संपादक की कलम से.....

“कौन कहता है कि सपनों को न आने दे हृदय में।
देखते हैं सब इन्हें अपनी उमर अपने समय में।
किंतु जग के पथ पर यदि स्वप्न दो, तो सत्य दौ सौ।
स्वप्न पर ही मुग्ध मत हो सत्य का भी ज्ञान ले।
पूर्व चलने के बहोही बाट की पहचान कर ले।” (हरिवंश राय बच्चन)

जीवन के स्वर्णिम भविष्य के स्वप्नों को संजोये युवा छात्राएँ, जिस विश्वास से संस्था में प्रवेश लेती है, उनकी आशाओं को पूरा करने के लिए, हम प्रतिबद्ध हैं। वर्तमान की कर्मशीलता या अकर्मण्यता से ही भविष्य की सफलता-असफलता का निर्धारण होता है। जीवन में सफलता के लिए न कोई सहज मार्ग है, ना ही किसी चमत्कार जैसी कल्पना। इसके लिए स्वप्न देखना उपेक्षित है किन्तु, इन्हें पूरा करने के लिए एक मात्र शर्त है-‘परिश्रम’। इस परिश्रम के साथ शिक्षकों का ज्ञान मार्गदर्शन अपरिहार्य है। कक्षा कक्ष से सफल जीवन सिद्धि के बीज अंकुरित किये जा सकते हैं तभी हमारे संकल्प वाक्य ‘आत्म दीपो भव’ ध्येय की परिणति परिलक्षित होती है।

महाविद्यालय की यह पत्रिका साक्ष्य है छात्राओं के स्वप्नों की यथार्थ सिद्धि का! गुरु-शिष्य संबंधों की आत्मीयता का, उनकी कलात्मकता-रचनात्मकता की अभिव्यक्ति का! ज्ञान और कौशल में निष्णात ये व्यक्तित्व, उद्यत हैं विश्वाकाश में तारे रूप आलोकित होने को अपनी प्रतिभा से समाज व राष्ट्र को आलोकित करने को। ज्ञान और कर्म के पंखों से जीवन-गगन नाप लेने को। जग के कठोर सत्य से टकराते हुए, स्वप्नों को साकार कर यह संदेश देने को...

“कूठ भी नहीं असंभव होता,
जब संकल्प किये जाते हैं।
संकल्पों को जब साहस के, सृष्टि चरण दिये जाते हैं....।’

TEACHERS DAY

The vibrant celebration of Teacher's Day on 5th September at Kanoria PG Mahila Mahavidyalaya was an extravaganza of appreciation and festivity. On the 5th of September, the day kicked off with a traditional tilak ceremony and floral greetings, setting the tone for an auspicious start. Adding a unique touch, personalized gifts from a student-founded startup were bestowed upon the esteemed faculty members, infusing the event with a sense of student-driven entrepreneurship and heartfelt gratitude.

As the festivities unfolded, the stage came alive with electrifying dance and musical performances, showcasing the remarkable talent and creativity of our students. The pulsating rhythms and captivating melodies filled the air, creating an atmosphere of joy and celebration.

A highlight of the evening was the College Cine Awards, reminiscent of a grand film fair ceremony. Teachers were called up on stage amidst cheers and applause, as they were honoured with distinctive titles recognizing their dedication and impact. From "Educator Extraordinaire" to "Miss Elegant," each title celebrated the unique qualities and contributions of our beloved educators.

Adding to the excitement, fun and engaging games were interspersed throughout the event, fostering camaraderie and laughter among attendees. From spirited competitions to light-hearted challenges, every moment was infused with joy and camaraderie, strengthening the bonds within our college community.

In conclusion, the celebration of Teacher's Day at Kanoria PG Mahila Mahavidyalaya was a testament to the profound appreciation and admiration we hold for our teachers. Through heartfelt gestures, lively performances, and spirited awards, we expressed our gratitude for their unwavering dedication and guidance. This event not only honoured our teachers but also served as a reminder of the invaluable role they play in shaping our lives and futures.

PARENT - TEACHER MEET

The Parent-Teacher Meet was organized on 16 December 2023, for undergraduate students across all streams for the academic session 2023-24. The primary objective was to discuss the performance of the students in the internal exams held on 28, 29, and 30, November 2023, in accordance with the guidelines set by Rajasthan University. Additionally, parents were briefed on the new semester scheme pattern introduced as per the National Education Policy (NEP), as well as various Skill Enhancement Courses and Value Added Courses offered by the college. Queries from parents regarding their child's performance, class schedules, and general college activities were addressed. Teachers encouraged parents to actively participate in monitoring their child's growth and to motivate them to be more regular and engaged in college activities.

Faculty members engaged in discussions with parents about refining students' skills to make them industry-oriented with a focus on holistic development. Emphasis was placed on increasing student participation in college activities designed for their overall learning. Parents were also informed about upcoming remedial and revision classes scheduled after the winter vacation.

Parents expressed strong support and appreciation for the efforts made by the college in providing this interactive platform for evaluating students' performance. Feedback forms were distributed to parents for statistical analysis. The meet concluded with positive feedback from parents, highlighting a mutual commitment to the overall progress of students.

DEPARTMENT OF HOME SCIENCE

The Department strives to provide opportunities to its students to learn and grow by empowering them with knowledge. To achieve this objective, various activities were organized during the session. An interactive session with Dr. Vandana Garg, Founder, Jijeevisha enlightened the students regarding the importance of breastfeeding for the health and wellness of both, the infant and the mother and by extension the society at large. The session was organized on 5 August 2023 to mark the International Breastfeeding Week (1-7 August 2023) on the theme "Sustaining Futures: Educating our role in Breast Feeding."

To understand the advancements in the field of home décor and interior designing students of B.Sc. -Home Science visited India Interior Expo 2023 on 19 August 2023 at Hotel Clarks Amer, Jaipur. They learned about various types of material used for floorings, roofs, doors and window fittings, electrical fittings, lightings and décor items as effective solutions to modern day housing problems.

National Nutrition Month was celebrated in association with Rajasthan Chapters of IDA and NetProFaN and Amritansh Foundation. A demonstration on 'Microgreens' was conducted by Mr. Anand Mani Shukla, Founder and CEO, Amritansh Foundation. He educated students about material required for microgreen production, step by step process of germination and tray gardening. He also guided students on the career prospects in the field of microgreen farming.

Students were trained in cold technique of tie and dye using various tying methods such as marbling, rolling and fan folding. Resource person for the session was Ms. Anuradha Mathur, Fevicryl certified expert trainer and the session was conducted on 18 October 2023. The session was followed by Mr. Adil from Usha International, who demonstrated the working, care and maintenance of sewing machines equipped with latest technology. He also helped students acquire hands-on experience of various techniques of machine-based embroidery. Around 44 students participated in these activities.

A demonstration on clay, modeling, carpeting and paper craft by Mr. Babulal Bhatt, professional artist and entrepreneur was organized. 25 students learned the basics of these handicraft items which helped them explore their creativity.

