी

HUMANITIES ASSOCIATION

The session 2021 was also filled with the challenges that came along with the pandemic but these challenges were tackled with utmost zeal. The Humanities Association has been a constitutive part of Kanoria PG Mahila Mahavidyalaya. As an association, it helps the students to develop and hone their emotional skill set. This year also extra-curricular activities were undertaken by the association to help students develop their social skills as well as increase their confidence. The association for the students of the college screened an inspiring short movie, ‘The Professor’ on 31 January, 2022 virtually.

The movie was based on the true story of IIT Delhi professor Alok Sagar, an extraordinary man, who devoted his life for the environment, planting trees, and betterment of the tribal community of Kochumua, Madhya Pradesh. The movie dealt with the issue of water conservation. The movie was followed by a group discussion where the students discussed their experiences and interpretations of the movie. The activity ended on a revitalizing note where the students felt a sense of responsibility towards society and the prevailing issue of water scarcity. Forty-seven students joined the screening. The second activity was a national level quiz conducted by the association to celebrate 'Azadi ka Amrit Mahotsav' started on the occasion of 75th Republic Day an initiative by Government of India. The association conducted the quiz in order to make students aware of the freedom struggle of India. More than nine hundred and fifty students participated in the quiz. The session has been constructive for the association as it helped the student to conquer the obstacles and continued to sensitize them towards the issues of the society at large. The association provides the students with the opportunity to grow into rational human being and promote a pragmatic point of view.

THE LITWITS SOCIETY

The LitWits Society of Kanoria is a literary society constituted by the Department of English of Kanoria PG Mahila Mahavidyalaya, Jaipur, after years of brainstorming ideas for having a literary society in college by the teachers and students, The LitWits Society was established during the second edition of Annual Literature Festival- SAGA. It was officially unveiled on 5 February, 2021 by Ms. Mugdha Sinha (Secretary, Department of Science and Technology, Government of Rajasthan), Dr. Rashmi Chaturvedi (Director) and Dr. Seema Agrawal (Principal).

The society has organised various events in Kanoria under the flagship of The LitWits Society.

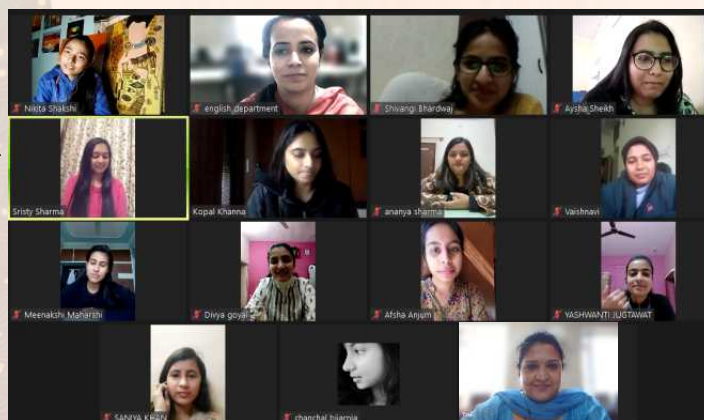

Directed and managed by the teachers of the department of English, 'Earnestly Being Finest to be Honestly Earnest' was a theatre performance performed by the students on 21 December, 2021 during the Inaugural of SAGA'21. This theatre performance was based on Oscar Wilde's play "The Importance of Being Earnest", a jocose and burlesque farcical comedy for serious people with an engaging subtle sense of satire.

In the Valedictory of SAGA'21, The LitWits Society organised an interaction with Sudeep Sen, a prolific Indian Poet and editor on 22 December, 2021. A large number of students, teachers, and other dignitaries attended the online session. In this event, the poet talked about his recent book "Anthropocene". In his multi-genre collection, he deftly addresses urgent issues such as climate change and the pandemic. The conversation revolved around the book and the process of creating it.

Tape a Tale in collaboration with The LitWits Society, hosted Steller'22, a national-level storytelling competition virtually on 27 January, 2022. It was yet another great opportunity provided by the society to all the budding writers of the college for showcasing their storytelling and writing skills. The event was judged by Kopal Khanna, co-founder of Tape a Tale. There were students from all the streams as The LitWits Society is open to all, and not restricted just to the students of English Literature. Twelve students actively participated in the competition and the winner of Steller'22 was Yashwanti Jugtawat, BA English Hons Part-II.

"Escape the Reality: How Fiction helps you with Living? was a collaboration of The Great Indian Book Tour and The LitWits society, Department of English. The programme was organised virtually on 5 February, 2022. The key speakers for the session were author Ritiqa Pachauri, author Deepak Srivastava, author Mini Bhardwaj, and author Shantanu Sharma. Initially, the discussion focused on understanding fiction, while having a conversation about the selection of the characters in their writings, all the authors agreed that people in their lives influence the traits of the characters in their books. The writers also discussed how fiction helps readers become more creative, rational, and critical thinkers.

The society is looking forward to organizing more events in college, such as book review, workshops, group discussions, book readings, competitions and more.

CENTRE FOR ENTREPRENEURSHIP DEVELOPMENT

'Deepawali'-the festival of light brought joy and hope amidst the pandemic times. Centre in collaboration with Entrepreneurship Club and Sukriti- Art and Craft Club organised 'Kanoria Fiesta' from 21 - 23 October, 2021. Fifty students showcased their handicrafts and decorative items, jewellery, chocolates, cookies & cupcakes, tray garden, customised decor, Diwali crafts, nail art, Mehandi and food zone. This helped them to learn the basics of entrepreneurial skills - how to market and sell their products, how to decide the market price and profit margins. Students shared that they had a wonderful experience during these three days.

The Centre for Entrepreneurship Development aims at strengthening the entrepreneurial ecosystem of the College. This year a milestone has been achieved with the establishment of NARIKA Incubation Centre - third in India and to be an only Women's Incubation Centre in the city. This year Digital Ideathon 21 was conducted where seventeen students submitted their innovative ideas and after screening about 7 start-up ideas have been identified for mentoring. One student Ms. Shivangi Seth has been nominated for a 4-week online program on 'Entrepreneurship Management' being conducted by IGDTUW Anveshan Foundation from 17 January, 2022. A two-day Entrepreneurship Awareness program Passion to Profession was conducted on 17 - 18 December, 2022. Principal, Dr. Seema Agrawal, appreciated the students for taking the first step

towards entrepreneurship. Students were informed about the basics of entrepreneurship on Day 1 by Dr. Pallavi Agrawala, Mentor. On the second day, students were familiarized with different platforms - Entrepreneurship Club, Sukriti- Art and Craft Club, Skill Enhancement Courses, Centre for Entrepreneurship Development which will help them grow as an entrepreneur. Eighty-five students attended the session on both days.

TEACHING-LEARNING CENTRE

The aim of Teaching learning Centre (TLC) of Kanoria PG Mahila Mahavidyalaya, Jaipur is to enable and support faculty to learn and implement evidence-based, learner-centered, and inclusive teaching practices. The TLC seeks to promote faculty, staff and administration in cultivating an institutional environment that encourages and rewards teaching excellence.

To attain these objectives, TLC began the session of 2021-22 by organising a ten-day Departmental FDP in the college from 9-20 July, 2021. In this FDP, sessions on “Selecting an appropriate Journal for article publication and Research Metrics” and “Voice and Accent Training” were conducted for all the faculty members on 17 July and 20 July, 2021 respectively, whereas rest of the sessions were conducted department-wise apprising the latest updates in the respective subjects. All the faculty members attended the FDP.

The month of October began with a Virtual Orientation Program for the students on 1 October, 2021 in which first students were introduced to all the different Clubs, Associations, Committees and all the other activities of the college. Two hundred and fifty students attended the session Live on Google Meet platform, whereas a large number of students enjoyed it on college’s YouTube channel.

On 29 - 30 November 2021, a Two-day FDP on the topic “Happiness. Mindfulness and Effective Teaching” was organised by the center in which Dr. Prabhat Pankaj, Director, ICFAI University, Jaipur delivered the lectures on the topic “Value and Importance of Happiness and Mindfulness” on 29 November and “How to make Teaching Effective for Students” on 30 November. The session was attended offline by all the faculty members.

A faculty exchange program was organised with Maheshwari Girls PG College, Jaipur on Vijay Diwas in the event ‘Azadi ka Amrit Mahotsav’ on 16 December, 2021 in which four faculty members of Kanoria College participated. The aim of the faculty exchange program was to seek advice and suggestions on establishing new research labs and how to increase the employability of students through teaching learning.