During Kasturi -2024 (Inter college youth festival) from 12 - 15 February 2024, an exhibition was organized to showcase the talent of the students of Department of Home Science and Garment Production. Exhibition was formally inaugurated by Shri Vimal Kumar Bhatia, Secretary, Dr. Rashmi Chaturvedi, Director and Dr. Seema Agrawal, Principal. Students, through their work highlighted the technical aspects of the subject. Main exhibits of interest were the toy material and story books developed for early childhood education keeping in mind the various development aspects in early years of a child. Attention was also grabbed by informative IEC material designed and developed by students on relevant issues of health, hygiene and social concern. Computer aided designs and 3D Models of houses designed keeping in mind the principles of interior space design were also appreciated. Students displayed their artwork featuring hand embroidery, screen printing, tie and dye, block printing and dresses designed and stitched by them. The exhibition was highly appreciated by the visitors.

DEPARTMENT OF MATHEMATICS AND STATISTICS

During the academic session of 2023-2024, the Department of Mathematics and Statistics initiated a range of co-curricular activities to enhance the overall development of the students. These activities aimed to provide the students with opportunities to explore and develop their interests and skills beyond their academic curriculum. The activities included workshops, seminars, guest lectures, and competitions related to various fields of mathematics and statistics. Additionally, the department also organized extracurricular events like sports competitions, cultural festivals, and community service programs to promote holistic development among students. These activities helped the students develop their leadership, teamwork, communication, and problem-solving skills, which are essential for their personal and professional growth.

On 31 July 2023, a guest lecture was organized on the topic 'Mathematical Sciences and its role in recent computational algorithms of Artificial Intelligence and Machine Learning'. The lecture was delivered by Dr. Jyoti Thanvi, Assistant Professor at the School of Mathematics, University of Birmingham, Dubai campus. Dr. Thanvi introduced the importance of Mathematics and Statistics in AI and ML and discussed potential career opportunities. Dr. Thanvi suggested the students to read good books that can help them in their academic journey. Dr. Thanvi emphasized the importance of women's empowerment and reminded students that hard work and dedication are key to success. The lecture was attended by 97 students and faculty members.

On September 13, 2023, a debate competition occurred between human intelligence (HI) and artificial intelligence (AI). The topic of the debate was whether AI is superior to HI and whether AI will replace HI in industries such as finance, health, education, agriculture, and space research. The discussion was highly informative and educational, and both sides were well-represented by the students. About 20 students and faculty members attended the event, with 12 students participating in the competition. The winners were awarded by the faculty members.

On 20 September 2023, a PowerPoint presentation was conducted for M.Sc. students on topics related to pure and applied mathematics. The students prepared presentations on dynamics, abstract algebra, linear algebra, operation research, numerical analysis, the theory of relativity, rigid bodies, and even the mystery of Pi. The goal of the event was to help students learn how to prepare a PowerPoint presentation in mathematics, which can be challenging due to the equations involved. Additionally, the event aimed to help students overcome their stage fright. A total of 26 students participated.

On 20 October 2023, a one-day training workshop on the usage of Statistical Package for Social Sciences (SPSS) software was held. The workshop aimed to provide intensive training on the everyday use of SPSS software for data analysis. Professor Jagajeet Prasad Singh, Department of Statistics at IHRM University in Jaipur, was the resource person for the workshop. The participants of the workshop were undergraduate and postgraduate students studying economics, psychology, and statistics, as well as faculty members. During the workshop, the speaker introduced four methods of calculating correlation, namely Karl Pearson, Spearman, Phi, and Kendall's tau 'b'. The session continued with a detailed discussion on the formulation of the hypothesis, application of the t-test, one-way ANOVA, Mann-Whitney test, Wilcoxon test, Kruskal Wallis test, and KMO tests. The workshop concluded with a brief discussion on Factor Analysis. Dr. Seema Agrawal, Principal, Kanoria PG Mahila Mahavidyalaya encouraged the participants to make the best use of the training workshop. The workshop received an

overwhelming response in terms of student and faculty participation. The workshop was attended by 68 students and faculty members, and all the trainees were given certificates upon completion of the workshop.

On 20 November 2023, Intra College Competitions like Quiz, Crosswords, Sudoku, Rubik, Riddles, and Nerdle based on Mathematics and Statistics. This event was conducted for students to select participants for inter-college competitions. A total of 32 students participated in different competitions.

A two-day event was organized in December 2023 to commemorate National Mathematics Day, which celebrates the birth anniversary of the great Indian mathematician Srinivasa Ramanujan. The event began with a ceremonial lighting of the lamp. The aforementioned event was enriched by the presence of the esteemed Principal, who delivered a gracious welcome address. The gathering was graced by the presence of the Chief Guest, Ms. Nidhi Gupta, a distinguished mathematics educator who is affiliated with Maharani Gayatri Devi Girls School as a Post Graduate Teacher (PGT) in Mathematics. Ms. Gupta, being a mathematics teacher herself, engaged the audience with her expertise. Using a chalkboard, she skillfully solved some tricky mathematical problems, showcasing the beauty and intricacies of the subject. The National Mathematics Day inauguration led to a series of engaging events. The first performance, "Pathshala," showcased the creative talents of B.Sc. Part II students and a skit performed by M.Sc. students. The winners of the various competitions were presented with certificates and medals as recognition of their achievements.

DEPARTMENT OF PHYSICS

The Department has steadfastly pursued excellence in education and community engagement throughout the academic year 2023-2024. It is committed to nurturing scientific inquiry, fostering academic growth, and inspiring a spirit of discovery.

On 16 September 2023, a guest lecture on 'Career Prospects and Opportunities in Physics,' was delivered by Dr. Nilanjan Halder, Associate Professor at Manipal University. The lecture provided invaluable insights and guidance to undergraduate and postgraduate students concerning the diverse career opportunities within the field of physics. Dr. Halder illuminated the broad spectrum of career paths available to Physics graduates, emphasizing the versatility and applicability of their skills across various sectors such as academia, research, industry, technology, and government organizations.

To commemorate the birth anniversary of Dr. A.P.J. Abdul Kalam on 14 October 2023, an intercollege Physics quiz and poster making competition with the aim of fostering students' curiosity, promoting the exchange of ideas, and encouraging creative thinking was organized. During this event, students enthusiastically shared speeches outlining Dr. Kalam's life and his contributions to the nation's progress. The theme for the poster making competition was 'Progress in Space Science-Indian Perspective,' with posters evaluated by Dr. Usha Bhatia, Former Head of the Department of Physics, and Dr. Ranjana Agarwal, Vice Principal, Science. The Physics quiz comprised eight teams of five individuals, while the poster making competition featured 14 teams. Approximately 153 faculty members and students from various departments attended the event.

On 28 October 2023, a learning excursion to Uttam (Bharat) Electricals Private Limited, Jaipur, was organized for postgraduate student. A total of 42 M.Sc. Physics students and 2 teaching staff members participated in the visit. The students received explanations and demonstrations on transformer design, manufacturing, and testing from the engineers at the unit.