In the wake of upcoming NAAC Review of the college, a Two-day FDP was organised for the faculty members on the topics, “NAAC SSR” and “NAAC Peer Team visit” on 23 - 24 December, 2021 respectively in which Dr. Suresh Kumar Agarwal, Dean, Maharaja Ganga Singh University, Bikaner, elaborated on the preparations to be made for filing SSR and for the peer team visit. The faculty members also resolved their queries regarding NAAC paper filing work.

On 17 January, 2022, a webinar on E-waste Management was organised in collaboration with “Karo Sambhav” organization to sensitize the faculty members as well as students about the E-waste that we create, the harmful effects of it and the importance of managing and disposing the E-waste.

A seven-day Training Program on “Computer Proficiency and Work Efficiency enhancement” was organised for the non-teaching staff of the college from 31 January, 2022 to 7 February, 2022. Different levels of computer operations as per the requirement of the staff were taught to them to enhance their computer literacy and to increase their professional skills. On the last day of the program i.e, on 7 February a test was also conducted which was qualified by all the staff members.

Expanding Horizons

ABHIVYAKTI CLUB (ENGLISH)

The Abhivyakti Club of Kanoria College functions with the overt aim to develop the imaginative faculties of students by encouraging them to give free expression to their ideas through various literary forms. The activities of this club are planned to augment the output of the members of the club and thereby impart these values to the student community as a whole. The literary capabilities inherent in the students need to be brought out to give flair to their creative aptitude. The club has organised many meetings which were presided over by the convenor in the presence of the committee members. In the meetings at the early stage, the student members introduced themselves. Each of them was provided with a platform to express their literary ideas and their passion for literary activities. Their details were accumulated to form a WhatsApp group as part of the plan to function swiftly in a hybrid online and offline mode. The student coordinators were selected, and after inviting suggestions from the student members, the Convenor, and the Committee members, a plan of activities was drafted for the Club for the year 2021-22.

The Club has organised myriad activities including Extempore, JAM, Debates. Certain intraclass activities and competitions were also organised. Twenty five students participated in the session.

A workshop on public speaking “Public Speaking Simplified” was organised on 4 December, 2022. The workshop was an opportunity for the students to strengthen their knowledge and understanding of public speaking and presentation skills. The training was delivered by Mr. Gaurav Maheshwari, Associate Vice President - Learning and Development, at J.P. Morgan. The Q&A session at the end made the workshop even more interactive. Thirty-two participants were present in the session.

In these tough times, it is imperative to provide new and innovative opportunities to keep the thrill and throb alive in the students and keep them engaged in productive learning. The club endeavored to take a step forth to organize an interactive session with the fresh new faces to bridge the communication gap in this pandemic, by executing the event in person. The session of JAM (Just A Minute) was organised to have a peek at the oratory skills of the students on 8 December, 2021. The participants included the members of the club, who enthusiastically participated for the same and brought out the best of their narration skills on the designated topics.

The Abhivyakti Club of the college has always planned vivid and well thought sessions, to nurture and inculcate the passion for the language among the young learners and hope to continue doing it. The smooth functioning of the club and accomplishment of all the activities were facilitated by the team members Dr. Preeti Sharma (Convenor), Dr. Mohita Chaturvedi Sharma, Dr. Tina Singh, Dr. Rekha Prajapat, Ms. Priyanka Sharma (Committee Members), and Ms. Jahanvi Singh (Student Co-ordinator).

ENTREPRENEURSHIP CLUB

The Entrepreneurship Club strives to nurture seeds of entrepreneurship and self-employment among its students. This club inculcates core business skills and enables students to convert hobby and innovative ideas into business ideas. It gives them exposure to the world of business through interaction with successful business-persons. Focusing on this, various activities were organised by the club. An interactive session with successful entrepreneur Ms. Vashika Sethi, Make-up Artist was organised on the topic 'Journey of a Woman Entrepreneur' on 12 October, 2021 through Google Meet. She shared her experience in the field of entrepreneurship and founding her start-up venture 'Vashika Sethi Makeovers' that is well renowned in Jaipur. This interactive session motivated the students to work hard and be confident during their entrepreneurial journey. It was an inspirational session attended by around one hundred and sixty students.