Presentations were organized for M.Sc. Physics semester III and semester I students on 30-31 October and 11 December 2023, respectively, to challenge and deepen their understanding of the subject matter. This activity facilitated effective communication with the audience, significantly boosting students' confidence by employing various learning modalities.

In collaboration with Regional Council-6, Indian Association of Physics Teachers (IAPT), and sponsored by Electronics India, the Department organized a Working Model Competition on 2 December 2023, to commemorate the birth centenary of the renowned experimentalist Prof. Babulal Saraf. Participants presented a diverse array of working models, showcasing unique applications of Physics principles. Following a rigorous evaluation process, the top three models were awarded prizes of 5000/-, 3000/-, and 2000/- by RC-6 (IAPT), along with certificates of excellence and accolades from the organizers and dignitaries present at the event. Around 80 students registered their active participation in the event. Mrs. Vimla Saraf, wife of Prof. Babulal Saraf, and his son graced the valedictory and award ceremony of the intercollege working model competition as the guests of honour.

The department facilitated students' participation in the National Graduate Physics Examination (NGPE), a prestigious national-level examination conducted to assess students' proficiency in Physics, on 21 January 2024.

Dr. Sarla Sharma

DEPARTMENT OF POLITICAL SCIENCE

The Study of Political Science aims to equip students with the knowledge and skills necessary to engage in civic life, critically analyze political events, and contribute to decision-making as an enlightened and vigilant citizen. Various activities are conducted throughout the academic session to cultivate critical thinking, develop research aptitude, and enhance communication skills among the students.

On 31 July 2023 the Department of Political Science in association with Akashwani, Jaipur, organized an "Extempore". The theme of the competition was "India's G-20 Presidency" 19 students participated in the program they spoke on issues like Climate change, Namaste Diplomacy, Sustainable Development, Women Empowerment, Smart cities, etc. The program was recorded by the Aakashwani team. Mr. Rajendra Singh Dara from Aakashwani and Dr. Palu Joshi from the Department evaluated the Students. The first prize was given to Ms. Deepali Sharma of BA Part II, the second prize was given to Ms. Pragya Somwanshi of BA Hons Part I, and the third prize was given to Ms. Mannat Taneja of BA Part- III. On this occasion, Principal, Dr. Seema Agrawal lauded the efforts of the students. She remarked that it was a proud moment for the College to be conducting such a program with Aakashwani in the G-20 presidency year of India and threw light on the importance of G-20 for India. The

Programme Executive from Aakashwani, Mr. Mohit Sharma appreciated the hard work of the students. The Vote of Thanks was given by Dr. Prerna Singh Lavania.

A Session on Safe Social Media And Digital Payment Campaign was held on 21 August 2023 and 25 August 2023 It was organized by the Teaching Learning Center of Kanoria College, under the aegis of Dr. CBS Cyber Foundation, Jaipur, in collaboration with Central Detective Training Institute, Jaipur. In the first session Dr. CB Sharma (Retired, IPS), enlightened the students about the basic concepts of cyber security, like the meaning of Cyber Crime, the principle on which a computer works, various 'permissions' of social media apps, and how cybercrimes commonly take place. CENTRE FOR GENDER STUDIES

Gender Studies is an interdisciplinary field that focuses on the complex interaction of gender with other identity markers such as race, ethnicity, sexuality, nation, and religion. The First activity organised by the Centre was a guest lecture on "Global Issues: Gender Equality and Women Empowerment" on 13 September 2023. The guest speaker for the session was Madam Lad Kumari Jain Retd. Professor, President Women Commission, Jaipur.

The session began by focusing on the difference between gender and sex and how sex is a biological phenomenon, but gender is a psychological and sociological phenomena. She discussed Gender Equality, where both men and women have equal opportunities to benefit from and contribute to economic, social, cultural, and political development, enjoy socially valued resources and rewards, and realize their human rights.

Prof Lad Kumari also threw light on Gender biases prevalent in society and elaborated how women are considered "Second World" from the very beginning of the civilization of mankind and are treated inferior to men in every aspect and, over the years, how they were deliberately devoid of opportunities to learn and excel in their life.

In the session, Director Dr Rashmi Chaturvedi also guided students about gender bias and the relevance of gender equality and the rights of women. She emphasized on promoting gender equality and advancing the status of women, which are vital to achieving developmental objectives. She also emphasized on Inclusive Growth by strengthening and increasing women's voices in decision-making, leadership and sciences. One hundred thirty students from the college attended the session were enlightened by this thought-provoking discussion.

Next in line was an awareness session and survey on the topic of Gender Biases in Mahatma Gandhi Govt. School Someshwarpuri, Jaipur on 30 September, 2023. The objective of the session was to know the mindset of students and bring awareness about gender bias that is prevalent in society. For this, an open talk session was organised by the Centre where students shared their experiences about the biases they faced in their day-to-day lives. Later, the survey was also conducted by

volunteers of the Centre, in which approximately 150 students participated enthusiastically. The session was conducted by Dr. Sweety Mathur and Ms Damyanti Sodha.

The third activity of the Centre was Poster Making Competition on the occasion of International Girl Child Day, 11 October 2023. The primary aim behind this event was to raise voices for girls and stand up for their rights. The theme for the Competition was "Digital Generation, Our Generation, Our Time is Now – Our Rights, Our Future," based on the theme of UNICEF this year. The International Day of the Girl Child focuses attention on the need to address the challenges girls face and to promote girls' empowerment and the fulfillment of their human rights.

An overwhelming response was received from the students, and 39 students participated and submitted their posters.

The winners were Rishika Agarwal B.Sc Part 3 on I position, Siddhi Jain, M.Sc.Chemistry Sem 3 on II Position and Priya Sharma M.Sc Chemistry Sem 3 on III Position. Consolation Prizes were secured by Mahak BBA Part 1, Sakshi Tanwar BBA Part 2. Bhumika Sharma BBA Part 1, Aastha kaushik B.A.Hons.Part 1 and Sanjeeta Chaurasia BBA Part 3

The event was judged by Dr.Sarika Kaul, HoD Dept of Drawing and Painting.

The fourth activity was a visit to the Indian Women Impact NGO run by Anastassiya Savchenko at Sitaram Kachhi Basti Triveni Jaipur, which was organised on 19 November 2023 by the Centre for Gender Studies. The objective behind the visit was to inform the children through that kachhi basti about Gender bias and Gender roles in society. The session was carried out by Dr.Sweety Mathur, Dr.Damyanti Sodha, and Dr.Sakshi Sharma, along with students of the college from all streams.

The interaction was focused on the awareness of the role of genders in society and their impact on the lives of people. The students at the NGO were well aware of Gender roles and biases and were quite vocal about the issue and discussed how individuals and society as a whole could contribute to bringing change towards Gender roles and the biases prevalent among all sections of society. They shared their real-life experiences about biases prevalent in their home, school, and society. An open discussion forum was later introduced to suggest how to reduce this gender bias, where students turned up with various thought-provoking ideas and suggestions spanning day-to-day efforts required to bring change in people's thinking via workshops, nukkad natak, awareness camps, etc. Discussing how change begins from home. How at the school level, a change in thinking is required and how the government needs to put serious efforts towards this issue. A total of 50 students participated enthusiastically in the session.