The Entrepreneurship Club in association with Sukriti- Art & Craft Club and Centre for Entrepreneurship Development of the college, organised 'Kanoria's Fiesta 2021' from 21 - 23 October, 2021. Around fifty students of both the clubs set up their stalls of handmade items for sale. These included handicrafts and decorative items, jewellery, chocolates, cookies, cup-cakes, tray garden, customised decor, diwali crafts, nail art, mehandi and food zone. Students learnt to manage their products in terms of

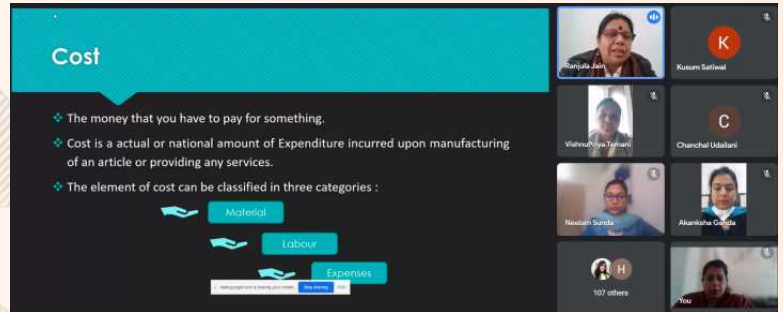

cost, customers, price determination, profit expectations, etc. This activity enhanced their marketing and selling skills and got exposure to display their art and talent to customers and modify these in terms of customer demand. Some of the stall owners realised sales value of around rupees ten thousand during the three day fiesta. They were motivated to put their innovative ideas in their products and stall presentation and win the title of 'Stall of the Day'. This was a wonderful

experience for students as well as for the visitors.

For experiential learning to the students, one-day Industrial trip was organised on 25 November, 2021 by the Department of ABST. Fifty four students of Entrepreneurship Club and Sukriti Club, along with two faculty members Dr. Priyanka Khurana and Dr. Vishnu Priya Temani, visited Sakshi International Pvt. Ltd. and Salim Kagzi's Paper Industry. Students learnt details about Rajasthan's Blue Pottery art and famous Hand-block printing of Sanganer and also explored the process of making handmade paper at these respective industries.

On 17 - 18 December, 2021, Centre for Entrepreneurship Development, Entrepreneurship Club and Sukriti- Art and Craft Club jointly organised two-day Orientation Programme 'Passion to Profession'. This programme was inaugurated by the Principal Dr. Seema Agrawal. She highlighted the importance of time management and experiential learning in career orientation. Presentation was given by convenors of both the clubs on how the ecosystem of college works in converting hobbies of the students to profession by enhancing their entrepreneurship skill and start-up ideas with the help of skill enhancement courses. On day second, an interactive session was conducted by Dr. Pallavi Choudhary Vardhaan, entrepreneurship expert and Incubation specialist. She enlightened the importance of problem-solving start-ups for society. According to her, an entrepreneur should first analyse the surrounding problems and then innovate the new idea. This programme was attended by hundred students. In this series, two-day online workshop 'Learning by Doing' was organised on 21 - 22 January, 2022. On day one, Ms. Neha Vaswani, a Home Baker demonstrated the baking of Red Velvet, Vanilla and Chocolate 'Jar Cakes' and how to make these cakes look attractive with choco strawberries and fresh fruits.

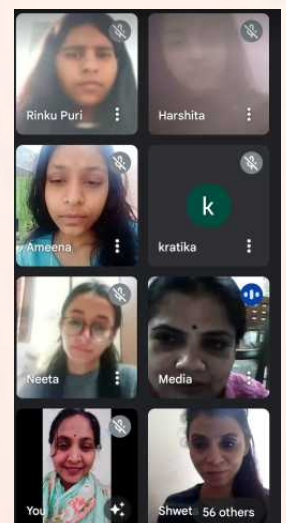

On day second, Ms. Shikha Khandelwal, alumni of the college and successful entrepreneur, taught the students, the making of 'Fomarian Flowers'. The aim of this workshop was to develop artistic and self-employment skills among the students. These flowers could be used in making jewellery, bandhanwars, rangoli and other artefacts. This workshop was attended by around three hundred students. On 27 January, 2022, an online session on 'How to Accelerate Growth through Cost-Benefit Analysis' was conducted by Dr. Ranjula Jain, Dean & Associate Professor, Kanoria PG Mahila Mahavidyalaya, to make young students understand the concept of cost determination of a product and the benefits associated with it. She discussed the requisites of a successful entrepreneur and the relevance of Cost Benefit Analysis in accelerating growth of an entrepreneur. Around two hundred and twenty students benefitted from the session. It was a fun-filled year with learning through activities. Throughout the year, students actively participated and appreciated the activities of the club.

रचनात्मक लेखन क्लब

रचनात्मकता निर्माण की ऐसी प्रक्रिया है, जिसे प्रायः नव-निर्माण अथवा विशिष्ट उपलब्धि के रूप में देखा जाता है। यहाँ यह आवश्यक नहीं है कि यह निर्माण संसार में अनूठा हो, किंतु यह मौलिक व एक व्यक्ति विशेष की देन होना चाहिए। रचना करना मनुष्य की जन्मजात प्रवृत्ति होती है, किंतु कई बार हम स्वयं अपनी रचनाधर्मिता से परिचित नहीं होते हैं। महाविद्यालय का 'रचनात्मक लेखन क्लब', छात्राओं की इसी सृजनात्मक क्षमता को ज्ञातकर, इसे निखारने एवं प्रोत्साहित करने का कार्य करता है।

20 अक्टूबर, क्लब की पहली परिचयात्मक मीटिंग हुई, जिसमें छात्राओं को इस क्लब के उद्देश्य से परिचित कराते हुए उनका पंजीकरण किया गया। उन्हें बताया गया कि यदि आपको लिखने का शौक है तो आप कैसे अच्छी से अच्छी रचना कर सकती हैं, अपने लेखन को श्रेष्ठ बना सकती हैं। अनेक छात्राओं ने इस मीटिंग में स्वरचित काव्य पाठ किया, जिस पर बाद में चर्चा की गई और उनका मार्गदर्शन किया।

23 अक्टूबर, रचनात्मक लेखन क्लब और स्पंदन साहित्य संस्थान की ओर से एक स्वरचित हिन्दी काव्य पाठ प्रतियोगिता का आयोजन किया गया, जिसमें महाविद्यालय के विभिन्न संकायों की छात्राओं ने उत्साह पूर्वक भाग लिया। प्रतियोगिता की निर्णायक डॉ. रेखा गुप्ता (विभागाध्यक्ष हिंदी), डॉ. शकुंतला सरूपरिया (उदयपुर की प्रसिद्ध कवयित्री) एवं 'साहित्य समर्था' पत्रिका की संपादक श्रीमती नीलिमा टिक्कू रहीं।

24 नवंबर, क्लब मीटिंग में, डॉ. स्वाति धनवानी ने लघु कथा लेखन की बारीकियों से छात्राओं को परिचित कराया। उन्होंने बताया कि लघु कथा जीवन में घटी किसी भी घटना को लेकर लिखी जा सकती है। इसमें कम से कम शब्दों में कोई महत्वपूर्ण बात कलात्मक ढंग से कही जाती है, जिसे पढ़ते ही पाठक उस पर चिंतन मनन करने के लिए विवश हो जाता है। बाद में अनेक छात्राओं ने अपनी लिखी लघु कथाओं का वाचन भी किया। डॉ. पालू जोशी ने भी लघु कथा पर अपने विचार व्यक्त किये और अंत में सभी का धन्यवाद ज्ञापित किया।

22 दिसंबर को क्लब की ओर से छात्राओं के काव्य लेखन को निखारने की दृष्टि से 'एक दिवसीय काव्य लेखन कार्यशाला' रखी गयी। इसमें जयपुर की प्रसिद्ध कवयित्री, समीक्षक एवं मंच संचालक डॉ. आशा शर्मा को विषय विशेषज्ञ के रूप में आमंत्रित किया गया। डॉ. रेखा गुप्ता ने क्लब की गतिविधियों से परिचित कराते हुए स्वागत वक्तव्य दिया। डॉ. आशा ने काव्य लेखन के समय ध्यान में रखने योग्य बिंदुओं को उदाहरण देते हुए, सरल भाषा में छात्राओं को समझाया। आपने भाव, भाषा, छंद, तुक आदि का काव्य में महत्व समझाते हुए काव्य में संवेदनशीलता को बनाए रखने की बात कही। अक्षिता विजय, छवि मेहरा, आकांक्षा माहेश्वरी, प्रिया सहगल आदि छात्राओं ने अपनी कविता सुनायी और डॉ. आशा शर्मा ने उन पर टिप्पणी करते हुए उनका मार्गदर्शन किया। अंत में डॉ. धर्मा यादव ने छात्राओं को निरंतर लेखन में रुचि बनाए रखने के लिए प्रेरित करते हुए, सभी का धन्यवाद दिया। इस प्रकार विभिन्न गतिविधियों में छात्राओं ने पूरे उत्साह से भाग लिया। तथा लेखन की बारीकियों समझते हुए अपने लेखन कौशल को समृद्ध किया।