The last activity organized by the Centre was a group discussion and group activity on the topic "Gender Inequality and Discrimination in India" on 21 December 2023. The speaker for the session Dr. Renuka Pamecha, Ret. Professor Department of Political Science Kanoria PG Mahila Mahavidyalaya, Jaipur, President at Vividha, Secretary of Mahila Punarvas samuh samiti and Convener of Mahila Salah Suraksha Kendra. She focussed on the rights written in the Preamble, like gender independence, right to live, equity, equality, and justice. She discussed amended women's rights with students and sensitized them with various group activities. She also made the students aware of different types of violence at different places against women. She talked about CEDAW, i.e., Convention, Elimination, and Discrimination against women, and motivated them to establish themselves as citizens of India irrespective of gender. Sixty-one students enthusiastically participated in the group activities.

NARIKA INCUBATION CENTRE

NARIKA Incubation Centre was established with the aim of hand-holding promising start-ups and guiding them to a path of sustainable growth. Keeping the aim in mind, every year, a Digital Ideathon is conducted to invite innovative ideas from women entrepreneurs. This year, 13 new start-ups have been enrolled in NARIKA in its second cohort, Navodhyma -2.

NARIKA also organizes Wednesday Mela to give these entrepreneurs a platform to showcase their products or services to college students and faculty members. This also helps them to receive suggestions and feedback to improve before scaling up their start-up.

TEACHING-LEARNING CENTRE

Teaching Learning Centre works on the continuous promotion of new pedagogical practices, methodology of forming discipline, and creation of new learning materials to be used by teachers to enhance the quality of education in our institute. With this objective in mind, a series of activities were conducted by TLC in the college.

To promote an academic and intellectual working environment, a seven-day in-house faculty development program from 1-7 July 2023 on " Holistic Approach towards teaching " was organised for the faculties of the college. Eminent academicians like Prof ND Mathur, Prof Rajul Bhargava, Dr. Harshita Pareek, Dr. Sanjay Arora, Ms. Joochi Chaturvedi, and Prof.Ruchi Goyal delivered lectures on various relevant topics.

TLC, in collaboration with Central Detective Training Institute (CDTI) and Dr CBS Foundation, initiated a one-month campaign from 12 July 2023 on "Safe Social Media & Digital Payment" to generate awareness among staff members and youth, particularly among girls who are using social media platforms, and various applications for making digital payments.

1100 students benefitted from the informative and interactive sessions.

With the view to enhance financial literacy, a session on "Savings and Investments " was organised on 23 Dec 2023 for non-teaching staff members by Mr. Avinash Tiwari, Regional head of the Nippon Asset Management company. The session enlightened the staff members on the need and objectives of Savings and investments with details of various investment Instruments like SIP, Insurance, Gold Bonds, Mutual funds, Etc. The session was very informative and interactive.

ENTREPRENEURSHIP CLUB

The club endeavors to foster the seeds of entrepreneurship and self-employment among its students, cultivating core business skills, and facilitating the transformation of hobbies and innovative ideas into viable business ventures. Through interactions with successful entrepreneurs, the club provides students with exposure to the business world.

In the current academic session, the club organized various activities aimed at nurturing entrepreneurial spirit among the students. The session commenced with a Chat Show titled 'Startup Sparks: First Step Towards Entrepreneurial Journey,' held on 13 September 2023. Dr. Priyanka Khurana and Dr. Vishnu Priya Temani engaged in a discussion with the main speaker, Mr. Preet Jain, Founder of Swadeshi Farm, a renowned startup. Mr. Jain shared his experiences, motivating and inspiring students to embark on successful entrepreneurial journeys. He emphasized the role of adversity in uncovering opportunities within startup ventures. The Principal, Dr. Seema Agrawal, also shared her insights during the chat show, highlighting the importance

of entrepreneurship and encouraging students to utilize college resources for their holistic development.

Furthermore, in collaboration with the Centre for Entrepreneurship and Skill Development, University of Rajasthan, the Entrepreneurship Club organized a One-Day Seminar on 'Opportunities for Entrepreneurs in India: Psychology of Winning' on 4 October 2023. The seminar aimed to inspire and educate students about entrepreneurial opportunities in India and enhance their understanding of the psychology of winning. Esteemed guests, including Prof. Anurag Sharma and Mr. EV Gireesh, shared valuable insights, encouraging students to prioritize entrepreneurship. The seminar concluded with a focus on developing a growth mindset and embracing innovation. Dr. Priyanka Khurana delivered the vote of thanks. The session was attended by around 165 students from various streams.

Additionally, the Entrepreneurship Club, along with the Sukriti - Art and Craft Club, conducted a 7-Day workshop on 'Handmade Business Ideas' from 4 to 11 October 2023. The workshop, inaugurated by Dr. Seema Agrawal, featured sessions led by college alumni and students, covering various aspects of handmade business ventures. Day 1 featured college alumna Mrs. Shikha Khandelwal demonstrating the art of making Diwali décor like bandanwars, tea-light holders, diya thali and baskets using organic materials. Ms. Kumkum Agarwal trained the students in the skill of paper mache using MDF sheets and acrylic colours on day 2. The session on the third day, conducted by Ms. Lavina Lalwani focused on professional make-up skills.

On Day 4, Ms. Ritika Kumari, Assistant Professor, Department of Drawing and Painting, taught students the art of creating Raisin Art products. On Day 5, students engaged in a Handmade Paper Art and Cake Making session. They learned about packaging art and how to present various products attractively in gift hampers. Handmade Paper Art was demonstrated by Yashika Saboo, a B.Com student, while cake making was led by Priyanshi Jain, a college alumna.

Day 6 featured another demonstration by college alumna, Khushi Chhabra, who taught students the process of making chocolates, including flavored varieties like almond, strawberry, and crackers chocolate. The final day of the workshop focused on 'Social Media Marketing skills,' led by BBA students, Gungun Mangnani and Khushi Gupta. They imparted basic techniques of photography, video, and reel making, emphasizing the importance of promoting products on social media platforms. The workshop attracted enthusiastic participation from around 145 students across different streams, providing them with valuable learning experiences.

Moreover, "Kanoria's Fiesta 2023," a three-day event jointly organized by the Entrepreneurship Club, Sukriti - Art and Craft Club, and Centre for Entrepreneurship Development, was held from 30 October 2023 to 1 November 2023. The event showcased the entrepreneurial and creative talents of college students through various exhibits and stalls. Selfie points were set up and the students were encouraged in their entrepreneurial pursuits through daily recognition of the best stall as 'stall of the day'.

PUBLIC SPEAKING AND THEATRE CLUB

The Public Speaking and Theater Club at Kanoria College is dedicated to the continuous enhancement of students' oratory and performative prowess. Through a meticulously curated series of events and workshops, the club endeavors to cultivate a culture of eloquence, confidence, and artistic expression among its members.