SUKRITI- ART AND CRAFT CLUB

Sukriti - Art & Craft Club believes that art is not just a handicraft, it is the transmission of feeling that an artist has experienced. Craft is passionately creating something with your hands. The club aims to develop and enhance the creativity and imagination of the students. It discovers students' hobbies as a profession by polishing their artistic skills and providing them with a platform to exhibit their talent. The key features of the clubs are "learn and earn". It is a club of the students, by the students and for the students.

The first activity of session 2021 was organised on 16 October, 2021. It was a hybrid mode workshop on "Tray Garden- a beautiful bond with plants". The resource person for the workshop was Ms Anshul Awasthi (Founder of Avni Creation). She demonstrated decorative miniature gardens with the help of different saplings like zade, Aralia, Ficus etc. She enlightened that how a gift like Tray Garden creates an emotional connection with the people and it can also be used for home decor. Dr. Ritu Jain, Head of the Department of Botany, also joined the session and appreciated this craft. Around forty four students have participated in the workshop. The workshop aims to inculcate a creative and emotional bond between the students and nature through Tray Gardens.

The key features of the club learn and earn, so to cultivate the entrepreneurial skills in the students and to showcase their talent, Sukriti- Art & Craft Club with the collaboration of Centre of Entrepreneurship Development and Entrepreneurship Club organised "Kanoria's Fiesta" from 21 - 23 October, 2021. To exhibit their talent around fifty students of these clubs put up their stalls for the sale of handmade items for college students. These included handicrafts and decorative items, jewellery, chocolates, cookies, cupcakes, tray garden, customised decor, Diwali crafts, nail art, mehndi and food zone. This was a very exclusive experience for them. Some of the stall owners realised a sales value of around rupees ten thousand in this three-day fiesta. They were motivated to put their innovative ideas in their products and stall presentation as they had a chance to be "Stall of the Day" on all three days. Feedback was also collected by the visitors for improvement. Students learnt to calculate cost and profit margin in terms of costing, price determination, profit expectations, etc. They developed marketing and selling skills and overall they got exposure to display their art and talent to customers and modify these in terms of customer demand. It was a great platform for practical learning for the students.

To cultivate the artistic skills in the students a workshop was organised on "Lippan Art" a mud mirror work of Kutch, Gujarat on 17 November, 2021. The resource person of the workshop was Ms. Punita Agrawal, with the expertise of decorative items from Ahmedabad. She demonstrated a beautiful art piece of mirror work to the students in a very elaborative way. She showed the creative combination of clay, colours and mirror on a wooden piece, which reflected the culture and tradition of Gujarat. Around hundred students enthusiastically participated in that workshop. The workshop aimed to develop the traditional art knowledge of Gujarat in students, so they can create a beautiful combination of different traditions through their imagination and creativity.

Art can only be learnt from roots. Consequently, students of the club joined the one-day Industrial visit, which was organised by the Department of Accountancy and Business Statistics on 25 November, 2021. Fifty-four students visited two industries related to artistic work. In Sakshi International Pvt. Ltd students learnt details about Rajasthan's Blue Pottery work and famous Hand-block printing. At Sanganer in Salim Kagzi's Paper Industry, they learnt the process of making handmade paper. Students also came to know how these industries process the raw materials of waste cloth into finished goods of beautiful hand-made paper sheets. This was a wonderful experience for the students.

Sukriti- Art and Craft Club with Centre for Entrepreneurship Development and Entrepreneurship Club jointly organised a two-day orientation program "Passion to Profession" on 17 - 18 December, 2021. This program was inaugurated by the Principal Dr. Seema Agrawal. She highlighted the importance of time management and experiential learning in career orientation. Around a hundred students participated in this programme. Introduction about all the three clubs was given through the presentation. The presentation aimed to elaborate to the students on how the ecosystem of college works to develop the hobbies of the students in the profession by enhancing their entrepreneurial skills and start-ups ideas. On day second an interactive session was conducted by Dr . Pallavi Choudhary Vardhan. She enlightened the importance of start-

ups for society. According to her, an Entrepreneur should first see the surrounding problems and then innovate the new idea as a solution. The session was very fruitful for the students.

A two-day online "Learning by Doing" workshop was organised on 21 - 22 January, 2022. On the first day, the training of making "Jar Cakes" was given to the students by Ms. Neha Vaswani, Home Baker. Under this interactive workshop, Ms. Neha Vaswani taught the girls to make Chocolate, Vanilla and Red Velvet jar cakes, as well as to beautifully equip them with chocolates, strawberries and various items. On the second day, training of "Fomarian Flowers" was given to the students by the Entrepreneur, Decorative Items Expert and Alumnae Ms. Shikha Khandelwal. In this workshop, Ms. Shikha Khandelwal taught the students to make flower leaves and different types of flowers from foam. The methods of making various types of useful items by these flowers like jewellery, bandarwal and rangoli etc were also elaborated. About three hundred students participated in this workshop. They were also encouraged by the Principal, Dr. Seema Agrawal. This workshop aimed to develop the artistic and earning skills of the students.

All the activities organised by the club aimed to enhance the creativity and artistic skills of the students.

SWARANCHAL CLUB

Dance is the most exuberant embellishment of an artistic soul. Dancing to the dazzling spell of music unleashes a perfect union of expression and joy. Swaranchal Club- Dance provides a platform for this expression where students tap their feet to the tunes of various styles of dancing. This club provides an opportunity to enhance the dancing skills of students through constant engagement by organising Intra and inter-college competitions and also through workshops conducted by the club.

This year also Swaranchal Club- Dance continued to grow and thrive, despite challenges brought on by the pandemic. Year-round workshops were organised by the club, covering a plethora of genres- classical, semi-classical, and western. The club has an exuberant history of winning external competitions. Our members

have made us proud with their achievements at various inter-college dance competitions.

To stimulate the feeling of patriotism among the students, this year also began with a beautiful virtual dance performance by the students on 75th Independence day to celebrate "Azadi ka Amrit Mahotsav". The students danced to patriotic songs to motivate and energize their fellows and sensitize them on their responsibilities towards the nation. Students sent their dance videos on patriotic songs which were compiled into a beautiful video and posted on the official Youtube channel of the college.

On 28 October, 2021, an interactive session was organised on Sufi Kathak by Shruti Mishra. She explained how an individual can connect with God by this form of dancing and transcends all religions to become a link bridging God and the devotees; taking one far away from materialism. This is the combination of Sufism with a classical form of dancing kathak.

One-week dance workshop on contemporary dance form was organised from 22 - 30 November, 2021. The workshop was conducted by a renowned dancer and choreographer Mr. Kushal Singh. He elucidated how contemporary dance tends to combine the strong but controlled legwork of ballet with modern stress on the torso. It also employs contract-release, floorwork, fall and recovery, and improvisation characteristics of modern dance. Thirty seven students participated in this workshop.

In December, a one-month kathak workshop was organised from 1 - 24 December, 2021 by a renowned classical trainer Ms. Shefali Mathur. It provided opportunities to classical dance lovers to enrich themselves and explore their artistic expression.

On the occasion of Republic Day i.e. 26 January, 2022 an online video making competition 'My Nation..... My Pride' was organised for the students. The purpose of this competition was to inculcate patriotism among the students and keep them connected to their roots. Students sent their videos on different forms of dancing which were meticulously put in a loop to make the final video. It was broadcasted on the official Youtube channel of the college.

SAGA' 21

Kanoria PG Mahila Mahavidyalaya provided its students an opportunity to soak themselves in an ambiance where literature is celebrated, inspiring them to indulge in the creative arts of reading and writing by organising SAGA-a two-day literature festival, ideated by the Department of English. The theme for the fest was based on satire. The third edition of SAGA commenced on 21 December, 2021. During these two days, a variety of events were held that gave a creative platform to the students to explore their latent talent and gave wings to their imagination.