One of the hallmark events orchestrated by the club was the Nukkad Natak performance during the college's Orientation day, held on 16-18 August 2023. This immersive theatrical experience served not only to entertain but also to enlighten incoming students about the prevailing norms and rules of the college. The vibrant portrayal of everyday scenarios resonated deeply with the audience, effectively instilling a sense of belonging and familiarity among the newcomers.

Following this, an invigorating 'ice-breaking' session was convened on 23 August 2023, which witnessed the enthusiastic participation of over 70 students. Designed to foster camaraderie and confidence, this session featured a diverse array of interactive activities and group exercises, serving as a platform for students to break barriers, forge connections, and unleash their latent potential.

Continuing the trajectory of skill development, a comprehensive three-day anchoring workshop was meticulously curated from 14-16 September 2023. Guided by the seasoned expertise of Ms. Madhu Gudlani, a distinguished communication and soft skills trainer, the workshop attracted an attendance of 93 students. Through a blend of theoretical insights and practical exercises, participants were equipped with the tools and techniques essential for effective public speaking and hosting.

Subsequently, the club facilitated a five-day Nukkad Natak workshop under the tutelage of renowned theater artist Ms. Janice Hashmi, held from 2-6 October 2023. This intensive workshop provided 30 attending students with a unique opportunity to delve into the nuances of dramatic storytelling, character development, and stagecraft, thereby honing their theatrical acumen to a fine art.

The pinnacle of the club's endeavors culminated in a ten-day theater workshop led by Mr. Harshawardhan Chaturvedi, held from 10-19 December 2023. Drawing upon his wealth of experience and expertise, Mr. Chaturvedi guided 41 students through an immersive journey of self-discovery and artistic exploration. The workshop served as a crucible for creativity, allowing participants to experiment with various dramatic techniques and genres, ultimately culminating in captivating performances showcased at SAGA, the college's esteemed annual literature festival.

Demonstrating the fruits of their labor, the Nukkad Natak team showcased their talents during the Namo Nav Yuva Matdata Sammelan on 25 January 2024. Their stellar performances were further underscored by their outstanding achievements in prestigious competitions, including securing the First Position at events hosted by esteemed institutions such as Taxila Business School, Poddar Business School, and Dr. B. Lal Institute of Biotechnology. Additionally, they garnered the Second Position at the highly competitive Jaipuria Nukkad Natak Competition and emerged victorious at the esteemed competition organized by Jawahar Kala Kendra, Jaipur, thereby solidifying their reputation as ambassadors of excellence and artistic ingenuity.

In essence, the Public Speaking and Theater Club at Kanoria College stands as a beacon of artistic excellence, nurturing the next generation of orators, performers, and storytellers. Through its unwavering commitment to fostering talent and nurturing creativity, the club continues to inspire and empower students to explore the boundless realms of expressive artistry and communicative prowess.

RED RIBBON CLUB

The Red Ribbon Club aims at creating awareness on HIV-AIDS, sensitizing people towards the disease, patient's stigma and discrimination with STIs. This year club organized 'The Red Show' Drama competition on 7 October 2023 where 10 teams presented skits to spread awareness on HIV-AIDS helpline and government policies. The winner team was qualified for State Level Drama Competition held at Subodh PG Girls College, Sanganer on 20 December 2023 where they secured the second position. Between 22-25 November 2023, the RRC unit organized a meaningful social initiative called the 'Sanitary Pads Distribution Program'. The main aim of this program was to provide sanitary pads to marginalized, economically weaker, and underprivileged women. 500 sanitary pads were distributed as part of this initiative. On 30 November 2023 a blood donation camp and World AIDS Day program were organized jointly by Kanoria PG Mahila Mahavidyalaya's NSS and RRC unit, HDFC Bank,

Parivartan Sanstha Jaipur, and Suman Blood Bank. The objective was to serve society through blood donation and spread awareness among students about the importance of blood donation. On the same occasion, Red Ribbon Club conducted various competitions among the youth, such as poster-making, painting, face-painting, and rangoli competitions to spread awareness on HIV/AIDS. On 1 December 2023, which is observed as World AIDS Day, adhering to this year's theme 'Let Communities Lead', the volunteers organized a powerful and symbolic event by forming a human chain in the college premises. The initiative aimed to emphasize the importance of solidarity in the fight against HIV/AIDS. The human chain, comprised of dedicated volunteers, spread across the college grounds, creating a visual representation of unity and support. The participants fastened red ribbons, symbolizing awareness and support for those affected by HIV/AIDS. Volunteers also created short videos (reels) to spread the message in an innovative way. On National Girl Child Day, 24 January, 2023, a team of 11 students participated and won the District Level Nukkad Natak competition on the theme 'Beti Bachao, Beti Padhao' held at Subodh Girls PG College, Sanganer.

SUKRITI-ART & CRAFT CLUB

The club had a dynamic and creative year during the session, providing students with a vibrant platform to explore their creativity, develop artistic skills, and share their passion for art and craft.

The session commenced with a "Rakhi-Making Workshop" on 12 August 2023. Ms. Khushi Bansal, a specialist in decorative items, and Ms. Akansha Goyal, an alumna, guided students in creating various rakhis and rakhi-related decorative items, encouraging the crafting of handmade rakhis with threads, stars, mirrors, pearls, and flowers. Resin Rakhi-Art was also demonstrated to the students. Forty-three students participated in the workshop. The aim of the workshop was to identify and enhance the creativity and artistic skills of the students and motivate them to use handmade rakhis on Raksha-Bandhan.

To celebrate the occasion of Rakhi and foster creativity, the club organized a Rakhi-Exhibition cum Sale from 23 to 25 August 2023. Principal Dr. Seema Agrawal inaugurated the exhibition, where 40 students showcased their handmade products. The exhibition also provided a platform for the practical application of theoretical knowledge. The best stall of the day was selected based on their handmade products, creativity, and presentation. The winners of the respective dates were Gaurangi, B.Sc. Part-II (Home Science), Yashika Saboo, B.com Part-III, and Divisha Gupta BCA Part-I.

The club also collaborated with RUWA on a joint art project, where a student of the club, Harpreet Kaur, trained underprivileged women in making paper bags and envelopes. Additionally, mehndi programs were organized for teachers on Teej and Karva Chauth.

A '7-day workshop on Handmade Business Ideas' from 4 to 11 October 2023, led by experienced artists and craftsmen, featured sessions on Diwali décor, paper mache, professional makeup skills, raisin art, handmade paper art, cake making, and social media marketing skills. The workshop was conducted by college alumni Mrs. Shikha Khandelwal, Ms. Kumkum Agarwal, Ms. Laveena Lalwani, Ms. Priyanshi Jain, and Ms. Khushi Chabra, and students Yashika Saboo, Gungun, and Khushi. WELLNESS CLUB

Kanoria PG Mahila Mahavidyalaya nurtures a conviction that strong and healthy women are the foundation of any healthy community. As individuals look for wellbeing as a way of life, the concept of wellness clubs is progressively becoming more and more popular throughout the world. As a result, the college's Wellness Club provides comprehensive assistance for the welfare of both staff and students.

The theme for this year's activities of the club was "Holistic Wellness of Mind and Body". The activities of the club were planned keeping in consideration the given theme. Firstly, the club organized a special lecture on the topic "Importance of Diet for the College Students" on 6 September 2023. The speaker on the occasion was Dr. Richa Chaturvedi, Head, Department of Home Science and Secretary, the Indian Dietetics Association (Rajasthan Chapter). Dr. Chaturvedi informed the students that day to day ailments like headaches, nausea, fatigue are caused by poor nutrition among students. Therefore, it was necessary for them to have a balanced diet. She explained the concept of a healthy plate to the students so that they could improve their diet. She also inspired the students to make informed and healthy choices in snacks also. A healthy diet would help the students to perform well in academics and actual life.

In collaboration with the Heartfulness Education Trust, Sri Ramchandra Mission, the Club organized the annual Heartfulness Essay Event 2023. For this, essays on the following topics were invited from the students: in the first category for students aged 14-18 years, the topic was "The Earth does not belongs to us; we belong to the Earth/ पृथ्वी हमारी नहीं है; हम पृथ्वी के हैं" and in the second category for students aged 19-25 years the topic was "Technology helps us in preserving information. Generational connection helps us in preserving Wisdom/प्रौद्योगिकी हमें जानकारी संरक्षित करने में मदद करती है। पीढ़ीगत संबंध हमें बुद्धि को संरक्षित करने में मदद करता है". The competition lasted from 18-30 September 2023. The students uploaded their entries in Hindi/ English directly at the website of Heartfulness Education Trust, Sri Ramchandra Mission. A total number of 80 students of different streams and classes participated in the competition. All the students who participated in the competition received a Certificate of Participation from the Trust.

Next, the Club organized a session on the topic "Joyride Life" on 1 November 2023. The objective of the session was to bring consciousness about our karmas and how to cope up with anxiety. It also talked about bringing change in one's destiny with enlightenment. The Speaker was Dr. Chandra Harish, (retired Director of Human Development Institute). In the session, words benefitting the detoxification of the body which included exhaling words like WOW, KYA BAAT HAI, YOYO etc were practiced. Dr. Chandra talked about being healthy and wealthy by bringing a cognitive change, correcting our Hastinapur and by living Gita. Dr. Chandra introduced the concepts of Bhakti Yog, Gyan Yog and Karma Yoga to students. Nearly 100 students and 50 faculty members participated in the program.

The Wellness Club of the college commemorated the International Mind- Body Wellness Day on 03 January 2024. On this occasion, Mediation Instructors from Sahaja Yoga Foundation, Jaipur, Ms. Hema Garg and Mr. Ashok Garg along with Dr. Hemant Meena, Assistant Professor from MNIT, Jaipur, conducted an interactive session with the students. ALUMNAE ASSOCIATION "SANSTHA" ACTIVITIES

The Kanoria Girls College Alumnae Association "Sanstha" serves as a platform to foster enduring connections among alumnae, facilitating the exchange of academic and professional excellence through various programs and initiatives.

Dr. Nirmala Sevani, our own alumna and wellness guru, led one such program, "De Stress Meditation: A Breakaway from Anxiety and Stress," which took place on 2 March 2023. The alumni association planned this event with the goal of introducing students to meditation as a stress-reduction technique.

On the momentous occasion of the 59th Foundation Day of Kanoria PG Mahila Mahavidyalaya, a special program was organized. It featured highlights from the college's illustrious 58-year history, with alumnae sharing cherished memories. President of the association, Sadhana Garg, addressed students, emphasizing the importance of environmental awareness, particularly regarding single-use plastic, and raising awareness about mental health issues in contemporary society. Distinguished alumnae, including Dr. Rita Mathur, Dr. Nirmala Sevani, Dr. Archana Shrivastava, Prof. Sumita Kachava, Sushila Sharma, and Monila Khatri, recounted their experiences and insights with a special e-message from renowned alumni and international gold-medalist Indian discus thrower Padamshree Dr. Krishna Poonia. Additionally, Ms. Simran Sharma alumna Meera Saxena enthralled attendees with a captivating dance performance. Principal Dr. Seema Agarwal, Secretary of the College Management Committee Shri Vimal Kumar Bhatia, and other distinguished faculty members graced the occasion, which drew a sizable and animated student audience.

The Alumnae Association and the Dopamine Foundation inked a memorandum of understanding to establish a helpline named "Hum Hai Na" on 20 October 2023, marking a momentous occasion in the association's history. The helpline runs around-the-clock with the support of dedicated professionals like Raghav Shah, Dr. Mridul Gehlot, and Dr. Sheenu Jhanwar to support people going through depression and increase awareness of mental health issues. Dr. Rajeev Bagarhatta, Principal of SMS Medical College, and Dr. Sudhir Bhandari, Vice Chancellor of RUHS, supported the initiative with his insights.

The alumni association honored several prominent alumni for their contributions to their fields by featuring them on the association's official Facebook and Instagram pages as "Alumnae of the Month." These alumni included Garima Bhatnagar (IPS, Batch 1986), Sadhana Garg (Social Entrepreneur, Batch 1976), Richa Mahendra, Nutan Pilonia (Batch 1982), Dr. Rima Hooja (Archaeologist and Director, Maharaja Sawai Man Singh Museum, Batch 1976), Prerna Shrimali (Reputable Kathak Dancer, Batch 1978), Dr. Lata Suresh (Head of Knowledge Resource Center and Corporate Communications at Indian Institute of Corporate Affairs, Batch 1993), and Jasmine Rai (Student Counsellor, Kean University, Batch 1976).

Furthermore, alumna Ambika Manatwal's generous donation of Rs. 51,000 to the association underscores the spirit of giving back to the alma mater.

Alumnae actively participate in various college activities, further strengthening their bond with the institution and contributing to its growth and development.

TEXTUALITY OF SEXUALITY

A Three day discussion and Expression on " The Textuality of Sexuality" was organized jointly by the Department of Sociology and Public Administration from 21-23 September 2023. The purpose of the event was to highlight the various aspects of gender and sexuality, from social to legal and from political to literary. It focused on making the students aware about gender and sexuality and to sensitize them to accept different kinds of sexual orientations.

The first day of the event 21 September 2023 began with a Thematic introduction of what exactly is meant by the textuality of sexuality, gender from sociological perspective was elaborated in the presentation. The students enacted a skit wherein they depicted different kinds of sexualities and their acceptance in the society, 18 students from the department participated in this theatrical performance. Prof.(ret) Asha Kausik from University of Rajasthan and Dr. Sujata Tewatia, University of Delhi were the guest speakers for the day. Prof. Kausik in her talk explained what gender is and how it is socially and politically constructed. She also highlighted the role of gender stereotyping in reinstating the gendered division within the society. Dr. Sujata in her speech gave the history of literary depiction of gender and sexuality in both English and Hindi literature. She gave examples of various women authors like Virginia Wolfe, Ismat Chughtai and Amrita Pritam who were revolutionary in their approach to depict sexuality in their works and how they were criticized by the society at that time for doing so.