The event started with a solemn opening ceremony, which was not only attended by the students of Kanoria, but also by the visiting colleges. Principal, Dr. Seema Agarwal extended a warm welcome to the distinguished guests. In her address to the gathering, she mentioned that such opportunities must be provided to the young impressionable minds for their holistic development. The chief guest for the occasion was Mr. Sanjoy K Roy, Managing Director of Teamworks Arts, also known for organising the popular JLF- Jaipur Literature Festival. Mr. Sanjoy expressed his gratitude for being invited to one of the finest institutions in the country. Mr. Sanjoy interacted with the students and told them mesmerizing stories revolving around compassion and leadership. He even gave personal anecdotes about his work in JLF, which helped the participants to remain connected with his session. The session ended with Dr. Preeti Sharma proposing the vote of thanks.

Soon after the inaugural, there was a captivating enactment by the students, of the play "Importance of Being Earnest" by Oscar Wilde. This was followed by the roast show, 'No Holds; Barred tussle', which allowed students to engage in a fun satire-laced argument. To enhance creativity, imagination and build confidence, the fashion show, 'Dandy! Are You Fair', was conducted for the students, where they showcased their versatility with the help of characters chosen. "Uproarious-Thou Bespeak", the dialogue competition, gave the students an opportunity to live their favourite characters as they presented an improv of tragic plays. The musical performance by Shrey and his band, a popular artist of the city, was the icing on the cake. With inspired young minds and a renewable love for literature, the first day of the third edition of SAGA came to an edifying and heart-warming end.

On 22 December, 2021, the second day of SAGA began with 'Knocked Ye Brewed Brains' a quiz competition, which tested knowledge of literature among students and familiarized everyone with popular works of English Literature. Poetry is considered the crown of literature. Students explored this facet of English literature through the event 'Abruptly Abrupt', poetry writing competition. This was followed by an enriching session with Mr. Sudeep Sen, an eminent English Poet, and Editor, the chief guest for the valedictory address. He talked about the hard work and struggle that goes into becoming a full-time writer. The vote of thanks for this session was presented by Dr. Charu Goyal.

'Parvaz', the open mic event followed next, where students and guests shared interesting anecdotes and writing pieces that captivated everyone. The audience was enthralled by two musical performances which marked the end of the day.

With these inspiring events, the third edition of SAGA concluded, leaving one and all enraptured in the mesmerizing cascades of creativity and literature.

Kasturi 2022

The college believes that talent pursued in the right direction creates history. Based on this philosophy the institution has been continuously guiding and preparing students to master their talent and increase their potential by organising 'Kasturi'-the youth festival every year. This year the much-awaited Youth Festival of the college, Kasturi 2022, kickstarted on 10 January, 2022. Owing to the resurgence of Covid-19, this year too, the four-day youth festival was conducted online.

As per the tradition, the inaugural programme began with the Saraswati Vandana and a virtual semi-classical dance performance by Ms. Gauravi Sahu of B.A. Part-III. Principal, Dr. Seema Agrawal highlighted the importance of Kasturi as a platform for the students to showcase their talents. She wished that this Youth Festival will induce joy and happiness in the present times of uncertainties.

The chief guest Justice (retd.) Panachand Jain, expressed his happiness that colleges across the nation were enthusiastically participating in the Youth Festival. He put forward his gratitude to the organizers and the participants. He hoped that the fame of the institution shall spread widely and this youth festival will infuse a new spirit among the students.

Dr. Rashmi Chaturvedi, the Director of the College, recited a few lines penned by Dr. Harivansh Rai Bacchan. Through the poem, Dr. Chaturvedi gave a message to the youth, to aim high but be grounded at the same time. She congratulated the organizers and the participants and formally declared Kasturi 2022, open.

This exuberant festival had engaging and interesting intercollegiate events like mimicry, debates, quiz, folk dance, western dance, JAM, singing, parwaaz-open mic, media hunt, and many other in which students participated with zeal and fervour.

The four-day event could successfully break the monotony of the pandemic and brought joy and cheer to both students and the faculty members. The festival saw a good participation in various cultural competitions from college across the state and beyond and gave the opportunity to our students to interact and collaborate with the peer from other college.

SPORTS ACHIEVEMENTS

"Sweat, determination and hard work together turn dreams into reality."

Physical Education is an integral part of the education system. It helps in the attainment of the ultimate aim of education that is the achievement of holistic development. Games and sports play a vital role in the student's life. Sports are about those incredible moments where sheer will and desires overcome the odds. This year also the students of Kanoria PG

Mahila Mahavidyalaya created plenty of such moments worth remembering.