The Second day 22 September 2023 began with a documentary of Gouri Sawant, "Life of a Transgender", a transgender social activist who has proven to be an extraordinary example of bringing a change in the society. The students also displayed posters on the theme, " Expressing Sexuality" where they displayed different aspects of sexuality. The resource person for the second day were Adv. Shweta Pareek, practicing lawyer at Rajasthan High Court, and Dr. Amithy Jasrotia, Associate Professor, Department of Sociology, University of Rajasthan. Adv. Shweta in her talk on "Legality of Sexuality " discussed the laws under the IPC which discusses the identity rights and anti-discriminatory laws for those who do not identify themselves in the binary division of gender. Dr. Jasrotia in her presentation on "The Sociology of Sexuality " highlighted how sociology of sexuality has also undergone change, from structural perspective to later feminist and now talks of inclusiveness within the society in contemporary times.

Day three of the event began with an Academic discourse on "The Takeaways of Understanding Sexuality ", which was organized just for the faculty members of the college. Dr. Rashmi Chaturvedi, Director, Kanoria PG Mahila Mahavidyalaya, was the guest speaker for the session. She in an open discussion pinpointed the role of academicians in not only understanding sexuality but also of how to create acceptability of different sexual orientations in the society. The event in which more than a hundred students of the department participated was concluded by showcasing the movie, "Mirch Masala", which highlighted the gender biases predominant in Indian Society.

SAGA

The Department of English, Kanoria PG Mahila Mahavidyalaya organized a two-day Annual English Literary event, SAGA on 20 and 21 December 2023. The theme of the fest was Science Fiction. The fest began with a thought-provoking play which was directed by Mr. Harsh Vardhan Chaturvedi, a renowned theatre artist. The play revolved around the pros and cons of scientific advancement in society on a day-to-day basis which was depicted through a humorous plot where Akbar and Birbal travelled forth to the 21st century.

The Principal, Dr. Seema Agrawal inaugurated the event. Dr. Preeti Sharma, Organizing Secretary, UG Head, Department of English shared about her journey with Saga series since 2019 and how it flourished as a medium to explore literature with unique themes each year. The unveiling of the saga brochure was done onstage by the respective guests, the department members, the principal and the director, followed by an address speech by Dr. Goutam Sen, Cardiothoracic Surgeon, the Guest of Honour for SAGA'23.

The events for the day included a debate, a newspaper presentation, and an open mic poetry recitation, respectively. The title of the debate was 'Science Fiction: Dystopia or Utopia'. The winners of the competition were: Mitsu Choudhary, Rajasthan School of Law, Women (first position), Saniya Jameel, Kanoria PG Mahila Mahavidyalaya (second position), and Rishika Agrawal, Kanoria PG Mahila Mahavidyalaya (third position).

A creative activity 'Newspaper 50 Years From Now' was organized where the participants designed a newspaper fifty years ahead in time, using their creativity to come up with headlines that may be relevant in the coming decades. The winner of this event was Avani Singh, Kanoria PG Mahila Mahavidyalaya.

Next in line was Parwaaz- an open mic event where participants came onstage to showcase the audience with their original work of poetry in Hindi and English languages. The winners for this event were: Akshay Sharma, University of Rajasthan (first position), Muskan Awasthi, Kanoria PG Mahila Mahavidyalaya (second position), Disha Khandelwal, Maharani College (third position), followed by consolation prizes given to Kiran Jangid (Maharani College), and H. Harish Kumar (Maharaja College). After the prize distribution for the last event of the day, Dr. Preeti Sharma gave the vote of thanks, thus concluding the first day of the fest.

The second day kicked off with the exciting and intellectual event of Quiz called The Infinity Trials. Diverse questions were asked on the topics of Star Wars, Avengers, Stranger Things and many more. The event comprised of three rounds for the respective five teams, at the end of which the results were announced as follows: Team Chromo Explorer, first position (Maharani College), followed by team Quantum Score, second position (Rajasthan University Law College) and lastly, team Nebula Navigators, third position (Kanoria PG Mahila Mahavidyalaya).

The fest continued with the adventurous and thrilling event of treasure hunt titled, Far Space Expedition. It consisted of four teams in total. For this, two members from each respective team were called upon the stage and given riddles to solve and look for the clues all the over the campus in search for their treasure. The winning team included: Muskan Sharma, Arohi, Tanishka Singh and Soumya Singh (Rajasthan School of Law for Women).

Next in line was Book Cover designing called the Visual Vortex. For this enchanting activity the participants were required to present their prepared pieces of artwork based on the given prompts onstage. The prize winners for the same were: Bhumija Chaudhary, first position (Kanoria PG Mahila Mahavidyalaya), Aastha Kaushik, second position (Kanoria PG Mahila Mahavidyalaya) and Satvik Soni, third position (IIHM International Institute of Hotel Management).

This was auspiciously followed by the most awaited valedictory ceremony, whereupon the esteemed chief guest was Dr. Rajeev Bagarhatta, cardiologist and principal SMS Medical College, Jaipur delivered the valedictory address discussing with the students the inevitable presence of an element of fiction in both fictional as well as non-fictional pieces of work. Further exemplifying his own book titled- Well Played, From Here to Eternity! he enlightened everyone of how writing science fiction is the most challenging aspect of writing as a whole.

The presidential address was delivered by the Director of Kanoria PG Mahila Mahavidyalaya, Dr. Rashmi Chaturvedi who humbly elucidated the origin of the word Fiction from the Latin word 'fictio' meaning imagination. She further thanked the chief guest Dr. Rajeev for his valuable time and presence.

The prize of the poster making competition conducted during the International Conference on William Shakespeare was awarded to Namrata Meena of Kanoria PG Mahila Mahavidyalaya.

For the last event of writing challenge- Penning Parallelisms, the participants were given two minutes to tell the main aspects of their story, which they wrote prior to the commencement of the competition, on the basis of prompts they chose for themselves by rolling a dice. The compelling stories were written on diversified facets of sci-fi like AI, time travelling, evil scientists etc. The winners for the event were - Anusha Gour, first position (Kanoria PG Mahila Mahavidyalaya), Trishita Mukherjee, second position (Stani Memorial College) and Chanchal Khichar, third position (Rajasthan College)

The concluding remarks were thereby given by the Vice Principal of Arts Faculty, Dr. Manisha Mathur who thanked the esteemed chief guest for gracing the event. She also congratulated all the participants and winners for their contribution and presence.

Through the Vote of Thanks, Dr. Preeti Sharma (UG Head, Department of English) took the opportune moment to express her sincerest gratitude and appreciation towards the Chief guest, the Guest of honour, Director ma'am, Principal ma'am, Vice-principal ma'am, the administration, the department members, the organizing team, the sponsor of the event- ambassador of the Suchik brand, participants and all the student volunteers.

The event ended with amped up musical performances by various musicians including Vishakha Khandelwal (Kanoria PG Mahila Mahavidyalaya) and the Wetilaw band. The performances were truly mesmerizing, enrapturing all in their melodious web, with the audience up on their feet and swaying.

The fifth edition of Saga concluded successfully with enthusiastic participation of approximately 350 young literatis and unrelenting department cooperation by Dr Swatti Dhanwni (PG Head), Dr Preeti Sharma (UG Head), Ms Rishita Sharma, Ms Bhavya Bharadwaj, and Ms Aditi Pankaj.

बारिश में लगाना है कि तुम्हारी यादें बरफा रही हैं।
तुम्हें दिल से तो मेरी हर छद्मकृत तुम्हें समझती है रकी है।
मेरे हर लगान से नमदा तक सिर्फ तुम हो।
मिस्त्र तो मेरा है पर हाथ मेरी कद तुम हो।
मेरे इन सँप ठसिन लम्हों में बहकना चाहती हूँ।
मेरे नाम की खुरशू वनके हर गली हर मोड़ले में बहकना चाहती हूँ।
मेरी कलम के ख्याल सिर्फ तुम्हें लिखती हैं।
मेरी ठीक तुम्हारी चाहत है।
मेरी आँसु के कलम पे भी सिर्फ तुम्हारी छत्र लिखती हैं।
मेरी तुम्हारी ही मेरा कलम है।
कौड़ी किसिया नहीं तुम मेरी मिदगी का,
मेरी तो मिदगी ही तुम्हारी गुस्मन्ना है।
मेरी याद है।
तो तुम मेरी आँसु का विलसा हो।

NEW GENERATION OF YOUNG VOTERS

In the vast expanse of India's democracy, there has been a fresh wave of young voters. This new generation, vibrant and bold, steps forth to exercise its right and claim its responsibility of democracy's evolution.

In every election, voters' decisions are cast in the hands of these youngsters, and now, a generation, fresh and eager, steps forth to participate in this sacred duty with the right to vote, a power entrusted in their hands. The future is theirs.

Some say the days of youth's vigor are a mere memory, but in the eyes of these young voters, they are a reality. In the fabric of democracy, woven with social media's vibrant hues, they engage, they discuss, they vote. Their voice matters.

Their voices rise, and through various means from the pages of their newspapers to the glowing screens of their smartphones, they express their views on the issues that matter. They are not just voters; they are active citizens, shaping the future of their country.

Let us welcome this new generation, for embracing their vigor and passion is the key to a brighter, more just, and more equitable future. Let us empower them, for their voices are the heartbeat of our nation's progress.

Self Destruction

It doesn't always look like self-destruction.
It could be a slow burn, a quiet war.
It could be a sudden explosion, a fire that starts in the heart and spreads to the rest of the soul.

It could be a person who is always smiling, but their eyes tell a different story.
It could be a person who is always saying "I'm fine," but their actions speak a different language.

It could be a person who is always saying "I love you," but their words are just a mask to hide their pain.
It could be a person who is always saying "I'm sorry," but their actions show that they don't really care.

Self-destruction is a complex thing, and it can happen to anyone. It can be a result of many different things, like stress, anxiety, or depression. But whatever the cause, self-destruction is a dangerous path, and it can lead to a lot of pain and suffering.

If you or someone you know is struggling with self-destruction, please reach out for help. There are people who care, and there are resources available to help you get through this dark time.

THE PRESENCE

Graced by your presence, I get on my quest
Dipping in the mystical water,
Feeling like a butterfly, light,
Flying to the heights of the stars,
With love, devotion, intelligence, fidelity,
And what not my heart holds,
But what not my eyes see. I am drained
By your presence, by your smile,
By your touch, by your voice,
By your love, by your grace,
By your faith, by your hope,
By your strength, by your power,
By your wisdom, by your insight,

Tours

JAIPUR TO GOA

The college organized a six-day educational tour to Goa from 28 October-2 November 2023. Sixty students accompanied by two teaching, two non-teaching staff, and two Travel 12 Go personnel, embarked on this enriching journey.

On the first day at Goa, the students experienced water sports like banana rides, bumper rides, boat rides, jet skiing, parasailing, and sunset at Baga Beach. The students indulged in a shopping excursion and then relished a pool party.

The next day began with visits to Fort Aguada, Coco Beach, and Sinquerim Beach, Vagator Beach and Anjuna Beach. At Fort Aguada, students acquired knowledge about Portuguese architecture. On Coco Beach, students enjoyed the Dolphin ride and the scenic beauty of the Sinquerim Beach framed with green hills and rocky formations.

On the last day, the group visited the renowned Dona Paula Beach, Mangeshi Temple (which is dedicated to Lord Shiva), old Goa Churches (Bom Jesus Basilica and St Francis), and a cruise party. Students enjoyed the Cruise party which was a unique experience for everyone.

Students and teachers returned home with their hearts full of joy and minds filled with beautiful memories. The tour was a delightful experience for all. It provided a well-rounded experience, combining educational exploration, cultural visits, recreational activities, and leisure, enriching the educational journey for the students.

DIU TO SOMNATH

The college organized a trip to Diu-Somnath-Sasan Gir from 26-31 October 2023 for the college students. A group of 33 students under the guidance and supervision of Dr. Ranjula Jain, Dr. Neelam Bageshwari and Dr. Sunita Shekhawat began their journey and the group departed from Jaipur Railway Junction for Ahmedabad. In the morning of 27 October 2023, the students reached Sasan Gir and checked in Vishal Lords Inn. After lunch, the group visited Devalia Lion Safari Park and enjoyed the safari. It was a great thrilling experience to witness the landscape, lions and leopards along with other animals in their natural environment rejuvenating everyone's soul and filling it with fun and adventure. In the evening, the students enjoyed music and dance.

On 28 October 2023, the group moved to Diu. The entire journey was a blend of natural beauty, landscape and cultural heritage that left everyone speechless. Having seen the cannons and cellular jail and the architecture, the group moved ahead for a religious place - Gangeshwar Mahadev temple, St. Francis Church followed by a visit to Gogla beach, inspiring calmness and serenity. Then, the girls enjoyed water scooter driving and boating. The vastness of the sea in all its grandeur was an amazing experience altogether. Students enjoyed waves, sunset and walking along the beach. After spending the evening at the beach, the students headed for their next destination, Somnath. Everyone witnessed the cultural, religious and natural beauty of the place. The next day, everyone visited Somnath temple and enjoyed an infinity walk along the beach side. Light and sound show at Somnath temple in the evening added a new learning experience about the history of the temple and Somnath which captivated everyone's hearts. In the morning of 30 October 2023, the group left for Ahmedabad Railway station and enroute visited Sabarmati Ashram Riverfront and had a great time observing the museum and Mahatma Gandhi's legacy which took us in a period of struggle and fight for the freedom of our country. On reaching the railway station the group boarded the train at Asarwa railway station and reached Jaipur on 31 October 2023 with golden memories and experiences

SPORTS ACHIEVEMENTS

"A healthy mind resides in a healthy body"

Sports and games play a vital role in inculcating values of team spirit, sportsmanship and determination in the students. The playground is a microcosmic version of the rough terrain of life where they learn to jump over hurdles and pick themselves back up whenever they fall.
